Reluctant Readers Ron Jobe, Mary Dayton Sakari, 1999 This detailed book outlines the characteristics of reluctant readers strategies for reading success how to overcome barriers and more Cf Our choice 1999 2000 Story Hour Jeri Kladder, 2003-07-10 Story time at the public library is the first exposure to books outside the home for many preschool children For the librarian it is an exciting opportunity to instill in youngsters a love of reading and books But coming up with new ideas that hold the children s attention can be trying Until now Here are 55 tried and true story hour programs with a thematic approach All are highly flexible and adaptable across the full preschool age range Most of the ideas are arranged under one of eight specific themes that include four to eight one hour programs barnyard animals the Caldecott Medal colors families a storytelling feast the five senses reptiles and amphibians and around the world There are also 18 individual holiday and seasonal programs All story hours provide ideas for name tags suggested audiovisual materials recommended story poetry and song selections additional titles and a full description of the activity *Personal Information: Key Federal Privacy Laws Do Not Require the Information Resellers to Safeguard All Sensitive Data* , Brown Gold Michelle Martin, 2004-03-01 Brown Gold is a compelling history and analysis of African American children s picturebooks from the mid nineteenth century to the present At the turn of the nineteenth century good children s books about black life were hard to find if indeed young black readers and their parents could even gain entry into the bookstores and libraries But today in the Golden Age of African American children s picturebooks one can find a wealth of titles ranging from Happy to be Nappy to Black is Brown is Tan In this book Michelle Martin explores how the genre has evolved from problematic early works such as Epaminondas that were rooted in minstrelsy and stereotype through the civil rights movement and onward to contemporary celebrations of blackness She demonstrates the cultural importance of contemporary favorites through keen historical analysis scrutinizing the longevity and proliferation of the Coontown series and Ten Little Niggers books for example that makes clear how few picturebooks existed in which black children could see themselves and their people positively represented even up until the 1960s Martin also explores how children s authors and illustrators have addressed major issues in black life and history including racism the civil rights movement black feminism major historical figures religion and slavery Brown Gold adds new depth to the reader s understanding of African American literature and culture and illuminates how the round dynamic characters in these children s novels novellas and picturebooks can put a face on the past a face with which many contemporary readers can identify *New York Magazine* , 1985-12-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Celebrating Every Learner** Thomas R. Hoerr, Sally

Boggeman,Christine Wallach,The New City School,2010-08-20 Howard Gardner s groundbreaking theory applied for classroom use This important book offers a practical guide to understanding how Howard Gardner s theory of Multiple Intelligences MI can be used in the classroom Gardner identified eight different types of intelligence linguistic logical spatial musical bodily kinesthetic naturalist interpersonal and intrapersonal Celebrating Every Learner describes the characteristics of each type of intelligence and follows up with ready to use lesson plans and activities that teachers can use to incorporate MI in their pre K through 6 classrooms Offers a treasury of easily implemented activities for engaging all students multiple intelligences from the New City School a leading elementary school at the forefront of MI education Provides ready to use lesson plans that teachers can use to incorporate MI in any elementary classroom Includes valuable essays on how and why to integrate MI in the classroom Hoerr is the author of a bi monthly column for Educational Leadership as well as the editor of the Intelligence Connections e newsletter Math through Children's Literature Kathryn Braddon,Nancy Hall,Dale Taylor,1993-02-15 Use children s literature as a springboard to successful mathematical literacy This book contains summaries of books each related to the NCTM Standards that will help children gain familiarity with and an understanding of mathematical concepts Each chapter has classroom tested activities and a bibliography of additional books to further expand student learning **Assault of the Killer B's** Jason Paul Collum,2015-01-27 The women who starred in low budget cult movies created many memorable experiences for those fans of late night flicks such as Saturday Night Frights Movie Macabre and Up All Night Brinke Stevens who played Linda in The Slumber Party Massacre recalls Suddenly I was riding in limos flying to foreign countries for film festivals appearing on dozens of popular talk and entertainment TV shows and truly feeling like a glamorous movie star This collection of revealing interviews provides insights into the lives of 20 cult film actresses They discuss the pros and cons of making these movies and the directions their careers have taken since Among the films they starred in are Night of the Living Dead The Slumber Party Massacre Friday the 13th A Nightmare on Elm Street Halloween Sleepaway Camp and Elvira s Haunted Hills **Creating Reading Rainbow** Barbara Irwin,Tony Buttino,Pam Johnson,2024-06-18 Reading Rainbow is one of the most successful PBS children s series in television history earning numerous national and international awards including 26 Emmys and a Peabody Award But perhaps more important than anything else Reading Rainbow helped generations of children cultivate a love for books Reading Rainbow is very much a story of humble beginnings and enormous perseverance Over five summers Tony Buttino Sr and his colleagues at WNET TV the public television station in Buffalo New York worked in collaboration with educators and librarians to experiment with summer reading programs But after trialing these programs the WNET team realized there was a big need for a new children s literacy series and believed they could create a new show with local and national collaborators and friends After fits and starts and enough twists and turns to fill a children s book Reading Rainbow premiered in the summer of 1983 and captured the attention of 6.5 million young viewers Creating Reading Rainbow explores the many intriguing and homespun

stories that when woven together reveal how this groundbreaking and iconic television series came to be What led to the series being called Reading Rainbow How did the road to Reading Rainbow wind its way through Mister Rogers Neighborhood How did a public television station in Buffalo spearhead a movement in education and spark the passion for reading in millions of children And what does lasagna have to do with it [The Power of Picture Books in Teaching Math and Science](#) Lynn Columbia,2017-05-12 This book s 50 plus lessons each based on a different picture book or story will help classroom teachers build a foundation for teaching math science and social studies concepts to their students Each lesson uses children s literature to make challenging abstract concepts relevant to children s lives inviting them to learn these concepts while responding to a story s illustrations theme characters and plot The lessons also demonstrate how teachers can use children s literature to meet national standards in math science and social studies Chapters 1 through 5 set the stage for using picture books discussing the effective imaginative integration of literature into the classroom Teachers will learn to create an environment that ensures that when children and books come together the experience is enjoyable and thought provoking Chapters 6 through 9 provide individual lessons by grade level with detailed activities based on specific books

Intellectual Development Dave Riley,2008-06-09 To the untrained eye many of the common activities in early childhood settings may not seem educational In reality research shows that these activities are actually learning tools that promote children s intellectual development Why do we sort blocks and sing nursery rhymes with children and what do they learn from these activities Intellectual Development answers these questions and investigates the link between the best practices in early childhood education and the science of child development This book will help teachers answer the question Why do we do what we do Chapters cover language and literacy development early number learning and musical and artistic development The book also contains information on early learning standards practice tips and recommended readings

More Than Letters, Standards Edition Sally Moomaw,2020-08-25 For decades early childhood educators in high quality programs have understood that the transition into reading and writing occurs naturally when young children are surrounded by opportunities to interact with print in ways that are meaningful to them The original edition of More Than Letters first published in 2001 showed teachers how to intentionally help children develop literacy skills through hands on play based activities Like the original edition the Standards Edition is based on theory and research It contains new chapters that specifically focus on developing the skills needed to decode literature and informational text Expanded chapters include activities that target specific concepts included in national literacy standards **Children's Literature in the Classroom** Janet Hickman,Susan Ingrid Hepler,Bernice E. Cullinan,1994
