Around My Town:

Memories of My Town Åström Anna-Maria, Korkiakangas Pirjo, Olsson Pia, 2018-06-15 The volume *Memories of my Town* is an exploration into how town dwellers experience their environment in a complicated way As people in urban milieus relate themselves to the environment this takes place on many levels where especially the time level becomes problematic The urban buildings and settings can be looked upon as a kind of collective history as carriers or witnesses of times past But it is only the town dwellers that experience urban time itself the time they live in but through their memories also times past In this past some elements take symbolically dense expressions Through reliving and narrating their experiences the symbolically important factors in the this urban relationship will be outlined for investigations concerning three towns Helsinki the capital Viborg the ceded and lost Carelian town and Jyv skyl a town with dense commercial and civilisatory dimensions in the middle of Finland The symbolic aspects are the kern in all the articles of the book *Memories of my Town* The aim of the book and its articles has been to use different theoretical concepts as guidelines in analysing the different narrative texts Thus the articles are to be seen as independent contributions to the scientific discussion about places urbanism memories and narratives The ethnological outlook is on the other hand an outcome of the joint project *Town Dwellers and their Places* whereby the articles substancially relate to one another Thus the book can also be seen as a joint result of this urban project which was sponsored by the Finnish Academy

The Preview and Other Stories Sŏn-jak Cho,2003 Cho Sun Jak is

a prolific South Korean writer of many novels and short stories Many of his works have been adapted successfully as TV dramas and films but very few of his works have been available in English till now He presents an honest and frank view of the reality behind the successful development of modern Korea with humor and sensitivity The well known novella The Preview depicts the Korean War through the eyes of a young boy and the other stories in this collection reflect the aftermath of the war the desperate lives of the poor the corruption of moral values and the pathos of the lives of good hearted prostitutes The translations capture well the atmosphere and values of the period in which the stories were written Detailed notes clarify linguistic points and the social and cultural context *Tales from the Backwards* Z Marshall

McGaw,2012-05-19 This book is a family friendly compilation of stories about a variety of hilarious characters from Maury County Tennessee The author grew up in Mount Pleasant Tennessee on the south end of the county and learned of the exploits of several unique characters as he travelled a route called The Z After moving away he began telling tales about these characters The interest his listeners had in these stories fascinated him and he came to realize that other towns did not have a rich history like his hometown Whether it is Officer Manley Workman hooking a wrecker to Fatty Isabel to haul him to jail after he refused to go or Tooterbill Odom causing a massive explosion in a slag pit at his place of employment to give the townsfolk a spectacular Fourth of July fireworks display these stories will keep you laughing out loud Another thing the author came to realize through the years as he started including tales about himself in these story telling sessions is that he had also contributed to the history of the town in some amusing ways Is there another place like Mount Pleasant Tennessee You will have to read the book to decide *Museum of Foreign Literature and Science* Robert Walsh,Eliakim Littell,John Jay Smith,1830

Just Another Gulliver and His Travels Patrick Callaghan,2013-09-30 This book tells the story of a young Englishmans voyage through life He never experienced love from his mother As he grew up he discovered so many lies and deceit He was denied the opportunity to hold his paternal father A hug would have fulfilled a dream He was also cheated from the dream by his aunt He discovered a half sister in America when he was thirty three and never connected with his brother they drifted apart He was hit by an angry uncle who was his mentor He was cheated and lost a business that had the makings of a huge success Foolishly he allowed good times to override the serious side of life Thus he lost his wife his children and his beautiful home A caravan on a farm became his sanctuary stealing vegetables to survive He rose from the wilderness and ran with the wind breaking hearts as he traveled over and through other countries Later he married for a bet in a foreign country and soon divorced only to marry again to an American Christian who emptied his bank account She left him homeless and penniless His family and friends discovered he would rise from the ashes and run again He enjoyed many women they enjoyed him Working hard all his life gave him some lovely rewards He endeavored to enjoy life to the fullest and make friends wherever he went Finally at age fifty eight he settled down having found happiness in the Midwest of
