Feelings in My Heart Candy Nasworthy Cline, 2011-11-03 none **Reason to Touch** , **Tracking King Kong** Cynthia Erb, 2009-04-01 Studies the cultural impact and audience reception of King Kong from the 1933 release of the original film until today In *Tracking King Kong* Cynthia Erb charts the cultural significance of the character of King Kong from the early 1930s when Merian C Cooper and Ernest B Schoedsack's classic film *King Kong* was first released to Peter Jackson's 2005 remake Although *King Kong* has received much academic attention over the past twenty five years the bulk of these analyses deal with the film's human characters rather than Kong himself In this revised edition of an influential study Erb argues that *King Kong* is a particular kind of cultural outsider who represents a cross penetration of American notions of exoticism and monstrosity *Tracking King Kong* considers problems such as race and gender in the *King Kong* tradition as well as historical international and contemporary audience and fan responses to this classic film and its popular protagonist Erb begins her examination of *King Kong* in the 1930s when the original film was produced and released extending through the 1970s when the film and its hero reached the height of their cultural visibility in a remake by Dino De Laurentiis and concluding with a look at Peter Jackson's version in 2005 The book includes a detailed production history of the original 1933 film based on primary historical and archival sources a genre study examining Kong's relations to horror jungle adventure and travel documentary genres an analysis of Kong's influence on the Japanese film *Godzilla* and a look at sequels remakes and spinoffs related to *King Kong* such as *Mighty Joe Young* Erb also analyzes Jackson's remake of *King Kong* to determine how and why Jackson revised the main character casting him as a melancholy hero The revised edition of *Tracking King Kong* updates a groundbreaking study of *King Kong* as the iconic character enters the twenty first century Scholars of film and television studies as well as general readers interested in film and popular culture will appreciate this significant volume

The Cinema of Barbara Stanwyck Catherine Russell,2023-05-02 From The Lady Eve to The Big Valley Barbara Stanwyck played parts that showcased her multidimensional talents but also illustrated the limits imposed on women in film and television Catherine Russell s A to Z consideration of the iconic actress analyzes twenty six facets of Stanwyck and the America of her times Russell examines Stanwyck s work onscreen against the backdrop of costuming and other aspects of filmmaking But she also views the actress s off screen performance within the Hollywood networks that made her an industry favorite and longtime cornerstone of the entertainment community Russell s

montage approach coalesces into an engrossing portrait of a singular artist whose intelligence and savvy placed her center stage in the production of her films and in the debates around women femininity and motherhood that roiled mid century America Original and rich The Cinema of Barbara Stanwyck is an essential and entertaining reexamination of an enduring Hollywood star 3 Loader Martin Murtagh,2015-11-27 3 Loader is an assortment of happy sad and intermediary sound bytes The Up Load is bright and hopeful the Down Load is more gloomy and the Over Load falls between the the other 2 The title is a pun of the word Freeloader The author was born in Kent to Irish and Maltese parents and has been writing since 1973 His hobbies include Backgammon Classical Music Art and Walking in the country *Billboard* ,1992-10-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Men's Cinema** Stella Bruzzi,2013-09-23 Men s Cinema offers a fresh theorisation of men in Hollywood cinema via a theoretical discussion of definitions of masculinity and the close textual analysis of classic and contemporary films Through an examination of mise en scene Men s Cinema moves beyond discussions of representation and narrative to an exploration of the physical or instinctive effects of cinema and how we are invited to engage with desire or identify with Hollywood s vision of men and masculinity By delineating how Hollywood has built up and refined the language of men s cinema through a series of recurrent refined tropes this book critically explores masculinity and the concept of a male aesthetic within film Films discussed include The Deer Hunter Dirty Harry Goodfellas Inception Mission Impossible Ghost Protocol Once Upon a Time in the West Point Break Raging Bull Rebel Without A Cause Reservoir Dogs Sherlock Holmes There s Always Tomorrow The Wild Bunch **If You Let Him** Alysia Jackson,2024-11-12 If you are anything like me the thought of Christianity and everything that is claimed to come with it sounded very far fetched and not at all accomplishable Some folks that claim to be Christian can even drive you away from wanting to try in the first place You may think it requires you to be perfect live a sinless life and never even have any bad or negative thoughts If and only if you can accomplish all of this you may be blessed to live in the grace of God hearing His voice from the sky so obviously You may even think that a difficult life or horrible experiences or life choices make you exempt from God s love altogether or certain that He has forgotten you Nothing could be further from the truth Take it from someone who seemed to be a magnet for horrible experiences and heartache To the point that I began to think that life was just a cruel joke After being pushed to a point where I had lost all hope and felt like nothing really mattered I stumbled into love the love of a wonderful man who taught me about the love of God Once I began a quest for God s love and peace on my own through time alone with Him on a regular basis I began to encounter experiences that were inevitably led by Him The more I felt His presence and peace the deeper I wanted to know Him and continue to receive His guidance in my life Watch as I record my real notes on beginning this journey where I knew very little of God to experiencing fulfillment and peace from

