GenAdmin Colin Charlton, Jonikka Charlton, 2011-09-26 *GenAdmin* Theorizing WPA Identities in the Twenty First Century examines identity formation in a generation of rhetoric and composition professionals who have undergone explicit preparation in scholarly dimensions of writing program administration The authors argue for *GenAdmin* both as an intellectual identity and as a contingent philosophy of writing program work *GenAdmin* alternates between traditional chapters and accompanying Interludes each of which offers extended illuminations of the single conflict or theoretical question integral to the preceding chapter Labored Randall McClure, Dayna V. Goldstein, 2016-11-01 *Labored* The State and Future of Work in Composition edited by Randall McClure Dayna V Goldstein and Michael Pemberton offers both a retrospective and a prospective look at the 1989 Statement of Principles and Standards for the Postsecondary Teaching of Writing and its relation to the changing nature of work in composition Stemming from an investigative project to strengthen the Statement with data culled from national reports on labor conditions this collection draws on the expertise of scholars whose research agendas and lived experiences afford fresh insights and critical analyses on labor issues in composition and writing program administration Handbook of Research on Writing Charles Bazerman, 2009-03-04 *The Handbook of Research on Writing* ventures to sum up inquiry over the last few decades on what we know about writing and the many ways we know it How do people write How do they learn to write and develop as writers Under what conditions and for what purposes do people write What resources and technologies do we use to write How did our current forms and practices of writing emerge within social history What impacts has writing had on society and the individual What does it mean to be and to learn to be an active participant in contemporary systems of meaning This cornerstone volume advances the field by aggregating the broad ranging interdisciplinary multidimensional strands of writing research and bringing them together into a common intellectual space Endeavoring to synthesize what has been learned about writing in all nations in recent decades it reflects a wide scope of international research activity with attention to writing at all levels of schooling and in all life situations Chapter authors all eminent researchers come from disciplines as diverse as anthropology archeology typography communication studies linguistics journalism sociology rhetoric composition law medicine education history and literacy studies The Handbook s 37 chapters are organized in five sections The History of Writing Writing in Society Writing in Schooling Writing and the Individual Writing as Text This volume in summing up what is known about writing deepens our experience and appreciation of writing in ways that will make teachers better at teaching writing and all of its readers better as individual writers It will be interesting and useful to scholars and researchers of writing to anyone who teaches writing in

any context at any level and to all those who are just curious about writing **Teaching Writing Teachers of High School English & First-year Composition** Robert Tremmel, William Broz, 2002 What do writing teachers need to know And what do they need to know how to do **First Time Up** Brock Dethier, 2008-09-30 First time up an insider's friendly question from 1960s counter culture perfectly captures the spirit of this book A short supportive practical guide for the first time college composition instructor the book is upbeat wise but friendly casual but knowledgeable like the voice that may have introduced you to certain other firsts With an experiential focus rather than a theoretical one First Time Up will be a strong addition to the newcomer's professional library and a great candidate for the TA practicum reading list Dethier author of The Composition Instructor's Survival Guide and From Dylan to Donne directly addresses the common headaches nightmares and epiphanies of composition teaching especially the ones that face the new teacher And since legions of new college composition teachers are either graduate instructors TAs or adjuncts without a formal background in composition studies he assumes these folks as his primary audience Dethier's voice is casual but it conveys concern humor experience and reassurance to the first timer He addresses all major areas that graduate instructors or new adjuncts in a writing program are sure to face from career anxiety to thoughts on grading and keeping good classroom records Dethier's own eclecticism is well represented here but he reviews with considerable deftness the value of contemporary scholarship to first time writing instructors many of whom will be impatient with high theory Throughout the work he affirms a humane confident approach to teaching along with a true affection for college students and for teachers just learning to deal with them Expel the Pretender Eve Wiederhold, 2015-04-01 Political fights are not waged over who is speaking the truth but over whether any given claim seems to be authentic Expel the Pretender Rhetoric Renounced and the Politics of Style examines how rhetorical style influences judgments about how to communicate integrity and good will Eve Wiederhold argues that attitudes about style's significance to judgment are both undertheorized and over determined especially when style is regarded as an embellishment rather than as a constitutive aspect of language use Examining news reports covering controversial speakers including President Bill Clinton Linda Tripp and the Rev Jeremiah Wright she demonstrates how rhetorical style is both belittled and yet remains a focal point for assessing public figures who have been publicly rebuked and discredited Expel the Pretender claims style as a conflicted site of materiality critiquing contemporary rhetorical theories that configure style as a dependable resource for democratic inquiry Wiederhold argues that conceptions of style's significance to judgment must be reframed to understand how we make decisions about who and what to believe Handbook of Research on Writing and Composing in the Age of MOOCs Monske, Elizabeth A., Blair, Kristine L., 2016-11-29 The development of online learning environments has enhanced the availability of educational opportunities for students By implementing effective curriculum strategies this ensures proper quality and instruction in online settings The Handbook of Research on Writing and Composing in the Age of MOOCs is a critical reference source that overviews the

current state of larger scale online courses and the latest competencies for teaching writing online Featuring comprehensive coverage across a range of perspectives on teaching in virtual classrooms such as MOOC delivery models digital participation and user centered instructional design this book is ideal for educators professionals practitioners academics and researchers interested in the latest material on writing and composition strategies for online classrooms

Downloading Allyn And Bacon Sourcebook For College Writing Teachers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Allyn And Bacon Sourcebook For College Writing Teachers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Allyn And Bacon Sourcebook For College Writing Teachers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Allyn And Bacon Sourcebook For College Writing Teachers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Allyn And Bacon Sourcebook For College Writing Teachers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Allyn And Bacon Sourcebook For College Writing Teachers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
