1970s Pop:

British Film Culture in the 1970s Sue Harper, 2013-01-28 This volume draws a map of British film culture in the 1970s and provides a wide ranging history of the period The British Film Industry in the 1970s S. Barber, 2013-01-22 Is there more to 1970s British cinema than sex horror and James Bond This lively account argues that this is definitely the case and explores the cultural landscape of this much maligned decade to uncover hidden gems and to explode many of the well established myths about 1970s British film and cinema Popular Culture: 1960-1979 Michael Burgan, 2012-10-08 The British Invasion Andy Warhol Swinging London the Summer of Love disco dancing and polyester the 1960s and 1970s are the era that most people associate with pop culture So much changed during these decades from technological advances such as the Moon landing to conflicts like the Vietnam War These changes all had a great impact on pop culture *British Progressive Pop 1970-1980* Andy Bennett, 2020-02-06 Positioned between the psychedelic and counter cultural music of the late 1960s and the punk and new wave styles of the late 1970s early 1970s British popular music is often overlooked in pop music studies of the late 20th century but it was in fact highly diverse with many artists displaying an eclecticism and flair for musical experimentation Progressive pop artists such as Roxy Music David Bowie the early Queen the Electric Light Orchestra 10cc and Steve Harley Cockney Rebel successfully straddled the album and singles markets producing music that often drew on a variety of different musical styles and traditions Similarly such artists often set new benchmarks for songwriting and production utilizing the full potential of the rapidly expanding studio technology of the era to produce albums of highly diverse material featuring in some cases special studio crafted effects and soundscapes that remain unique to this day This book considers the significance of British progressive pop in the early 1970s as a period during which the boundaries between pop and rock were periodically relaxed providing a platform for musical creativity less confined by genre and branding In Perfect Harmony Will Hodgkinson, 2022-09-15 A Telegraph Book of the Year A Guardian Book of the Year A Shindig Book of the Year A Virgin Radio Book of the Year Awarded the certificate of merit in the 2023 Association for Recorded Sound Collections Awards for Excellence In 1970 pop was in trouble The Beatles were no more Pink Floyd devoted themselves to progressive epics Led Zeppelin dismissed anything beyond their musical statements as childish frippery Thankfully help was on its way This comprehensive chronicle by music historian Will Hodgkinson explores how an unlikely mix of backroom songwriters revitalised rockers actors producers teen stars and children turned pop into the dominant sound and vision of the 1970s While bands such as the Eagles and Fleetwood Mac were ruling the albums chart the singles chart was swinging along to the tune of million selling blockbusters by the likes of Brotherhood of Man the Sweet and the Wombles These were the songs you heard on Radio 1 during Saturday night TV at youth clubs down the pub and even emanating from your parents record player It was never cool but it was the real soundtrack of the decade Against a rainy smog filled backdrop of three day weeks national strikes IRA bombings and the Winter of Discontent this unrelenting stream

of novelty songs sentimental ballads glam rock stomps and blatant rip offs offered escape uplift romance and the promise of eternal childhood all released with one goal in mind a smash hit In Perfect Harmony takes the reader on a journey through the most colour saturated era in music examining the core themes and camp spectacle of 70s singalong pop as well as its reverberations through British culture since This is the pioneering social history of a musical revolution

The History of Texas Music Gary Hartman,2008-03-08 The richly diverse ethnic heritage of the Lone Star State has brought to the Southwest a remarkable array of rhythms instruments and musical styles that have blended here in unique ways and in turn have helped shape the music of the nation and the world Historian Gary Hartman writes knowingly and lovingly of the Lone Star State s musical traditions In the first thorough survey of the vast and complex cultural mosaic that has produced what we know today as Texas music he paints a broad panoramic view offers analysis of the origins of and influences on specific genres profiles key musicians and provides guidance to additional sources for further information A musician himself Hartman draws on both academic and non academic sources to give a more complete understanding of the state s remarkable musical history and ethnic community studies with his first hand knowledge of how important music is as a cultural medium through which human beings communicate information ideas emotions values and beliefs and bond together as friends families and communities The History of Texas Music incorporates a selection of well chosen photographs of both prominent and less well known artists and describes not only the ethnic origins of much of Texas music but also the cross pollination among various genres Today the music of Texas which includes Native American music gospel blues ragtime swing jazz rhythm and blues conjunto Tejano Cajun zydeco western swing honky tonk polkas schottisches rock roll rap hip hop and more reflects the unique cultural dynamics of the Southwest

Dance of Life Craig Lockard,1998-04-01 The rock era is over according to one pop music expert Another laments that rock music is metamorphosed into the musical wallpaper of ten thousand lifts hotel foyers shopping centers airport lounges and television advertisements that await us in the 1990s Whatever its current role and significance in Anglo American society popular music has been and remains a tremendous social and cultural force in many parts of the world This book explores the connections between popular music genres and politics in Southeast Asia with particular emphasis on Indonesia the Philippines Thailand Malaysia and Singapore

Made in Korea Hyunjoon Shin,Seung-Ah Lee,2016-09-13 Made in Korea Studies in Popular Music serves as a comprehensive and thorough introduction to the history sociology and musicology of contemporary Korean popular music Each essay covers the major figures styles and social contexts of pop music in Korea first presenting a general description of the history and background of popular music in Korea followed by essays written by

leading scholars of Korean music that are organized into thematic sections History Institution Ideology Genres and Styles Artists and Issues **Adult Responses to Popular Music and Intergenerational Relations in Britain, c. 1955-1975**

