Limitless Possibilities Kathleen Walsh, 2009-09-24 Each of us has felt the energy shift as the planet transitions into the fifth dimension We have felt time speed up and felt energies that are at times so chaotic and unpredictable that we have been thrown off our usual course Some of us have been rocked to our very core We are asking ourselves what is this and why is this happening We each have chosen to come to earth during this time of great transition We are all here sharing our lives with each other helping Mother Earth move into the Golden Age the spiritual Age of Aquarius This transition will complete on the date that the Mayan civilization predicted some 26 000 years ago December 21st 2012 There is much work to be done as we realize the need for the shift that must occur in our personal lives so that we can be in sync with the new fifth dimensional energy on this planet As our world resets itself so too must we reset ourselves What this means to each of us is that it is time to understand the meaning of how to live more fully in the fifth dimension Each of us must identify where we currently stand and where we need to go in order to experience the wonderment of fifth dimensional living Why Many of us may be existing as a two or a three dimensional person The energies that sustain those dimensions no longer exist on this planet So the old ways of thinking or operating that produced success at one time no longer exist It is now necessary for us if we are to exist in harmony with our planet to transition as well If we choose not to transition then frustration and anger will become paramount in our lives The choice is up to us To live in the fifth dimension is not only to experience the energy of magic and miracles but to learn that we can create all the perfection we desire in our lives by simply shifting our thinking into fifth dimensional thinking We are able to see the perfection where formerly we saw the illusion of imperfection This new vantage point allows us to become the center of our own reality and easily navigate through difficult individuals and challenging events while maintaining a state of balance and harmony We are then able to turn possibilities into probabilities and probabilities into actualities This journey begins with describing and identifying all of the unseen but certainly not unfelt influences in our lives that have been given to each of us to help us live our life on earth in the best and easiest manner possible Each reader will be able to identify their birthright gift as well as the other gifts available to tap into and expand one's energy thereby allowing this innate knowledge to grow and develop All of the necessary techniques and tools are explained in detail in this book so that you can easily make the transition from your current dimension into the fifth dimension allowing you to create a new future You are able to learn and make friends with each of your bodies of consciousness and their respective inner child and together you begin a journey of healing You as parent of these inner children learn how to set the stage and the rules so that everyone is playing by the same playbook You learn that you may win as a team or you may lose

as a team but you are all on the same team working together to achieve that balance that allows you to maintain your newly found center By removing fears one by one each of us can transition from a place of fear into a place of love learning to live from the heart As we work towards this goal we isolate and identify the negative emotions that have been growing and harvesting within These negative emotions equate disease This book is your guide to help acknowledge these fears recognize and release them one by one creating a new you a lighter you We then experience a new energy a more evolved energy a higher vibrating energy as we invite the energy of excellent health and balance into our bodies It is here that **Violet Flame to Heal Body, Mind & Soul** Elizabeth Clare Prophet,1997 This pocket guide describes how to use a high frequency spiritual energy to increase vitality overcome blocks to healing dissolve records of trauma and create positive change in our personal lives and for the planet Learn how the violet flame can be used to increase vitality and to assist any healing process of the body mind emotions or spirit Includes inspiring true stories nine easy steps to begin using the violet flame with affirmations mantras and visualizations **Working with the Masters** Mark L. Prophet,Elizabeth Clare Prophet,2020-03-05 No spiritual journey is complete without a road map and an expert guide Book 3 in the Sacred Adventure series provides just that detailed advice from the ascended masters for anyone who would like to follow in their footsteps and reach the pinnacle of self mastery on one of the seven rays or paths of the divine consciousness You will learn what is important to the ascended masters and how to work with these mentors of the spirit in chapters on the science of wholeness the light of the divine mother the creative power of music the power of love in action the joy of divine purity the mysteries of elemental life nature spirits the gift of divine freedom and the path of personal Christhood Hope, Help, Healing with Archangel Raphael and the Angels Mary LaSota,Harriet Sternberg,2007-05 In this book Hope Help Healing with Archangel Raphael and The Angels many comments and much information is given which is extremely important at this time in terms of very much needed hope both in the present and for the future Planet Earth and the individuals living on it need to know about Angels Archangels Spirit Guides and Ascended Masters in order to avail themselves of all the helpful hopeful healing protecting and guiding ways they have given in the past and about how all these offerings can be utilized now The Emerald Joy Healing Ceremonials the attunements and the messages are valuable because they come directly from Archangel Raphael himself his contributions benefiting us all The authors intensive and extensive research about past Golden Ages and the predicted Golden Age to come culminates in a last chapter which shows the cosmic role Planet Earth has played in the past and needs to play again This book has come forth at this time to offer words of hope help and healing to a world in its transformational period *How to Work with Angels* Elizabeth Clare Prophet,2020-10-25 Angels are our guides guardians and friends The more you understand how to work with angels the more effectively they can help you in every area of your life This essential guide to your angelic guides guardians and friends shares ten practical steps to make the angels a part of your life Separate chapters cover each of the seven archangels and describe the spiritual gifts practical assistance and world
