## **1500 Illustrations Of Preaching:**

**1500 Illustrations for Biblical Preaching** Michael P. Green, 2000 Now in paperback this book offers 1 500 of the best quotations available today The illustrations deal with contemporary subjects such as abortion drugs and divorce as well as the timeless subjects of faith commitment and Christian living Nelson's Annual Preacher's Sourcebook, Vol. 1 Kent Spann, David Wheeler, 2011-10-04 Nelson's Annual Preacher's Sourcebook Volume 1 is the same sermon planner you have come to depend on for over ten years with a new topical focus 1500 Illustrations for Biblical Preaching and Teaching Robert Backhouse, 1991 This is a reference book for youth leaders Sunday school teachers and preachers There are a total of 1500 quotations and stories in this book all of which are indexed under such themes as evangelism family services Christmas and Easter while others are matched by key Bible passages **The Art of Preaching** Daniel Cardo, 2021-08-27 The Art of Preaching A Theological and Practical Primer explores the theological understanding of the homily lessons from classical and contemporary rhetoric the relevance of preaching for the life of the Church highlighting recent teachings of the Magisterium and it presents the incarnation as the foundation for preaching understood as an essential aspect of the priestly life and mission This primer offers a simple and effective method for the preparation and delivery of homilies The book also provides a selection of homilies from the great preachers of the Church organized chronologically with brief introductions and commentaries that highlight what those homilies teach us for preaching today **LIVING THE 11TH COMMANDMENT** Larry A. Greene, 2025-07-08 For centuries the Ten Commandments identified Israel as the people of God They were strict and written in stone setting the people of Israel apart from everyone else The night before he died Jesus gave a new commandment one that he said distinguishes all believers as his followers What is it that makes you stand out as a Christian Adherence to biblical doctrine Concern for the social issues of the day Faithfully attending worship services at your church Looking right speaking right living right While all of these are good Jesus said that there is one action that demonstrates you are one of his followers loving one another So profound was this new commandment John 13 34 that it is repeated fifteen times in ten different passages in the NT In exploring these passages you can learn both what it means and how to Live it Out as a follower of Jesus Free at Last Derrick McCaron, 2015-03-04 Grace is supposed to be amazing but all too often the Christian life can be more about keeping stuffy rules than enjoying a relationship with Christ The tendency to add works to salvation has been a thorny problem since the gospel was first preached Legalism the doctrine of salvation by works robs the Christian of the grace filled life The book of Galatians is like an emancipation proclamation that says If the Son has set you free then you are free at last The liberating message of Galatians says believers are free from sin regulations and guilt Free from the need to measure up Free to be loved by Christ and changed by his grace Galatians is a guide for recovering Pharisees and in Free at Last Derrick McCaron takes us on a verse by verse journey through Paul's bondage busting manifesto You may be surprised to learn that Paul's message of grace is still as relevant today as it was centuries ago While

the culture has changed much in those intervening years mankind's inherent desire for performance based religion has not. This book is a timely reminder to Christians everywhere that if we aren't living by grace then we have succumbed to spiritual slavery.

Images and Identity in Fifteenth-century Florence Patricia Lee Rubin, 2007-01-01. An exploration of ways of looking in Renaissance Florence where works of art were part of a complex process of social exchange. Renaissance Florence of endless fascination for the beauty of its art and architecture is no less intriguing for its dynamic political, economic and social life. In this book Patricia Lee Rubin crosses the boundaries of all these areas to arrive at an original and comprehensive view of the place of images in Florentine society. The author asks an array of questions: Why were works of art made? Who were the artists who made them and who commissioned them? How did they look and how were they looked at? She demonstrates that the answers to such questions illuminate the contexts in which works of art were created and how they were valued and viewed. Rubin seeks out the meeting places of meaning in churches, in palaces, in piazzas, places of exchange where identities were taken on and transformed often with the mediation of images. She concentrates on questions of vision and visuality on seeing and being seen. With a blend of exceptional illustrations, close analyses of sacred and secular paintings by artists including Fra Angelico, Fra Filippo Lippi, Filippino Lippi and Botticelli, and wide-ranging bibliographic essays, the book shines new light on fifteenth-century Florence, a special place that made beauty one of its defining features.

**Journal of a Mad Man** Derrick McCarson, 2014-02-19. What is the meaning of life? The question has been asked by the brightest philosophical minds for centuries. Still to this day, answers vary greatly depending on the worldview. Solomon, the wisest king in Israel's history, set all his energies to search for the ultimate meaning of life under the sun. His conclusions may shock and surprise you: vanity, chasing after the wind, absurdity, vanishing smoke. Are these the musings of a genius or of a mad man? If you are looking for a candy-coated appraisal of life, then go ahead and put this book down. However, if you are looking for a no-frills, brutally honest, ragged-edged assessment of reality, then you have discovered an indispensable volume. In *Journal of a Mad Man*, pastor and author Derrick McCarson will carefully guide readers verse by verse through Solomon's meditations recorded in the Old Testament book of wisdom, Ecclesiastes. Not only will readers attempt to plumb the depths of some of mankind's most vexing questions, but they will also discover Solomon's secrets for wise living in a warped world.

90 Days to Knowing God Better David McCoy, Trish McCoy, 2023-04-13. Almost everybody knows of God. Many even know about God. However, just as people know some people better than others, some people know God better than others. Think of it like this: When you know people on a personal or an intimate level, don't you know what they are thinking even before they say it?

Or can t you read between the lines and know what they were thinking that they didn t say You probably even know what their wishes are without them having to tell you You know how their mind works and what they think what makes them tick and what makes them ticked While God is a God of love there is so much more to Him He has thoughts and opinions and emotions and feelings In the Bible God is said to love laugh enjoy take delight in rejoice as well as be angry happy jealous and glad Do you know Him that well The prophet Isaiah said that God sits on the circle of the Earth and we appear as grasshoppers yet He knows everything about us even the number of hairs on our head He has intimate knowledge of us In comparison at best we have only touched the surface of what we know of Him While He doesn t tell us everything He knows He has told us everything He wants us to know There are nuggets of truth burrowed deep in the scriptures for those who wish to learn of Him and make the effort to search for Him Now is a good time to get to know Him better Eternity is just ahead and it lasts a long time We serve a great God and He has good things planned for those who love Him He says in Ephesians that He is going to spend the ceaseless ages of eternity showing us His kindness That s a God worth knowing
