Theatres of Human Sacrifice Mark Pizzato, 2004-11-18 Contemporary debates about mass media violence tend to ignore the long history of staged violence in the theatres and rituals of many cultures In *Theatres of Human Sacrifice* Mark Pizzato relates the appeal and possible effects of screen violence today in sports movies and television news to specific sacrificial rites and performance conventions in ancient Greek Aztec and Roman culture Using the psychoanalytic theories of Lacan Kristeva and Žižek as well as the theatrical theories of Artaud and Brecht the book offers insights into the ritual lures and effects of current mass media spectatorship especially regarding the pleasures purposes and risks of violent display Updating Aristotle's notion of catharsis Pizzato identifies a sacrificial imperative within the human mind structured by various patriarchal cultures and manifested in distinctive rites and dramas with both positive and negative potential effects on their audiences

Ghosties and Ghoulies and Long-Legged Beasties and Things That Go Bump in the Night Donald E. Post, 2004-11-12 In matters of faith we generally accept what parents Sunday school teachers friends or ministers tell us That was certainly the story of my youth and early years in the ministry Given the fact that such matters are non scientific and un testable by traditional scientific means and that there is a wide range of Christian beliefs it is perfectly understandable that people are either puzzled or uninterested when trying to make sense of it all *Ghosties Ghoulies* peels away the extraneous ideological debris that encumbers so much Christen

thought in order to more clearly reveal the historic God man Mystery People daring to live an honest intellectual life in the 21st Century cannot do so carrying around a medieval theology A Christological thread seeks to tie Ghosties Ghoulies together Minimally I hope my thoughts and observations will make one s study of Christianity easier Undoubtedly some will find a few of their taken for granted Christian views challenged We all need to pull up our theological ideas by the roots from time to time and rethink them Much of our contemporary Christian beliefs are hand me downs from medieval lore and superstition Berit Olam: Joshua L. Daniel Hawk,2022-02-05 What does Joshua hold to be the essential marks of Israelite identity What distinguishes Israel from all other peoples In tracking these themes L Daniel Hawk reveals in Joshua a profound struggle to define the people of the God of Israel Hawk shows that the themes surrounding Joshua express fundamental markers of national identity religious practice obedience to the commandments of Moses ethnic separation extermination of the peoples of Canaan and possession of land the land that YHWH gives Through the medium of narrative Joshua tests each of these markers and demonstrates that none clearly characterize the people of God Instead Joshua presents Israel as a nation fundamentally constituted by choosing YHWH s choosing of Israel and Israel s choosing of YHWH In the present day in which ideologies of religion race and territorial possession have given rise to countless expressions of violence Hawk expresses the particular value of reading Joshua The Joshua story holds a mirror up to all who regard themselves as the people of God The reflection is both repelling and inspiring but until we confront it what it truly means to be the chosen people of God will remain elusive Chapters are Rights of Passage 1 1 18 Who s Who in the Promised Land 2 1 12 24 Strangers in the Night 2 1 24 Changing State 3 1 4 24 First Things First 5 1 15 Going in Circles 6 1 27 Ai Spy 7 1 8 35 Foiled Again 9 1 10 27 Conquering Canaanites 10 28 12 24 Organizing Israel 13 1 21 45 Altar Egos 22 1 34 Unfinished Business 23 1 18 and Decisions Decisions 24 1 33 Includes twelve charts that lay out structural features of the book

Adolf Hitler - European Tour Ian Tinny,Dead Writers Club,Micky Barnetti,Rex Curry, Adolf Hitler s European tour started with small gigs in German beer halls It grew to sold out crowds of worshipful fans raising their arms and chanting in adulation They came for his hypnotic voice and signature mustache outrageous costumes rituals and symbols From there Hitler s band took Europe by storm with a swift series of top hits This book exposes the dark side of Hitler His plagiarism from earlier inspirations far beyond Germany some deep inside the USA The USA was the origin of Nazi salutes and Fascist behavior through the work of an American socialist Francis Bellamy author of the USA s Pledge of Allegiance to the Flag The American Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past American youth groups Scouting adopted Bellamy s American Nazi salute AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism adopted similar behavior under Hitler That helps to

