looking for something more a way to remove our pain our depression and our fear This book has been written with every wayward soul and everyone who is hurting somehow in mind I can say that because I have been that wayward soul and that hurting person I have experienced every kind of pain you can think of and I wrote this book from that perspective So every word was written from the heart and from the mind of an everyday joe who has had to deal with every kind of pain deceit and unfair treatment you could think of This book also more importantly shows that if you put your faith and trust totally in God's hands and completely turn your life over to Him and do everything He commands you to do with the patience to wait on an answer from Him then He can and will bring you through whatever you are dealing with with nothing but positive and rewarding results as long as you ask and believe that you receive and that nothing is impossible with God So if you read this book and you decide that this is something you want and you can do and totally and completely with all your heart mind and soul committed to then it is very simple to do All you need to do is ask Jesus to be your Lord and Savior and come into your heart and change you not from the outside in but from the inside out Allow Him to be the Lord of your life and watch how immediately and miraculously He will work on your behalf and change you for the better for you and for your community and family around you Be assured that you will walk with Him in glory for eternity and you will bring everyone you meet from that day forward with you as well because you will lead them down that path of forgiveness and joy if it is the last thing you do Amen 2
