Along The Cotswold Ways:

The Cotswold Way Companion Cotswold Voluntary Wardens, 2022-05-10 The book will help you to get the most out of walking the Cotswold Way perhaps the best loved of the UK's sixteen designated national trails. It's special for two reasons: it focuses on the Cotswold Way's natural environment and its archaeology and history, and it's the work of people with great knowledge and experience of the trail: members of the Cotswold Way Association (CWA), the charity set up in 2016 to promote its conservation and protection, and Cotswold Voluntary Wardens who patrol the trail and lead walks on it. Proceeds from the book, available as paperback and eBook, will go towards the trail's upkeep and improvement. Chapter 1 spells out the book's aims and illustrates the types of trail improvement the Cotswold Way Association funds. Chapter 2 introduces you to the Cotswolds that are the trail's setting, in particular their geology, grasslands and woodland, distinctive settlement pattern of small towns and villages, vernacular architecture and historical monuments ranging from Neolithic barrows and Iron Age hill forts to Roman villas, medieval castles, manor houses and wool churches, along with several notable towers and beacons. Chapters 3-12 deal with the typically ten-mile or so long stages of the annual Cotswold Way walks that Cotswold Voluntary Wardens lead. Each one draws attention to the stage's main points of interest and beauty, highlighting a major theme such as outstanding flora and fauna, or grand estates, or impact of the wool trade and cloth making. A Guide to the Cotswold Way Richard Sale, 1999 The Cotswold Way runs from Chipping Camden to Bath, meandering through 100 miles of some of England's most beautiful countryside. This guide is aimed at walkers of all abilities and may be enjoyed in small sections or taken as a whole. It features many sights of interest that may be taken in along the way, such as ancient sites and monuments, picturesque villages and the splendour of Bath. The Cotswold Way Mark Richards, 1984 England Cotswolds Long Distance footpaths Walker's Guide **The Cotswold Way** Kev Reynolds, 2024-02-14 A guidebook to walking the Cotswold Way National Trail between Chipping Camden and Bath. Covering 163km (102 miles) across the Cotswolds National Landscape, this straightforward hike takes 2 weeks to walk. The route is presented in 14 stages ranging from 7.17km (4.41 miles) in length. The route is described north to south, and an abbreviated route description is also given for those walking the route south to north. Includes a separate map booklet containing OS 1:25,000 mapping and route line GPX files available to download. The book features a facilities planner that highlights information about facilities and public transport along the route. Full accommodation listings are included. **The Cotswold Way 2010** Anthony Burton, 2010-03-25 This 100-mile route is Britain's newest National Trail and was officially launched in May 2007. Starting in the picturesque village of Chipping Camden, it takes the walker through a landscape of steep escarpments, bare plateaux and wooded valleys, passing a number of important historical sites en route, before descending into the Severn Valley and ending at the city of Bath. Whether you are walking the trail from end to end or exploring a part of it, you will find this easy-to-use guide indispensable. A complete description of the

route is divided into 15 chapters each covering one day's walk. 1:25 Ordnance Survey mapping is marked with points of interest along the route and background information on local history, wildlife, archaeology and landscape. *Cotswold Way* Tricia Hayne, Bob Hayne, Henry Stedman, 2019-03. The Cotswold Way is a 102-mile 163km National Trail that runs from Chipping Campden to Bath following the beautiful Cotswold escarpment for much of its course. Part guide book, part travel book. Mollie Harris relates the adventures she and her daughter-in-law enjoyed on the 93-mile route from Chipping Campden in the north to Bath in the south. **Cotswold Way Handbook and Accommodation List** Joy Sagar, Donald Stockwell, Mavis Rear, Ramblers' Association Staff, 2002-09. The Cotswold Way is a walk of 97 1/2 miles along the western side of the Cotswold Hills. By following mostly the top of the steep escarpment, it has many of the characteristics of a coast path, but the views are of the Severn Vale and the distant hills rather than of the sea. History of the Cotswold Way. A route along the Cotswold Edge was first suggested by the Gloucestershire District Committee of the Ramblers Association in 1950. The National Parks Commission noted the plans for a Cotswold Edge Way with interest, but by then many other routes had been planned and little more was heard about a Cotswold Way until 1968 when Gloucestershire County Council Planning Department carried out a recreational survey which prominently featured the Cotswold Way as a future long-distance footpath. In 1970 the County Council decided to open the route on existing public paths and highways, including several miles on roads. It was on a short list of proposals for designation as a long-distance footpath submitted by the Ramblers Association to the Commission in 1983 and was finally designated as a national trail in 1998. Many improvements and minor changes in route have been made since 1970. **Cotswold Way** Tricia Hayne, Bob Hayne, 2023-10-04.
