Infantry Attacks Erwin Rommel, 2015-12-11 Infantry Attacks is a classic text in the field of military strategy Written by German Field Marshal Erwin Rommel it was first published in 1937 as a journal esque chronicle of the author's experiences in World War I and the lessons he learned there In it he provides detailed accounts of a variety of military strategies that rely on speed deception and deep penetration into enemy territory to intimidate and surprise opposing forces Considered by his troops and enemies alike to be a humane professional and immensely skilled officer Rommel's use of intimidation and the advantage of surprise often forced enemies to surrender quickly thereby avoiding unnecessary risk of injury and death for his troops and their enemies exertion and expenditure of ammunition Infantry Attacks was widely read by soldiers and military leaders upon its release and has become something of a staple in military education providing a detailed glimpse into the tactics of an extremely effective and widely respected officer It has been studied extensively throughout the West particularly in the United States The revered General George S Patton is said to have been heavily influenced by this text Rommel was appointed to the rank of high commander by Adolf Hitler in part because of the success of this book Such positions were ordinarily reserved for members of old military families and the Prussian aristocracy so this assignment spoke to Rommel's competence and the influence of his writing Rommel went on to lead Hitler's Afrika Korps in North Africa Although he planned to release a sequel based on his experiences there he was unable to complete the manuscript before his death in 1944

Rommel: Desert Fox Desmond Young, 1987-02-18 Early in 1941 the famed British Eighth Army was on the route to victory in North Africa Just a few months later this same army was on the verge of total defeat as the Germans had won victory after victory and were threatening to overrun Egypt and the Middle East Here is the classic biography of the man who masterminded this great turnabout Field Marshal Erwin Rommel commander of the German Afrika Korps The man who burned Hitler's order to execute British raiders and who gave Allied prisoners the same food and medical treatment as his German troops The tough general who personally conducted reconnaissance under fire in an open car while his tank commanders hid in armored turrets The author of this book Brigadier General Desmond Young fought against Rommel in North Africa was captured by him and after his release at the end of the war visited Rommel's family and talked with many of his fellow officers Thus he is able to tell us about intrigues that went on in the German High Command during the war he is able to give a blow by blow description of such decisive battles as Tobruk

and El Alamein and he is able to give personal anecdotes about Rommel and to sort out the facts from the legends that have sprung up around this extraordinary general **Infantry Attacks** Marshall Erwin Rommel, 2022-10-10 Field Marshal Erwin Rommel exerted an almost hypnotic influence not only over his own troops but also over the Allied soldiers of the Eighth Army in World War II Even when the legend surrounding his invincibility was overturned at El Alamein the aura surrounding Rommel himself remained unsullied In this classic study of the art of war Rommel analyzes the tactics that lay behind his success Rommel and the Rebel Lawrence Wells, 1986 In 1941 when Rommel's panzers are pounding the Allies in North Africa the U S commander Speigner recognizes Rommel's tactics are like those of Confederate general Nathan Bedford Forrest *Eighth Army Versus Rommel* James Colvin, 2020-10-19 An explanation of why things went wrong for the Eighth Army for so long despite the best efforts of brave and determined men *Rommel's Greatest Victory* Samuel W. Mitcham, 1998 The Desert Fox Erwin Rommel was the foremost strategist and tactician of his generation and his defeat of the British forces at the important Libyan port of Tobruk in spring 1942 was the crown jewel of his military campaigns a victory so stunning it forced a vote of confidence in the Churchill government Mitcham Jr history Hendersonville State U chronicles Rommel's march to Tobruk noting the leader's ability to discern the best places and times to strike He includes several maps and bandw photos Annotation copyrighted by Book News Inc Portland OR *Rommel* Desmond Young, 2013-01-30 This book contains the story of Rommel the famous German Field Marshal of World War II commonly known as Desert Fox Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork

Peter Caddick-Adams,2011-06-08 Two men came to personify British and German generalship in the Second World War Bernard Montgomery and Erwin Rommel They fought a series of extraordinary duels across several theatres of war which established them as two of the greatest captains of their age Our understanding of leadership in battle was altered for ever by their electrifying personal qualities Ever since historians have assessed their outstanding leadership personalities and skill The careers of both began on the periphery of the military establishment and represent the first time military commanders proactively and systematically used and were used by the media as they came to prominence first in North Africa then in Normandy Dynamic and forward thinking their lives also represent a study of pride propaganda and nostalgia Caddick Adams tracks and compares their military talents and personalities in battle Each brought something special to their commands Rommel s breathtaking advance in May June 1940 was nothing less than inspired Montgomery is a gift for leadership gurus in the way he took over a demoralised Eighth Army in August 1942 and led it to victory just two months later This compelling work is both scholarly and entertaining and marks the debut of a major new talent in historical biography **Information Bulletin** ,1942 **Yank** ,1942 *Northwest Africa* George Frederick Howe,1957 **Blood and Honor** Craig W.H.
