Armagedon Oil And The Middle East Crisis:

Armageddon, Oil, and the Middle East Crisis John F. Walvoord, 1990 Revised edition *Armageddon* John F. Walvoord, John E. Walvoord, 1974 *Armageddon* John F. Walvoord, E. Walvoord, 1974 **Armageddon, Oil and the Middle East Crisis** John F. Walvoord, John E. Walvoord, 1974 *Armageddon, Oil and the Middle East Crisis* John F. Walvoord, 1990-12-01 *Naming the Antichrist* Robert C. Fuller, 1996-11-21

The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination throughout history. This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies. In *Naming the Antichrist* Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey. Fuller begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71 Gws how the colonists saw Antichrist personified in native Americans and French Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King. He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry. In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others. Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of *The Late Great Planet Earth* with some 19 million copies sold. Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the European Economic Community the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist. Throughout Fuller reveals in vivid detail how our unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil. From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial. Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life.

Faith and Oil K. L. Marshall, 2020-04-24

Faith and Oil tells the story of conservative Christianity's relationship with America's oil industry. It shows how the libertarian values of big oil companies such as government deregulation of business practices and curbing laws that protect the environment became embedded within the theologies of the Religious Right. These theologies of oil later found their being in the public consciousness through the rise of Sarah Palin and led to the election of Donald Trump.

Revelation Kathleen Mueller, 2011-10 Revelation reveals the truth about the last days and the signs leading up to the last days This book is an in depth study of the book of Revelation It is a verse by verse study put together in a chronological sequence It reads like a novel but it is truly non fiction This book is unique in that it describes a different but more scripturally accurate time line for the Rapture Seals Trumpets and Bowls than the current and popular view This book will answer questions like these What are the signs of the end times What is the Rapture What events immediately precede and follow the Rapture What is the Tribulation What happens during the Tribulation How long does the Tribulation last Why do I need to be concerned with this anyway God does want us to know about the end times He has revealed the truth to us in the book of Revelation Come with me on this journey and let's take a look at it *Apocalyptic Fever* Richard G. Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In *Apocalyptic Fever* Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more
