C. character he lacked as a young athlete Starting as an area scout for the Cincinnati Reds in 1965 Lajoie later moved up the ladder with the Detroit Tigers and was the architect and general manager of their 1984 World Series crown Lajoie would then be instrumental as an assistant GM for two more franchises who dominated their decades with championships and titles the 1990s Atlanta Braves and the 2000s Boston Red Sox Perhaps no one alive has scouted more baseball over the last 50 years or has better stories to tell about finding the greats Though the modern era has seen the depersonalization of scouting via statistics and radar gun readings Lajoie was immensely successful through five decades by emphasizing what a player had inside him His belief in a player's humanity and character persists to this day This book is not only a biography but a collection of great baseball stories and a manual for the next generation of fans and scouts alike Lajoie tackles such controversial issues as the Moneyball movement the importance of a strong manager scouting for makeup making trades preventing pitching injuries running a farm system and ranking both the best general managers and scouting directors of the modern era

At a Loss to Eternity Thomas Porky McDonald, 2005-04-12 In direct contrast to the plethora of winning is everything material that has incrementally grown since the 1990s Thomas Porky McDonald poet and writer offers up At a Loss to Eternity an admittedly arbitrary look at a number of fine baseball teams that as the subtitle states Didn't Win it All Spanning from the early days of the modern World Series Era to the present McDonald attempts to enlighten those who are willing as well as those seemingly scarred by the burgeoning attitude that everyone is a loser except the one that wins the ultimate Championship League Champions who lost the World Series like the legendary 1906 Tinker to Evers to Chance Chicago Cubs or Milwaukee's Brew Crew 82 take their proper place amongst the elites that they ultimately lost the Fall Classic to Remarkable second place teams such as the 1942 Brooklyn Dodgers and the 1961 Detroit Tigers each winners of 100 regular season games are also afforded a forum here Storied franchises currently in the throes of long Championship droughts from Chicago's Cubs and White Sox to the Cleveland Indians are considered along with their former baseball purgatory roommate the Boston Red Sox who finally took it all in 2004 At a Loss to Eternity asks the reader to simply recall what professional sports and baseball in particular are really about The joy that those who love the Game get from it cannot be dismissed by a growing inane win or die attitude fostered by mass media and accepted incoherently in too many places Winning is wonderful and all athletes should certainly strive to win every time they enter the playing field Nonetheless any player that gives every ounce of effort they can toward the goal of winning could never be a loser despite what those who've probably never accomplished anything themselves would have you believe Winning isn't everything though aspiring to win surely should be The Red Sox 2004 World Championship exorcized many ghosts for some but the truth is that many wonderful teams and a number of All Time stars that did not win a World Title will always shine even though they never managed to secure a ring So much so that At a Loss to Eternity is in fact ultimately a tale of winners
