Why be a Christian? Howard P. Giddens, 2007. His active service spanned the last six decades of the twentieth century, but even in retirement, his influence continues unabated. A graduate of Mercer University and the Southern Baptist Theological Seminary, he served as pastor of three Georgia Baptist churches and then as professor of Christianity at Mercer. He is the epitome of the scholar-pastor. These sermons, which cover such subjects as Jesus Christ, the Christian life, holy days, the family, evangelism, and missions, reverberate with a deep love for the Lord, for the church, for the Bible, and for people. The book will be a treasure to those who had the privilege of being parishioners or students of Dr. Giddens. It will also serve as a valuable resource to students and practitioners of preaching. First, it offers one of the finest examples available of a classical preaching style that was practiced in the mid-twentieth century. Second, it shows how careful

scholarship deep piety warm hearted compassion and prophetic challenge can be combined in a sermon Third it contains material that will offer stimulus and inspiration for the crafting of sermons today These sermons inspire teach and convict These are the words of a man who has made a difference in thousands of lives *Confessions of a Former Prosecutor* Preston Shipp , Eric Wilson,2024-04-23 Once an Assistant Attorney General in Tennessee Preston Shipp found his convictions challenged after teaching criminal justice courses to inmates from the Tennessee Prison for Women He resigned from prosecuting and continued teaching Soon after leaving an exceptional individual Cyntoia Brown joined his class Shipp believed she deserved a chance at redemption only to receive an opinion on a years old murder and robbery case in which he himself had argued for a life sentence for 16 year old Cyntoia Brown Out of guilt and empathy Shipp embarked on a decade long journey to free Ms Brown and while traveling his own path to redemption Today he dedicates his efforts to the Campaign for the Fair Sentencing of Youth which has led to more than 1 000 people receiving a new chance at life after being sentenced to life imprisonment even though they were under the age of 18 Shipp shares his views on how the American justice system is in desperate need of reform especially for juveniles **Theology for Non-Theologians** James Cantelon,2024-08-20 How can I know God exists Are there different gods What does God mean to me in everyday life Throughout his fifty year ministry James Cantelon has fielded questions like these about the nature of God and the relationship between God and believers and nonbelievers alike They are deep and good questions and to help people understand God he felt compelled to write a book that discusses theology in a step by step and accessible way Here is theology as you have seldom seen it warm informal even humorous but always respectful and above all true to Holy Scripture In *Theology for Non Theologians* Cantelon concentrates on God and his word the nature existence and works of God and God s revelation of himself in the Bible James Cantelon has accomplished the near impossible making theology engaging understandable and important in everyday matters **Through Windows of Time** Charlotte G. Tucker,2014-06-10 Growing up with my grandparents Harley and Laura Krigbaum Pa and Ma was more than just an experience It was life altering This book is an effort to keep those memories alive and make them beneficial to others especially my own children and grandchildren Their trials were many and their days were often hard yet they seldom complained about anything If we thought things were not fair or should be different they reminded us to count our blessings and things would look different This book is based on the lives and stories they told us over the years and much time spent with them Pa could trace his family back as far as the Mayflower His Great Grandfather William s great great grandfather Conrad Krigbaum had been an immigrant from Holland in the early 1600s Ma s family had always lived in the south and had not only lived through the civil war but horrible Indian wars as well Her parents had died when she was fifteen Somehow through all the pain she would only show love to everyone The stories have been passed from generation to generation Ma and Pa were both born in 1893 about twenty eight years after the Civil War His family was from the north and hers from the south Both families had suffered

unbearably but tried to put it all behind them and move on The past was in the past Much of this book is based on actual events or stories The dates and family members are as accurate as I could find although some names may have been changed or left out More of it is based on only sketches of what I can remember With memory limitations I have added details for a better story
