Created In Gods Image:

Created in God's Image Anthony A. Hoekema, 1994-09-06 According to Scripture humankind was created in the image of God. Hoekema discusses the implications of this theme devoting several chapters to the biblical teaching on God's image, the teaching of philosophers and theologians through the ages and his own theological analysis. Suitable for seminary level anthropology courses yet accessible to educated laypeople. Extensive bibliography fully indexed. **Being God's Image**

Carmen Joy Imes, 2023-06-06 What does it mean to be human? For this timeless question the Bible offers truths for the flourishing of all creation. Carmen Imes recovers the theologically rich creation narratives and explores the implication of our kinship relationship with God considering what it means for our work, gender relations, creation care and eternal destiny.

Created in the Image of God Dr. David Dockery, 2023-08-01 All people have dignity because they are created in the image of God. This theological belief has been a liberating force among its believers providing a myriad of beautiful implications in our world. On the other hand where the idea of being created in God's image has been misunderstood the implications can be devastating. *Created in the Image of God* brings together leading experts to discuss what it means to be made in image of God and to bring clarity and guidance for implications in the midst of our cultural confusion. The overall approach of this work though distinct and focused in each of the chapters reflects a consensus understanding that men and women have been created in God's image that they have fallen and are influenced by sin that Christ has provided redemption through his vicarious death and resurrection and that there is hope in the promise of eternal life in Christ. Christ succeeded where Adam failed. Rom 5:12-21, 1 Cor 15 allowing those who trust in him to enjoy and glorify him forever. The rich chapters within and their helpful application to human dignity issues will help our world to regain a sense of the marvelous privilege that is ours as image bearers and how that should impact our engagement with complex dignity issues of our day. **Creation**

Hans Schwarz, 2002-10-22 Schwarz first surveys scientific explanations for the origins of the universe and of life and discusses the scientific understanding of matter, space, time and determinism. He then reviews the history of Christian responses to science's discoveries including a summary of reactions from Christian scientists. He completes his analysis with a proposal for the development of a Christian understanding of creation. **BOOK JACKET** In God's Image Tomer Persico, 2025-07-22 The idea that all human beings were created in God's image was core to the creation of the modern West. *In God's Image* examines the central role that the idea that all people were created in the image of God played in the development of Western civilization. Focusing on five themes: selfhood, freedom, conscience, equality and meaning, the book guides the reader through a cultural history of the West from ancient times through modernity. It explains how each of these ideals was profoundly influenced by the central biblical conception of humanity's creation in God's image embracing an essential equality among all people while also emphasizing each human life's singularity and significance. The book argues that the West and particularly Protestant Christianity grew out of ideas rooted deeply in this notion and that it played a core role in the development of individualism.

liberalism human rights discourse and indeed the secularization process Making the case for a cultural understanding of history the volume focuses on ideas as agents of change and challenges the common scholarly emphasis on material conditions Offering an innovative perspective on the shaping of global modernity In God s Image examines the relationship between faith and society and posits the fundamental role of the idea of the image of God in the making of the moral ideals and social institutions we hold dear today *Wrestling with God and Men* Steven Greenberg,2004-02-23 For millennia two biblical verses have been understood to condemn sex between men as an act so abhorrent that it is punishable by death Traditionally Orthodox Jews believing the scripture to be the word of God have rejected homosexuality in accordance with this interpretation In 1999 Rabbi Steven Greenberg challenged this tradition when he became the first Orthodox rabbi ever to openly declare his homosexuality *Wrestling with God and Men* is the product of Rabbi Greenberg s ten year struggle to reconcile his two warring identities In this compelling and groundbreaking work Greenberg challenges long held assumptions of scriptural interpretation and religious identity as he marks a path that is both responsible to human realities and deeply committed to God and Torah Employing traditional rabbinic resources Greenberg presents readers with surprising biblical interpretations of the creation story the love of David and Jonathan the destruction of Sodom and the condemning verses of Leviticus But Greenberg goes beyond the question of whether homosexuality is biblically acceptable to ask how such relationships can be sacred In so doing he draws on a wide array of nonscriptural texts to introduce readers to occasions of same sex love in Talmudic narratives medieval Jewish poetry and prose and traditional Jewish case law literature Ultimately Greenberg argues that Orthodox communities must open up debate dialogue and discussion precisely the foundation upon which Jewish law rests to truly deal with the issue of homosexual love This book will appeal not only to members of the Orthodox faith but to all religious people struggling to resolve their belief in the scriptures with a desire to make their communities more open and accepting to gay and lesbian members 2005 Finalist for the Lambda Literary Awards for Religion Spirituality **The IVP Bible Background Commentary: Old Testament** John H. Walton,Victor H.

