**CRB Commodity Year Book**, 1996      *Commodity Year* Commodity Research Bureau (U.S.), 1990-06-01      **1992 Crb Commodity Year Book** Susan Buchanan, 1992      **The CFA Franc Zone** Mr. James M. Boughton, 1991-12-01 The CFA franc zone comprises a group of countries in central and west Africa whose currencies have been firmly linked to the French franc since 1948 It combines the features of a currency union with those of an exchange rate peg and an analysis of its effectiveness must examine both dimensions Viewed from the perspective of a currency union among the African countries it would appear that the zone would not constitute an optimum currency area But when France is viewed as an integral part of the system the benefits including discipline credibility and stability in international competitiveness become clearer      *The trade restrictiveness index : an application to mexican agriculture* James Everett Anderson, Geoffrey J. Bannister, 1992
