Enlightened by Design Helen Berliner, 1999-06-07 This book shows how to use our homes to realign ourselves with the basic forces of nature heaven and earth the four directions and the elemental energies that arise from them Based on Tibetan Buddhist teachings on energy mandalas and the practice of space awareness it includes playful quotes provocative illustrations and practical exercises for discovering the inspiration and delight hidden in our homes And it explains the role of wakefulness in contemplative arts and design Berliner proceeds from living room to bedroom to kitchen to home office illustrating with rigorous practicality how we can join space color function harmony and our senses to create functional welcoming rooms She draws on traditional geomantic systems from Celtic wisdom to feng shui to show that home design and ecology are one and the same and that intuition and our senses are our most effective decorating tools Working with wakefulness and natural patterns of energy we can create enlightened environments and in this case enlightenment begins at home *Sacred Practices for Conscious Living* Nancy J. Napier, 2016-06 Now nearly two decades later Napier is ready to

share more of her own life story while returning to the subject she was first introduced to by her grandmother As she comes again to the topic that pervades her life story she focuses on several themes including the importance of experiencing a sense of meaning in life the sacred nature of all beings and life itself the belief that everything is an essential part of the full expression of one life both individually and collectively and that we inherently draw from an underlying wholeness the power of what it means to be aware in the present moment and the fact that suffering is part of everyday life and we can learn to move through it Napier explains that once we recognize our place within collective consciousness and focus on compassion and mindfulness we can begin to experience more directly the interdependence and interconnection underlying our place in the universe