Matthews,Mark W. Chavalas,2000-11-08 This unique commentary provides historical social and cultural background for each passage of the Old Testament From Genesis through Malachi this single volume gathers and condenses an abundance of specialized knowledge and includes a glossary maps and charts and expanded explanations of significant background issues

Kleinig,2021-08-25 Why do we have bodies When it comes to thinking about our bodies confusion reigns In our secular age there has been a loss of the body s goodness purpose and end Many people driven by shame and idolatry

abuse their body through self harm or self improvement How can we renew our understanding and see our bodies the way God does In *Wonderfully Made* John Kleinig forms a properly biblical theology of our bodies Through his keen sensitivity to Scripture s witness Kleinig explains why bodies matter While sin has corrupted our bodies and how we think of them God s creation is still good Thus our bodies are good gifts The Son took on a body to redeem our bodies Kleinig addresses issues like shame chastity desire gender dysphoria and more by integrating them into the biblical vision of creation Readers of *Wonderfully Made* will not only be equipped to engage in current issues they will gain a robust theology of the body and better appreciation of God s very good creation **HOLY BIBLE HOLMAN BIBLE.**,2018 *The Real Royal Family* James E. Schultz,2021-03-26 God made human beings in his image and that is what makes us so valuable Yet there are vastly different ideas of what the image means and how sin affects the image and each of those ideas impacts the claim that the image grounds human value People have treated one another in either horrible or wonderful ways based on their theologies of the image This book examines the logical implications of various image doctrines in the real world Also in Genesis 1 26 27 the image of God is closely tied to the first stated purposes of human life in Genesis 1 28 Yet such practical purposes seem remote from the private spirituality of the gospel story often heard in churches To live out our part in God s creation project we need to understand the image of God within the unfolding story Scripture narrates from creation to new creation This book builds a theology of the image of God by situating it firmly in the biblical narrative harnessing the insights of biblical theology and conversing with theologians past and present to form a coherent story of God his children and his creation in this age and the age to come *The Human Being* Hans Schwarz,2013-12-20 This overview of Christian anthropology by Hans Schwarz uniquely emphasizes three things 1 the biblical testimony 2 the historical unfolding of Christian anthropology through the centuries and 3 the present affirmation of Christian anthropology in view of rival options and current scientific evidence Schwarz begins by elucidating the special place occupied by human beings in the world then ponders the complex issue of human freedom and concludes by investigating humanity as a community of men and women in this world and in the world beyond While maintaining a strong biblical orientation Schwarz draws on a wide range of resources including philosophy and the natural sciences in order to map out what it means to be human Schwarz s *Human Being* will interest anyone who is concerned with how in the face of fascinating scientific insights we can intelligently talk today about human sinfulness human freedom and human beings as children of the God who created us God with Us Christoph Barth,1991-04-30 This is a print on demand book and is therefore non returnable God s dynamic initiative is the main theme of biblical testimony says Christoph Barth Here he expounds the message of the Old Testament in a manner that is faithful to the Old Testament itself as an account of the mighty acts of God rather than a series of abstract doctrines A theology of the Old Testament is not simply a study of God however Old Testament theology also encompasses teaching about the world and humanity about life and death about origin nature and destiny And Old Testament theology must also take into account the

New Testament which confirms what is announced in Israel's Scripture and thus is part of it Barth elucidates the importance of the Old Testament for the New Testament and hence for Christians surveys God's redemptive acts as recorded in the confessional summaries of history in the Old and New Testaments and offers contemporary applications of these biblical themes Working his way through the Old Testament Barth treats nine key topics each of which deals with one of the divine acts that are the essential subject matter of Israel's Scripture creation election of the patriarchs exodus wilderness wandering Sinai revelation gift of Canaan election of David kingship election of Jerusalem and sending of prophets He has divided each of the nine chapters into sections on one main aspect of the topic considering theological anthropological soteriological and eschatological points as well Throughout his examination of each theme Barth pays special attention to its scriptural context God With Us is an excellent textbook for introductory or survey courses in the Old Testament each section begins with a thesis statement summarizing its contents and details are treated in small print sections Barth originally wrote his Old Testament theology in Indonesian and later rewrote the entire book in English Geoffrey Bromiley has condensed the original four volumes in this edition

Created in the Image of God Nico Vorster, 2011-10-26 What does it mean to be created in the image of God How can the existence of evil be explained if we believe in a good and loving God What is the precise meaning of the notion of original sin How can God transfer the guilt of humanity to one innocent individual or should we rather dispense with the notion of penal satisfaction The first part of Created in the Image of God grapples in a concise manner with these and other elusive and controversial theological and anthropological issues The second part proceeds to address societal issues that relate to dignity equality and freedom How can human dignity and the dignity of the environment be reconciled Are the values of freedom and equality natural enemies When does theology become a tool of oppression How should we evaluate neo liberalist economic theory after the greatest recession since the Depression This book cautiously attempts to provide some answers that might help modern society to re invent itself in a tumultuous age
