## **Alpine Christ And Other Poems:**

**The Collected Poetry of Robinson Jeffers Vol 5** Robinson Jeffers, Tim Hunt, 1988 This final volume of the first comprehensive edition of all of Robinson Jeffers's completed poems both published and unpublished consists of commentary various procedural explanations and textual evidence for the edition's texts transcriptions of working notes for the poems and of alternate and discarded passages a chronology of Jeffers's career appendixes and indexes **The Alpine Christ** Robinson Jeffers, 1974 *A Literary History of the American West* Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance

**The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers** Robinson Jeffers, Una Jeffers, 2009 v 1 1890 1930 2009 *Robinson Jeffers* James Karman, 2015-08-05 A deeply informative biography situates the poet in his time and place tracing the effect of both contemporary history and wild nature on his work Edwin Cranston Harvard University The precipitous cliffs rolling headlands and rocky inlets of the California coast come alive in the poetry of John Robinson Jeffers an icon of the environmental movement In this concise and accessible biography Jeffers scholar James Karman reveals deep insights into this passionate and complex figure and establishes Jeffers as a leading American poet of prophetic vision In a move that would define his life's work Jeffers family relocated to California from Pennsylvania in 1903 when he was sixteen At the height of his popularity in the 1920s and 1930s Jeffers became one of the few poets ever featured on the cover of Time magazine and posthumously put on a U S postage stamp Writing by kerosene lamp in a granite tower that he had built himself his vivid and descriptive poetry of the coast evoked the difficulty and beauty of the wild and inspired photographers such as Edward Weston and Ansel Adams He was known for long narrative blank verse that shook up the national literary scene but in the 1940s his interest in the Greek classics led to several adaptations which were staged on Broadway to great success Inspiring later artists from Charles Bukowski to Czeslaw Milosz and even the Beach Boys Robinson Jeffers contribution to American letters is skillfully brought back out of the shadows of history in this compelling biography of a complex man of poetic genius who wrote so powerfully of the astonishing beauty of nature **Robinson Jeffers and the American Sublime** Robert Zaller, 2012-01-25 Robinson Jeffers and the American Sublime is the most comprehensive and most substantial critical work ever devoted to the major American poet Robinson Jeffers 1887 1962 Jeffers the best known poet of California and the American West particularly valorized the Big Sur region making it his own as Frost did New England and Faulkner Mississippi and connecting it to the wider tradition of the American sublime in Emerson Thoreau and John Muir The book also links Jeffers to a Puritan sublime in early American verse and explores his response to the Darwinian

and Freudian revolutions and his engagement with modern astronomy This discussion leads to a broad consideration of Jeffers focus on the figure of Christ as emblematic of the human aspiration toward God a God whom Jeffers defines not in Christian terms but in those of an older materialist pantheism and of modern science The later sections of the book develop a conspectus of the democratic sublime that addresses American exceptionalism through the prism of Jeffers Jeffersonian ethos A final chapter places Jeffers poetic thought in the larger cosmological perspective he sought in his late works *Centennial Essays for Robinson Jeffers* Robert Zaller,1991 This work is the first volume of critical essays devoted to the poetry of Robinson Jeffers Although Jeffers was likened to some of the greatest figures in the literary world his work was controversial His preoccupation with violence and sexuality was denounced by some his alleged blasphemy by others Condemned by moralists Marxists and Cold Warriors alike Jeffers fell into obscurity until his death in 1962 Included are nine original essays by leading Jeffers scholars **The Wild God of the World** Robinson Jeffers,2003-01-15 The forgotten giant of American poetry For those who would discover Jeffers this is the place to start and a place to return again and again Tim Hunt Washington State University Robinson Jeffers 1887 1962 is not only the greatest poet that the American West has produced but also a major poet of the twentieth century in the tradition of American prophetic poetry This anthology serves as an introduction to Jeffers s work for the general reader and for students in courses on American poetry Jeffers composed each volume of his verse around one or two long narrative or dramatic poems The Wild God of the World follows this practice in it Cawdor one of Jeffers s most powerful narratives is surrounded by a representative selection of shorter poems At the end of the book the editor has provided revealing statements about Jeffers s poetry and poetics and about his philosophy of nature and human nature Of all the poets of his generation Robinson Jeffers made our relation to this earth and sea and sky and wheeling seasons and the evolutionary processes that made trees and salmon runs and hunting hawks his subject As that relation grows more troubled his words become more necessary To have this beautifully edited and freshly seen anthology is a gift Robert Hass University of California Berkeley *Reader's Guide to Literature in English* Mark Hawkins-Dady,2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study *The Collected Poetry of Robinson Jeffers* Robinson Jeffers,Tim Hunt,1988 This volume is in three parts Part I 1903 1920 includes Jeffers s earliest poetry and poems that were never published or were recently rediscovered Part II 1920 1948 gathers all Jeffers s major prose works Part III 1910 1962 is mostly material that Jeffers never published and apparently never tried to publish The book design is by Adrian Wilson in a 7 1 2 by 10 inch format The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers James Karman,2011-10-12 The 1930s marked a turning point for the world Scientific and technological revolutions economic and social upheavals and the outbreak of war changed the

course of history The 1930s also marked a turning point for Robinson Jeffers both in his career as a poet and in his private life The letters collected in this second volume of annotated correspondence document Jeffers rising fame as a poet his controversial response to the turmoil of his time his struggles as a writer the growth and maturation of his twin sons and the network of friends and acquaintances that surrounded him The letters also provide an intimate portrait of Jeffers relationship to his wife Una including a full account of the 1938 crisis at Mabel Dodge Luhan s home in Taos New Mexico that nearly destroyed their marriage *The Wild That Attracts Us* ShaunAnne Tangney,2015-06-15 The first collection in twenty years of essays on Robinson Jeffers one of the great American poets of the twentieth century this work signals the sea change in Jeffers scholarship as well as the increasing breadth and depth of criticism of the literature of the American West The essays assembled here highlight issues and theories critical to Jeffers studies among them the advance of ecocriticism the reimagining of regionalism as place studies the continuing development of cultural studies and the new historicism the increasingly poignant vector of science and literature the new formalism particularly as it pertains to narrative verse and the glaring omission of feminist analysis in Jeffers scholarship Jeffers has always appealed to a wider audience than many twentieth century poets and this book will speak to that general readership as well as to scholars and students *American Book Prices Current* ,2004 *The Point Alma Venus Manuscripts* Robinson Jeffers,2022-01-18 The years 1921 to 1927 were the most productive of Robinson Jeffers s career During this period he wrote not only many of his most well known lyric poems but also *Tamar* *The Tower Beyond Tragedy* *Roan Stallion* and *The Women at Point Sur* the long poems that first established his reputation as a major American poet Including an introduction chronology and critical afterword the Point Alma Venus manuscripts presented here gather Jeffers s four unfinished but substantial preliminary attempts at what became *The Women at Point Sur* which Jeffers believed was the most inclusive and poetically the most intense of his narrative poems The Point Alma Venus fragments and versions shed important light on the composition and themes of *The Women at Point Sur* Further they likely predate other key work from this crucial period making them a necessary context for those who wish to clarify Jeffers s poetic development and to reinterpret his practice of narrative poetry Ultimately they call on general and scholarly readers alike to reconsider Jeffers s place in the canon of modern American poetry [Encyclopedia of American Poetry: The Twentieth Century](#) Eric L.
