Corinthians 1 7:

1 Corinthians 1-4 Oh-Young Kwon,2010-08-01 This book investigates 1 Corinthians 1 4 from a rhetorical and social perspective and explores that a divisive culture of rhetorical and paternal elitism lies behind the schisms and problems identified in the letter This culture appears to have been shaped to some extent by the legacy of Cicero Paul s references to boasting and imitation indicate both his subversive use and his critique of this Greco Roman wisdom In the final chapter this analysis of wisdom traditions and their social consequences among first century Corinthians leads to a critical reflection on similar dynamics among Korean Christians in twenty first century Korean Confucian culture In particular Korean Protestants are encouraged to take a more positive stance towards Confucian wisdom traditions as exemplified by T oegye s legacy and some insights are suggested into the ethics of imperial worship ancestral veneration and ethnic exclusivity *Paul in the Greco-Roman World* J. Paul Sampley,2003-11-01 Distinguished Pauline scholars offer an insightful examination of Paul and his world using carefully chosen examples to demonstrate how particular features of Greco Roman culture shed light on Paul s letters and on his readers possible perceptions of them Behold The Kingdom Crosbie Barnes,2015-03-12 A study that attempts to remove the fog surrounding our perception of God s Kingdom It may be a source for some new ideas and revelation challenging those commonly held about the Kingdom and attempting to set the foundation for how we should view God s Kingdom It looks at how the coming of the King impacts the world and its people in every generation revealing an invitation to take our rightful place in His Kingdom It examines the mechanics and the dynamics of our inclusion into the Kingdom and how it is expressed within His creation We examine its nature as it emerges in the lives of individuals who embrace the King And finally it looks at the structure role and intrinsic values of the Church in the context of God s Kingdom

The Rapture: from the Ground Up Richard L. Guthrie,2014-04-11 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2 3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture *The Rapture From the Ground Up* explores these and many more questions related to the end time events surrounding the

Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of Gods Word *P.E.R.S.O.N.A.L.