His love that I never knew was an option I sincerely pray for anyone that reads this that it can help to ignite the same for you and help you to understand that only God's love can completely fulfill the void in your life. Reese, 1998-02-19 A comprehensive examination of the world s most complex religious organization There are one billion Catholics in the world today spread over every continent speaking almost every conceivable language and all answering to a single authority The Vatican is a unique international organization both in terms of its extraordinary power and influence and in terms of its endurance Popes come and go but the elaborate and complex bureaucracy called the Vatican lives on For centuries it has served and sometimes undermined popes it has been praised and blamed for the actions of the pope and for the state of the church Yet an objective examination of the workings of the Vatican has been unavailable until now Drawing on more than a hundred interviews with Vatican officials this book affords a firsthand look at the people the politics and the organization behind the institution Thomas Reese brings remarkable clarity to the almost Byzantine bureaucracy of congregations agencies secretariats tribunals nunciature and offices showing how they serve the pope and through him the universal church He gives a lively account of how popes are elected and bishops appointed how dissident theologians are disciplined and civil authorities dealt with Throughout revealing and colorful anecdotes from church history and the present day bring the unique culture of the Vatican to life The Vatican is a fascinating institution a model of continuity and adaptation which remains constant while functioning powerfully in a changing world As never before this book provides a clear objective perspective on how the enormously complex institution surrounding the papacy operates on a day to day level how it has adapted and endured for close to two thousand years and how it is likely to face the challenges of the next millennium Praise for *Inside the Vatican* Reese does an admirable job of lifting the veil of secrecy surrounding the Holy See to examine the nuts and bolts of the operation He paints a revealingly human portrait of Vatican life Ultimately this is the

merit of *Inside the Vatican* Reese gets it right And in such a place that s no easy task Greg Burke Time Reese paints a clear largely dispassionate and often compelling picture of Vatican operations and in so doing highlights the tensions that tear the church Diego Ribadeneira The Boston Globe T his is a useful and even valuable study of the institutional centre of the Roman Catholic Church and of the relations between the centre and the worldwide network of local churches which go to make up the Church catholic Dr Reese brings impressive qualifications and experience as a political scientist to this study It is the special virtue of Dr Reese s study that he succeeds where many have failed in providing an analytic critical and comprehensive account of how the Vatican works Se n Mac R amoinn The Irish Times *As If on Cue* Marisa Kanter,2021-09-21 A pair of fierce foes are forced to work together to save the arts at their school in this enemies to lovers rom com of my dreams Rachel Lynn Solomon author of *Today Tonight Tomorrow* that fans of Jenny Han and Morgan Matson are sure to adore Lifelong rivals Natalie and Reid have never been on the same team So when their school s art budget faces cutbacks of course Natalie finds herself up against her nemesis once more She s fighting to direct the school s first ever student written play but for her small production to get funding the school s award winning band will have to lose it Reid s band And he s got no intention of letting the show go on But when their rivalry turns into an all out prank war that goes too far Natalie and Reid have to face the music resulting in the worst compromise writing and directing a musical Together At least if they deliver a sold out show the school board will reconsider next year s band and theater budget Everyone could win Except Natalie and Reid Because after spending their entire lives in competition they have absolutely no idea how to be co anything And they certainly don t know how to deal with the feelings that are inexplicably weirdly definitely developing between them *My Time in Hell* Andrew D. Carson,2013-02-22 When Andrew Carson joined the United States Army in 1941 he was promised good food travel a supply of clothing a place to sleep and thirty dollars a month Within seven weeks Private Carson was shipped to the Philippines with no boot camp no training not one minute of close order drill Captured by the Japanese less than one year later the young soldier endured the hardships of the Cabanatuan prison camps nearly died from dysentery and then was put aboard a Japanese hellship bound for Japan There he worked in the Fukuo coal mines a virtual slave laborer until Japan surrendered This is the harrowing tale of one man s survival and how he came through the ordeal with dignity and respect for his fellow soldiers
