using wire and beads

LINDA JONES

A photograph of a wire and bead necklace is featured on the book cover. The necklace is made of a gold-colored wire, intricately coiled into several large, overlapping spiral loops. It is adorned with several green beads of varying sizes and shapes, including a prominent oval bead near the top and a round bead near the bottom. The necklace is laid out on a dark, mottled, and textured surface that resembles stone or aged leather. The background of the top half of the cover is a solid reddish-brown color, which transitions into the textured surface below.
