Overcoming Crisis: Case Studies Of Asian Multinational Corporations Parissa Haghirian, 2022-12-21 Crisis management is not a new topic in management research and teaching Every company meets challenges and crisis at some point and being able to deal with them decides whether a business survives Despite this crisis management has not yet been a prominent part of the modern business school curriculum The pandemic has changed that and how to deal with crisis has become the major question not only for entrepreneurs and managers but also for business educators This book presents 22 case studies of Asian multinational corporations overcoming crisis The topics do not only deal with the pandemic but all kind

of challenges of modern business and show how companies did overcome or which strategies they have developed to do so. The companies are divided into different industries such as the automotive industry, entertainment or aviation industries. The cases can be used in business and international management classes but can also be read to learn about modern crisis management strategies.

Pop Culture in Europe Juliana Tzvetkova, 2017-10-12 A fascinating survey of popular culture in Europe from Celtic punk and British TV shows to Spanish fashion and Italian sports. From One Direction and Adele to Penelope Cruz and Alexander Skarsgard, many Europeans are becoming household names in the United States. This ready reference guide covers international pop culture spanning music, literature, movies, television, and radio, the Internet, sports, video games, and fashion from the mid 20th century through the present day. The organization of the book with entries arranged alphabetically within thematic chapters allows readers to quickly find the topic they are seeking. Additionally, indexing allows for cross-cultural comparisons to be made between pop culture in Europe to that of the United States. An extensive chronology and lengthy introduction provide important contextual information such as the United States influence on movies, music, and the Internet, the effect of censorship on Internet and social media use, and the history of pop culture over the years. Topics feature key musicians, songs, books, actors, and actresses, movies, and television shows, popular websites, top athletes, games, clothing fads, and designers, and much more.