explain another shocking revelation swastikas were worn by American soldiers before Hitler did it There are photos in the book The military salute was the origin of Nazi salutes via the USA s flag pledge in government schools Public officials in the USA who preceded the German socialist Hitler and the Italian socialist Mussolini were sources for the stiff armed salute and brainwashed chanting in those countries and other foreign countries influencing the worst reprobates including these other socialists Joseph Stalin Vladimir Lenin Mao Zedong Adolf Hitler Pol Pot Kim Il sung Ho Chi Minh Karl Marx Leon Trotsky Kim Jong il Benito Mussolini Kim Jong un Fidel Castro Che Guevara and more They showed that Killing socialists is trademark socialism Millions died Yet the world s worst killers escaped justice and many continue to be glorified as great leaders Bernie Sanders self identifies the same as Hitler SOCIALIST Alexandria Ocasio Cortez self identifies the same as Hitler SOCIALIST So do their fans Hitler and his supporters did not call themselves Nazi nor Fascist Socialism was touted by the very word in voluminous speeches writings by the socialists Hitler Stalin Mao Pol Pot the Kim thugs etc Soviet socialism joined German socialism to launch the socialist war WWII invading Poland etc It led to socialism s many genocides Who was worst Stalin Mao or Hitler Stalin shares guilt for genocides of Mao Hitler himself and Pol Pot and the Kim thugs and other socialists German socialism and Soviet socialism joined to launch the socialist war WWII invading Poland and going onward Stalin assisted Mao It led to genocide under many other socialists The importance of this book cannot be overstated It is a microcosm of the amorality of what remains of world socialism It shines a floodlight on the ethical vacuum that is collectivism and its overlords America is following them into that hell Author Ian Tinny provides eye popping revelations from the historian Dr Rex Curry s decades of work that are undisputed by the New York Times The Washington Post Los Angeles Times San Francisco Chronicle Tampa Bay Times Weekly Standard Vogue Chicago Tribune Newsday The New York Times Book Review Tampa Tribune Library Journal Publishers Weekly Saint Petersburg Times History Journal

McDonaldization Society Now Ian Tinny, Dead Writers Club, Micky Barnetti, Dr. Rex Curry, McDonald s started in 1940 in the USA At that time much of the planet was being terrorized by Stalinization and Hitlerization German socialism and Soviet socialism had partnered in a pact to divide up Europe launching World War II invading Poland together and going

onward leading to the socialist Wholecaust of which the Holocaust was a part It was a globalization conspiracy to make everyone in the world as equal as a cog in a collectivist wheel After the Allies defeated German socialism Soviet socialism continued the sordid plot on its own Stalin's anti consumption dogma had already starved millions to death under his collectivization of food His get poor quick scheme continued to impoverish multitudes for decades In contrast in the USA McDonald's began posting the number of hamburgers sold in 1955 The signs over the golden arches said over a million served Soviet socialists colluded with Chinese socialists despite Stalin's earlier experience cooperating with German socialists The Chinese mimicked Stalin's one size fits all food bureaucracy Soon Mao's death toll by starvation rivaled Stalin's Their bogus right to free socialized medicine could not cure stage 4 hunger not even pain pills nor palliative care was provided Soviet socialism and Chinese socialism both independently caused cannibalism think of it as slow food not fast food While McD's asked Do you want fries with that socialists asked Do you want flies with that Due to the lack of reliable electricity and refrigeration Similar unhappy meals followed the same irrational socialization chaos in other countries Socialism is a high mortality dogma In 1991 the Union of Soviet Socialist Republics ceased to exist because its socialization economy collapsed In 1993 The McDonaldization of Society by George Ritzer was published In the book Ritzer writes as if he is ignorant that members of Hitler's group did not call themselves Nazis but called themselves socialists and touted socialism by the very word in voluminous writings and speeches In that regard Ritzer perpetuates widespread ignorance among college students Ritzer seems ignorant of the death tolls under Stalin and Mao who also glorified socialism voluminously by the very word It says more about Ritzer than it does about McDonald's In 1994 McDonald's stopped counting hamburgers served because the quantity surpassed 99 billion Today McDonald's is so loved that it can boast that billions and billions have been served During that same time socialists can boast that millions and millions have been starved To death The USA has avoided many monotonous horrors of collectivization and socialism's trademark mass starvations McDonaldization and other all capitalism saved us from McStalinization McHitlerization McMaoism and defeated other McSocialization in America Even so The McDonaldization of Society is used as a textbook in American college classes that bad mouth capitalism and glorify socialism Young people are being brainwashed in schools and universities In how many other ways is the USA being victimized by anti capitalist propaganda The USA was the origin of Nazi salutes and Fascist behavior through the propaganda of an American Socialist Francis Bellamy author of the USA's Pledge of Allegiance to the Flag America's Nazi salute was often performed by public officials in the USA from 1892 through 1942 near McDonald's start What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don't want to know the truth about the government's past American youth groups Scouting adopted Bellamy's American Nazi salute with Bellamy's encouragement AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted

