Creating A Successful Christian Marriage:

Creating a Successful Christian Marriage Cleveland McDonald, Philip McDonald, 2008-04-01 This classic text written by a father and son team looks at the nuclear family as a social institution and provides guidance for interaction and adjustment during dating engagement and early marriage The authors treat such practical matters as communicating working through interpersonal differences and growing in relationships within the family They also discuss the impact of cultural expectations on family patterns and define ideal family roles developed in Scripture Other topics covered include parenting extended family relationships finances and nontraditional families Now available in paperback *Christian Marriage and Family*

Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Building a Christian Marriage** Kathleen

were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray Successful Keys to the Marriage Journey Deborah Roses Isaac M.Div. D.Min.,2024-06-12

Successful Keys to the Marriage Journey is meant for real people in real marriages trying to navigate real struggles Deborah Roses Isaac who has enjoyed and endured more than fifty seven years of marriage with the very same person explores how to be a better spouse and how to grow better instead of growing bitter She draws on wisdom from the Bible to answer questions such as How can you resist the temptations Satan brings to you How can ambition become a stumbling block to you and your family Why is it so important to avoid flirting with others What are the key characteristics of a successful marriage The author also observes that couples who are determined to stay together without settling for mediocrity work through dissatisfaction This means figuring out how to get acquainted with each other on a deeper level as well as being honest and transparent about who you really are With lots of work and by coming together with Him you ll enjoy a marriage that stands the test of time Created in Their Image Winelle J. Kirton-Roberts,2015-03-30

Every denomination entered the Caribbean with a mission While the general motivation was to convert the population to Christianity the accompanying practices were undoubtedly intended to civilise and westernise The Moravians and Methodists were the first two evangelical Protestant missions that brought the gospel to the enslaved Africans in the Caribbean When emancipation was granted to the enslaved Africans by the British government in 1834 the newly freed Africans had their own ideas as to how they would live work and worship They were in a struggle for freedom self affirmation self expression and personal development But the Moravians and Methodists had independently framed their thoughts on what the formerly enslaved Africans needed to survive and succeed What the evangelical Protestants created for themselves was an image of the formerly enslaved African They had drawn a mental picture of a European Christian of African descent who was residing in the Caribbean and practicing the Christianity of the West The Caribbean evangelical black was a reflection of the Europeans but never managed to fit into the submissive Christian image This book traces the eighty years during which formerly enslaved Africans adapted to their state of freedom in Antigua and Barbados and how the Moravians and Methodists sought to shape their way of life The book examines the theological dispositions on slavery gender education religion sexuality and race **Inner Life of a Happy Christian Marriage and Family, A Personal Perspective** , I Thee Wed Dr. Joseph Tan,1991 Daily Graphic Yaw
