Church Gustaf Aulen,2002-04-26 This paperback reprinting of Gustaf Aulen s great textbook of systematic theology should be a welcome delight to the Christian theologian The reputation if this second English edition based on the fifth and most extensively revised Swedish edition has steadily increased over the years as a clear and sound guide to the substance of the Christian faith Besides treating the whole compass of traditional themes associated with the doctrines of God Christ and the church Aulen in this edition has provided new chapters on the Communion of Saints and on the relation between scripture and tradition The chapters on the biblical validation of the content of faith the doctrine of the Lord s Supper and the unity of the church and the disunity of the churches were rewritten The statements on the relation between the two testaments creation and redemption natural law the resurrection the validity of infant baptism and eschatology were substantially revised Aulen s keen analysis and clear presentation of the fundamental motifs of the Christian faith his sharp demarcation of these motifs from their aberrations in the history of Christian thought and in contemporary theology and especially his profound sense of the oneness of the church s faith have endeared this book to students theologians clergymen and hosts of intelligent and inquiring laity of every denomination **The Mystery of the Universe: Our Common Faith** Joseph William

Reynolds,1884 *The History of Creation* Ernst Heinrich Philipp August Haeckel,1876 *Faith in the Living God, 2nd Edition* John Polkinghorne,Michael Welker,2019-04-12 In this book John Polkinghorne and Michael Welker explain how they understand faith in the living God Between them they offer a binocular vision from their twin perspectives to yield helpful insight in relation to the important issues Part of the fascination of this book is how two people with such different backgrounds approach central theological questions relating to the faith they both share Their concerns are truth rather than

polemics reliability rather than simple certainty They seek to anchor their thought in concrete particulars rather than abstract generalizations They ask the questions that trouble the inquiring mind and meet head on the challenge as well as the reassurances of belief This second edition provides a new Preface and updated bibliographies *Christian Faith* B. A. Gerrish, 2015-08-24 At the beginning of *Christian Faith* B. A. Gerrish reminds us that dogmatics involves critical transmission of the Christian heritage The dogmatic theologian must interpret and assess the traditional beliefs of the church while also considering the new and changing conditions in which that tradition is being embodied With that Gerrish goes on to outline the various presuppositions and affirmations of the Christian faith before ultimately offering a powerful and compelling restatement of Christian faith for the twenty first century As part of his framework Gerrish includes a critical comparison of Calvin's Institutes of the Christian Religion and Schleiermacher's Christian Faith while still paying close attention to the great cloud of theological witnesses from across the spectrum of Christian traditions Gerrish's book provides a robust and penetrating revisioning of Christian theology one that is thoroughly grounded in the classical traditions of the church

Creation and Judgement Stefan Paas, 2021-10-11 This book explores how the books of Amos Hosea and Isaiah use language of creation This is done by a religion of history approach of ancient Israel with respect to its belief in YHWH as a Creator and by an exegetical survey of the relevant texts in the prophets mentioned It is established that creation language was introduced in Israel long before the Exile and is used in a flexible manner depending on context and situation Elaborate attention is given to its use in contexts of judgement This study is relevant for students of the prophets who are looking for a thorough discussion of many texts and a critical examination of some popular views on creation in the Bible **From Logos to Christos** Ellen M. Jette,2019-05-01 Many Christians lack understanding of faith s journey how God s soldiers are armored and how to be prepared for spiritual warfare Little knowledge in this area makes many go into battle unprepared and they lose fight after fight God s soldiers are doing spiritual warfare with natural fleshly means which causes them to be beaten and confused and as Job they sit believing that God has forsaken them This book is not a repeat of Storms Are Faith s Workout Preparing Christians for Spiritual Ambush It will build upon the truths in that book to help strengthen God s soldiers to go to battle dressed in the full armor of God There are no shortcuts to overcoming in this life and many obstacles must be faced In the pages of this book God s soldiers will gain the understanding of how faith works and the necessity for God s armor in facing whatever obstacle the devil has put in their path When the book is finished God s soldiers will have confidence in God and in his armor They will be emboldened to stand firm confront any obstacle and overcome it by faith

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club.
