about this form of orchestral music Since the appearance of the first edition in 2008 this work has proven critical to  
successful pops concert programming With changes in publishers and agents the discontinuation of the publication of certain  
original material or worst of all presses going out of business music directors orchestra conductors and professional  
instrumentalists face formidable challenges in tracking down accurate information about this vast repertoire This revised  
handbook alleviates the time consuming task of researching these changes by offering a list of works for orchestral pops  
concerts that is comprehensive informative and current Manning s emphasis on clarity and accuracy gives users an  
indispensable tool for gathering vital information on the style instrumentation and availability of the repertoire listed as well  
as notes on its performance The user friendly appendices include expanded instrumentation choices easy to find durations  
and handy title cross references In addition to corrections and updates this new edition of Orchestral Pops Music includes at  
least 1 000 new title listings Orchestral Pops Music A Handbook is the ideal tool for working conductors and orchestral  
librarians as well as music program directors at colleges conservatories and orchestras     *The Musical World* ,1867
