Gibson, 2003-02-01 Since 1980 Haddon Robinson has influenced generations of students and preachers through his widely used classic text *Biblical Preaching* in which he shows preachers how to communicate the Bible's big ideas with precision But does Robinson's big idea approach to expository preaching still work in today's diverse cultures and fast paced world *The Big Idea of Biblical Preaching* now in paperback presents a strong defense of the ongoing relevance of this approach to expository preaching An experienced and skilled group of contributors to this volume includes Paul Borden Scott M Gibson Duane Litfin Terry Mattingly John Reed Bruce L Shelley Donald R Sunukjian Joseph M Stowell III Bruce K Waltke Scott Wenig and Keith Willhite This volume is written not only for the current generation of students but also for today's preachers who will find in the pages of this book a powerful approach to expository preaching A Chorus of Witnesses Thomas G. By the Book Nomer Bernardino, *Preaching from Inside the Story* Jeffrey W. Frymire, 2022-06-02 Preaching from Inside the Story is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle's foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture Preaching from Inside the Story breaks new ground by encouraging preachers to move inside stories and tell them from the inside out providing a positive effect thereby affording non narrative preachers to connect with storytelling principles Ultimately it is filled with examples of how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how

they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching
