Bibliographie Mensuelle United Nations Library (Geneva, Switzerland),1990 *The New Europe* Frances Scott,1991
Subject Guide to Books in Print ,1997 **Information Sources of Political Science** Stephen W. Green,Douglas J. Ernest,2005-07-15 A thoroughly revised and updated new edition of the world s leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed *Information Sources of Political Science* is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries Listening to the Silences: Women and War Helen Durham,Tracey Gurd,2005-06-01 Challenging the perception that women are exclusively the victims the caregivers or the passive supporters of men in times of armed conflict *Listening to the Silences Women and War* exposes the reader to a diversity of women s voices These voices both personal and academic demonstrate that women are increasingly taking on less traditional roles

during war and that these roles are multifaceted complicated and sometimes contradictory The experiences of a judge forensic anthropologist survivor of sexual slavery soldier activist journalist humanitarian worker and others provide the reader with the opportunity to consider the depth of women s involvement in armed conflict Their voices highlight the fact that the international community at large has historically failed to listen to women even as they have tried to tell their own individual tales of horror heroism courage devastation betrayal violence and integrity during armed conflict Concurrently the book examines in detail the legal infrastructure in this area including debates on the adequacy of international law developments in jurisprudence and the implementation of international resolutions This book reveals that responses to women s requirements during times of war will continue to be inadequate so long as we persist in silencing these differing perspectives and fail to take account of women s dynamic and changing needs during war Listening to the Silences Women and War is a collection of women s voices each of which makes a unique contribution to a topic that is gathering international momentum and interest The perspectives of these women greatly enhance our understanding of the gendered dimensions of armed conflict they help to move the discourse beyond silence and towards inclusion greater understanding and peace