similar behavior under Hitler That helps to explain another shocking revelation swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book *Perfectly Plum* Leah Wilson,2007-06-01 Speculating about the cultural metaphors in Janet Evanovich s wildly popular mystery series which includes 11 books from One for the Money to Eleven on Top this anthology takes a look at lingerie buyer turned bounty hunter Stephanie Plum and catalogs her bad luck with cars she s blown up quite a few her good luck with men her unorthodox approach to weapon storage and the rich tapestry of her milieu Trenton New Jersey also known as The Burg The contributors praise the way the series smartly spoofs that familiar chick lit epiphany I have a bad job and what I really want is a good man in Bounty Hunting as a Metaphor for Dating Why Stephanie Should Quit Her Job but Never Will and Nothing Better than a Bad Boy Gone Good Several essays veer from the chick lit perspective and focus instead on the comic theme of luck and chance that ties Stephanie to the barroom gamblers and gangster meanies of her home town in Luck of the Italian Skill versus Chance *THOSE DAMNED NAZIS* Dead Writers Club,Ian Tinny,Jon Robins,2020-07-08 Those Damned Nazis was written by Joseph Goebbels in 1929 Goebbels was the Minister of Propaganda under Adolf Hitler from 1933 1945 There are many different media descriptions of Nazism and Fascism in critiques of Goebbels and Hitler But what did Goebbels actually say when he talked To find out come inside his mouth See what he said This book examines the actual words of the men who came close to destroying the planet If we are to discover the minds of Goebbels and Hitler we must penetrate behind the thick curtains of superficial evidence which conceal them and the unreliable media intermediaries who have distorted their speeches and writings For example Those Damned Nazis is not the actual name of Goebbels infamous publication The title was Die verfluchten Hakenkreuzler or Those Damned Hakenkreuzlers Goebbels did not use the word Nazi in the title nor anywhere within the pamphlet The revelations in this paragraph were uncovered in the historian Dr Rex Curry s work Those Damned Nazis is a misleading translation The entire text of Those Damned Nazis is provided It is also analyzed This book is a useful study guide to Hitler s Mein Kampf whereby what had been a vague plan suddenly was reality almost to the disbelief of Goebbels and other supporters Goebbels supported public schools so that his deadly dogma could be spread throughout Germany s educational system This book is a startling expose of the origin of Goebbels goals This book reveals that many of Goebbels shocking ideas were borrowed from the USA Decades before Goebbels and Hitler the state governments in the USA took over education and taught schoolchildren to chant in unison and perform the Nazi salute each day within schools that imposed segregation by law and taught racism as official policy The USA s flag pledge was the origin of Germany s infamous stiff armed salute and other brainwashing behavior that was borrowed decades later in Germany and in other countries worldwide Anyone who rejected the ritual in the public schools was persecuted **Ancient Maya Pottery** James John Aimers,2013-01-20 The ancient Maya produced a broad range of ceramics that has attracted concerted scholarly attention for over a century Pottery sherds the

Joseph Goebbels,Ian Tinny,Dead Writers Club,2020-07-17 Why are we socialists was written by Dr Joseph Goebbels in 1929 Goebbels was the Minister of Propaganda under Adolf Hitler from 1933 1945 Goebbels has been described in various ways in documentaries that critique Nazism and Fascism But what did Goebbels actually say when he talked To find out come inside his mouth See what he said This book examines the actual words of a man who came close to destroying the planet If we are to discover the minds of Goebbels and Hitler we must penetrate behind the thick curtains of superficial evidence which conceal them and the unreliable media intermediaries who have distorted their speeches and writings For example Why are we socialists is merely a small section of a larger article authored by Goebbels that is usually titled Those Damned Nazis However that is not the

title that Goebbels gave his larger publication In the German language the title was Die verfluchten Hakenkreuzler or Those Damned Hakenkreuzlers Goebbels did not use the word Nazi in the title nor anywhere within the pamphlet The revelations in this paragraph were uncovered in the historian Dr Rex Curry s work Those Damned Nazis is a deceitful translation that was intended to cover up what Goebbels actually said This book reproduces the entire text of Why are we socialists As a free bonus specific examination of Mein Kampf is made for many comparisons This book is a useful study guide to Hitler s Mein Kampf whereby what had been a vague plan suddenly was reality almost to the disbelief of Goebbels and other supporters Goebbels supported schools so that his deadly dogma could be spread throughout Germany s educational system This book is a startling expose of the origin of Goebbels goals This book reveals that many of Goebbels shocking ideas were borrowed from the USA Focus On: 100 Most Popular Billboard Adult Contemporary Number-one Singles Wikipedia contributors,

SUN - the Mythological Background of National Socialism Ian Tinny,Thurston Howell III,American Psychopath Association,Rex Curry, BLACK SUN sheds new light on the sources of Nazi ideology by examining its occult roots in the world of myths symbols and fantasies It traces this development from the writings of various mystics in the early 20th century who propagated the mythology of a superior global ideology whose heroes would fight the forces of moral decadence and greed The book uses rare archival photographs and sources to chronicle how the Nazis used these mythological foundations to develop Nazism as a political religion While BLACK SUN documents the nationalist mystical beliefs that infused National Socialism the book also reveals the disturbing perpetuation of these beliefs among certain political groups today in Germany and worldwide reflecting an ongoing search for salvation inspiration and messianic leaders This eye

popping expose juxtaposes the polarization in German national history between an obsession with capturing light in all its symbolic uses in order to battle the darkness of the Others The final lesson that Black Sun implies and what makes it a provocative and interesting book for a number of audiences whether scholars and students of history or iconography is the danger of not knowing one's own history In this sense the title signals not only the recurrent theme of evil throughout history but also the need to shed light upon all its manifestations
