

The background of the cover is a vibrant orange with a dense field of white stars of varying sizes. Overlaid on this is a technical exploded view diagram of a 20-cm Schmidt-Cassegrain telescope. The diagram shows the primary mirror at the top left, the secondary mirror and its support structure (spider) to its right, and the various components of the telescope's tube and focuser assembly below and to the right. The components are rendered in a dark, metallic grey with some cross-hatching for shading. The overall composition is dynamic, with the telescope parts appearing to float in space.
