Teaching French Grammar in Context Stacey Katz Bourns, Stacey L. Katz, Carl Stewart Blyth, 2007-01-01 Something needs to be done about grammar Katz and Blyth have written this book with the hope of changing the way French instructors teach and conceive of grammar Intended to help teachers and teacher trainers develop an understanding of French discourse that is grounded in recent theoretical and sociolinguistic research this book is devoted to informing teachers in training as well as experienced teachers about cutting edge methods for teaching grammar It also describes the grammatical features of the French language in its social context At the same time it provides suggestions for applying such abstract knowledge in practical pedagogical ways for example how to structure grammatical explanations devise classroom activities and take advantage of resources that give students greater exposure to French as it is truly used in various discourse environments

how to breathe and how to pronounce knows how to sing Singing The First Art incorporates the techniques of Bel Canto
along with those of masters like Berton Coffin and Manuel Garcia to promote and facilitate vocal excellence Many concepts
are described from correct posture and alignment to improving and maintaining proper breathing from good pronunciation
and diction to producing an even pure tone and from vocal ranges to singing within and smoothly shifting between vocal
registers Mannes Vocal Faculty member Dan H Marek effectively breaks down these complicated concepts with clear
exercises helping the vocal student to achieve freedom and complete control over his or her instrument A primary section on
the history of singing stresses the importance of understanding vocal history while inspiring and motivating the student
through the experiences of opera stars such as Enrico Caruso Maria Callas and Jussi Bj rling The second section explains
vocal techniques including the use and proper pronunciation of the IPA International Phonetic Alphabet and provides 64
specific exercises with clearly defined goals designed to overcome faults and to develop vocal virtuosity Complete
instructions for transposing the exercises for both male and female voices are included as well as drawings of the exercises
musical examples from vocal literature excellent anatomical illustrations by Frank Netter MD and copious photographs of
opera stars Singing The First Art is an invaluable text for students professionals singers conductors composers and vocal
