Memoirs Royal Astronomical Society, 1846      **Dark Moon's Howl** Lacy Kennedy, 2023-11-12 I've never belonged to the wolfpack Not until I lock eyes with a human Thane ruggedly handsome with an irresistible grin being near this guy feels like coming home I'm a werewolf who doesn't submit easily My fiery independence intoxicates him impossible to resist Just being around Thane nearly shatters my self control unleashing desires I've always been forced to bury He's fascinated by what I can do even as it terrifies him Can I trust a human with the secrets that could turn the shifter community against me forever I'm finally starting to feel at home in my own skin But if we can't bridge this final divide everything I've risked will be lost
