Poetry Travis Williams, 2013 The book *Bipolar Poetry Erasing My Demons* is a collection of a struggling young man's thoughts captured in intense rhymes The words that the author found at both the highest and lowest points of his mental illness truly bring to light the inconsistent ever changing realities that define the bipolar mind The writer entangles the feelings of loss love faith anger and doubt together in such a way that leaves you questioning good and evil and the true clarity of either Throughout the book the poems and prayers outline the writer's journey into the dark searching for light Bipolar or Manic Depressive young adults are diagnosed more and more in the 21st century and some extreme accounts of this irrational behavior have even resulted in violent disasters plaguing local and national television Although the author of this book has never really violently hurt anyone his rhymes emphasize some of the irrational thoughts that in some less fortunate cases do often result in these sometimes deadly tragedies The author expressed the reasoning behind this book was to help people better comprehend the inconsistent thought patterns and inner battles that so many with a mental illness face day in and day out He also stated that even at his lowest he could never comprehend how some could use mental illness to excuse rape or murder and he praised God he couldn't **Shakespeare and the Poet's Life** Gary Schmidgall, 2021-11-21

Shakespeare and the Poet's Life explores a central biographical question why did Shakespeare choose to cease writing sonnets and court focused long poems like *The Rape of Lucrece* and *Venus and Adonis* and continue writing plays Author Gary Schmidgall persuasively demonstrates the value of contemplating the professional reasons Shakespeare or any poet of the time ceased being an Elizabethan court poet and focused his efforts on drama and the Globe Students of Shakespeare and of Renaissance poetry will find Schmidgall's approach and conclusions both challenging and illuminating *The Poet's Daughter*, 1837 *The poet's daughter* Poet, 1837 *Modern Poet Prophets* William Norman Guthrie, 1899 **The**

Magazine of Poetry, 1889 *The Farthing Poet* Ann Blainey, 2016-03-31 First published in 1968 Richard Hengist Horne virtually unknown today was one of the more extraordinary figures of the nineteenth century literary scene The author of an epic poem *Orion* was acclaimed a work of genius by almost every English critic His voluminous literary output is for the most part forgotten but his life and character his widely romantic aspirations to be a Man of Genius provide a fascinating tragicomic study As a background study to the literature and society of the time Ann Blainey's book is packed with interest and anecdote and as a study of a remarkable man it is consistently entertaining *Songbook* Umberto Saba, 2008-01-01 A beautifully translated selection of poems by one of the greatest Italian poets of the twentieth century Umberto Saba's reputation in Italy and Europe has steadily grown since his death in 1957 and today he is positioned alongside Eugenio

Montale and Giuseppe Ungaretti as one of the three most important Italian poets of the first half of the twentieth century. Until now, however, English language readers have had access to only a few examples of this poet's work. This bilingual volume at last brings an extensive and exquisitely translated collection of Saba's poems to English speaking readers. Both faithful and lyrical, George Hochfield's and Leonard Nathan's translations do justice to Saba's rigorous personal honesty and his profound awareness of the suffering that was for him coincident with life. An introductory essay, a translation of Saba's early manifesto "What Remains for Poets to Do" and a chronology of his life situate his poetics within the larger context of twentieth century letters. With its publication, this volume provides the English speaking world with a momentous occasion to rethink not just Italian poetry but also the larger European modernist project.

The Underground Poetry Metro Transportation System for Souls Tony Hoagland, 2019-10-23. The Underground Poetry Metro Transportation System for Souls collects 16 essays by late Tony Hoagland. Gathered by Hoagland himself into a volume for the Poets on Poetry series, these pieces grapple with an expansive range of poetic and cultural concerns and the surprising and necessary knowledge to be found where they cross paths. His trademark humor and irony at once approachable, thoughtful and sophisticated lead the way toward clear-eyed, sometimes difficult considerations of contemporary American culture. Through his curiosity, he elevates the seemingly quotidian into a profound subject worthy of close consideration. Hoagland's generosity of spirit imbues his work with empathy for experiences beyond his own, and his honesty allows him to turn a critical eye on himself and to acknowledge the limits of his understanding. This collection will be rewarding not just for readers of contemporary poetry but for anyone who wants to step back, take a look at our American reality and know we'll be okay.
