BOOK JACKET With Love, All Things Are Possible Anna Hartt,2024-09-22 In our struggling world we are responsible to bring God s love and Christ s light into a world that seems to have forgotten this task to foster more secular responses to the world s problems Many of us try to do everything by

ourselves and soon realize we cannot do much without God's help. This book speaks to real life issues that need our individual and national attention. The needs of our children, the sacrifices of the military, struggling families, the power of prayer, the importance of mission work, ubuntu, possibilities to solve problems, core values in the Word, the value of Christian holidays and the effects of COVID on ourselves, the nation and the world. Fears and doubts are not answers to our problems but all things are possible with love. With her own prayers, poems and philosophies and various Biblical texts, the author encourages all to see that with Jesus Christ's love, light, hope, peace and grace, all things are possible when we open our hearts to God and others. Creating a beautiful world for us, God gave us free will so that we might grow in the wisdom of His Word and laws. We must love one another and be Christ with flesh on. Anger, hatred, violence and malicious words will not create a better world; only love can. COVID taught us that we are because of so many people. Americans and the nation have been given much and with that abundance, much is expected of us.