Gillian A. M. Mitchell, 2019-02-28 Adult Reactions to Popular Music and Inter generational Relations in Britain 1955 1975 challenges stereotypes concerning a post war generation gap exacerbated by rebellion inducing popular music styles by demonstrating the considerable variety which frequently characterized adult responses to the music whilst also highlighting that the impact of the music on inter generational relations was more complex than is often assumed NP Utilizing extensive primary evidence from first person accounts to newspapers television programmes surveys and archive collections the book adopts a thematic approach identifying three key arenas of British society in which adult responses to popular music and the impact of such reactions upon relations between generations seem particularly revealing and significant The book examines in detail the place of popular music within family life and Christian churches and their engagement with popular music particularly within youth clubs It also explores encounters between the worlds of traditional Variety entertainment and popular music while providing broader perspectives on this most dynamic and turbulent of periods *Nuclear Threats, Nuclear Fear and the Cold War of the 1980s* Eckart Conze, Martin Klimke, Jeremy Varon, 2017 The book brings together cutting edge scholarship from the United States and Europe to address political and cultural responses to the arms race of the 1980s Country Music Richard Carlin, 2014-02-25 This illustrated A Z guide covers more than 700 country music artists groups and bands Articles also cover specific genres within country music as well as instruments used Written in a lively engaging style the entries not only outline the careers of country music s greatest artists they provide an understanding of the artist s importance or failings and a feeling for his or her style Select discographies are provided at the end of each entry while a bibliography and indexes by instrument musical style genre and song title round out the work For a full list of entries a generous selection of sample entries and more visit the Country Music A Biographical Dictionary website

A Dictionary of European Anglicisms Manfred Gorch, 2005-06-16 A Dictionary of European Anglicisms documents the spread of English in Europe It provides the first exhaustive and up to date account of British and American English words that have been imported into the main languages of Europe English which imported thousands of words from French and Latin mainly after 1066 is now by far the world s biggest lexical exporter and the trade is growing as English continues to dominate various fields ranging from pop music to electronic communication Several countries have monitored the inflow of anglicisms and some have tried to block it But language as lexicographers have always found and as this book demonstrates once more respects neither boundary nor law The dictionary not only shows which words have been exported where but how the process of importation can change a word s form and function sometimes subtly at others remarkably as in the transformation of painkiller to Bulgarian jack of all trades The book provides a systematic description of the lexical input of English into Icelandic Norwegian Dutch German Russian Polish Croatian Bulgarian French Spanish Italian Romanian Finnish

Hungarian Albanian and Greek Each entry has a brief definition of the loan word followed by information on its history and distribution variations in its spelling meaning and pronunciation its route of transmission if not direct from English its degree of acceptance and usage restrictions and its native equivalents and derivatives Grids showing distribution patterns across Europe accompany many of the entries The Dictionary of European Anglicisms is a scholarly tour de force French imported early nineteenth century and the result of a prodigious research effort across Europe masterminded and directed by Manfred Gorrach It is a unique resource for comparative analysis and the study of linguistic variation and change It will fascinate linguists and word watchers of all persuasions

World Music: Latin and North America, Caribbean, India, Asia and Pacific Simon Broughton, Mark Ellingham, Richard Trillo, 2000 The Rough Guide to World Music was published for the first time in 1994 and became the definitive reference Six years on the subject has become too big for one book hence this new two volume edition World Music 2 Latin and North America Caribbean India Asia and Pacific has full coverage of everything from salsa and merengue to qawwali and gamelan and biographies of artists from Juan Luis Guerra to The Klezmatics to Nusrat Fateh Ali Khan Features include more than 80 articles from expert contributors focusing on the popular and roots music to be seen and heard both live and on disc and extensive discographies for each country with biography notes on nearly 2000 musicians and reviews of their best available CDs It includes photos and album cover illustrations which have been gathered from contemporary and archive sources many of them unique to this book and directories of World Music labels specialist stores around the world and on the internet

Historical Theory and Methods through Popular Music, 1970-2000 Kenneth L. Shonk, Jr., Daniel Robert McClure, 2017-08-17 This book examines the post 1960s era of popular music in the Anglo Black Atlantic through the prism of historical theory and methods By using a series of case studies this book mobilizes historical theory and methods to underline different expressions of alternative music functioning within a mainstream musical industry Each chapter highlights a particular theory or method while simultaneously weaving it through a genre of music expressing a notion of alterity an explicit positioning of one's expression outside and counter to the mainstream Historical Theory and Methods through Popular Music seeks to fill a gap in current scholarship by offering a collection written specifically for the pedagogical and theoretical needs of those interested in the topic

Popular Polish Electronic Music, 1970-2020 Ewa Mazierska, 2020-12-31 Popular Polish Electronic Music 1970-2020 offers a cultural history of popular Polish electronic music from its beginning in the late 1960s early 1970s up to the present day in the context of Polish economic social and political history and the history of popular music in this country From the perspective of production scene industry and consumption the volume considers the issue of access to electronic instruments in the 1970s and 1980s and the variety of inspirations such as progressive rock and folk music that have contributed to the development of Polish electronic music as it is known today The widespread contribution of Polish electronic music to film is also considered This is a valuable resource for scholars and researchers of electronic music popular music and Eastern European music and culture
