Yao** United States. Congress. Senate. Committee on Commerce, Science, and Transportation,1991 **The evolution of automotive technology** Gijs Mom,2023-05-17 The idea of understanding the present through its history is based on two insights First it helps to know where a technology comes from what were its predecessors how did they evolve as a result of the continuous efforts to solve theoretical and practical problems who were crucial in their emergence and which cultural differences made them develop into divergent families of artifacts Second and closely related to the first insight how does a certain technology or system fit into its societal context its culture of mobility its engineering culture its culture of car driving its alternatives its opponents Only thus by studying its prehistory and its socio cultural context can we acquire a true grasp of a technology The Evolution of Automotive Technology A Handbook Second Edition covers one and a quarter century of the automobile conceived as a cultural history of its technology aimed at engineering students and all those who wish to have a concise introduction into the basics of automotive technology and its long term development ISBN 9781468605976 ISBN 9781468605969 ISBN 9781468605983 DOI 10 4271 9781468605976 2nd Edition *Minerals & Materials* ,1989 **Minerals & Materials** United States.
