Art As A Way A Return To The Spiritual Roots:

Art as a Way Frederick Franck, 1981 Meditation—The Complete Guide Patricia Monaghan, Eleanor Viereck, 2011 A revised guide to positive transformation through meditation profiles 35 diverse practices from different world regions while explaining their respective histories and virtues in a resource that includes coverage of options ranging from drumming and trance dancing to labyrinth walking and gardening Original The Phenomenology of Observation Drawing Rose Montgomery-Whicher, 2022-09-22 Based on research and grounded in experience this book offers a view into the minds and hearts of people who draw With technology at our fingertips that allows us to record and share what we see within moments drawing seems a remarkably slow and difficult way to make an image And yet drawing from observation continues to be practiced by professional and amateur artists a situation that invites the question What does observation drawing mean in the lives of those who practice it The central chapters of the book explicate the structures of the lived experience of drawing weaving phenomenological reflections into a narrative about the author drawing her sister on a train With lively accounts of drawing from hobbyists art students contemporary and historical artists Montgomery Whicher considers how the act of drawing shapes place time the body and relationships with the world and with others She addresses many facets of drawing including the connection between drawing and thinking the range of emotions felt when drawing a person and the experience of digital drawing Montgomery Whicher concludes that observation drawing warrants a place in general education as well as in the education of artists She argues that drawing will continue to thrive because it is a human practice that deepens and enriches our humanity by giving us access to keener perception greater understanding empathy and wonder This book will be of interest to anyone who has ever wondered about the appeal of drawing including professional and amateur artists philosophers and educators Expressive Movement Alexandra Pierce, 2013-11-11 **The Experience of Being Creative as a Spiritual Practice** Peggy Thayer, 2003 What is the spiritual nature of being creative This study is unique in bringing together personal descriptions from practicing artists writings from the growing literature on creativity as spiritual practice as well as the author's own understanding as a visual artist Through descriptions from ten practicing painters who consider their work a spiritual practice the spiritual essence of creativity begins to emerge This understanding finds roots as the writings of contemporary artists creativity theorists and philosophers from several spiritual traditions are explored This work elucidates not only the experience of being creative as a spiritual practice but the felt sense of creative experience and spiritual experience as well **The Journal of Religion** , 1982 Includes section Book reviews

Exhibiting the Visual Culture of American Religions David Morgan, Sally M. Promey, 2000 **The Spiritual Roots of the Ecological Crisis** Jean-Claude Larchet, 2022-03-11 Many Christians are tempted to dismiss concerns over the environment and the catastrophic effects of climate change After all prominent voices who most vociferously warn us about this crisis tend to also advocate a wider worldview antithetical to Christian teachings In this text noted philosopher and

scholar Jean Claude Larchet finds the roots of the global ecological crisis in a rejection of a truly Christian cosmology Explaining the relationship between man and nature ordained by God in the beginning Larchet bases the degradation of the creation ultimately in the primordial fall and outlines how we have arrived at the present crisis point Finally the author proposes principles and actions deeply rooted in his Christian ethos that would allow mankind to restore and reinvigorate its relationship with nature *The Buckley-Little Book Catalogue* ,1987 **Understanding Religious Life** Frederick J. Streng,1985 This text uses two basic themes to enhance student understanding 1 the search for an understanding of religious life as an ongoing process and 2 the need for recognizing a variety of ultimate realities when studying religious pluralism **Methodology, Ideology and Pedagogy of African Art** Moyo Okediji,2024-02-14 This edited volume including contributions from scholars with different areas of specialization investigates a broad range of methodologies ideologies and pedagogies focusing on the study of the art of Africa using theoretical reflections and applications from primitivism to metamodernism Chapters break the externally imposed boundaries of Africa related works beyond the conventional fragments of traditional contemporary and diaspora The contributions are significantly broad in their methodologies ideologies and pedagogical coverage yet they all address various aspects of African artistic creativity demonstrating the possibilities for analytical experiments that art history presents to scholars of the discipline today The w character of each approach is unique nevertheless each is useful toward a fuller understanding of African art studies as an independent aspect of art historical research that is a branch or bud of the larger family of art history The volume respects highlights and celebrates the distinctiveness of each methodical approach recognizing its contribution to the overall character or w of African art studies The book will be of interest to students in undergraduate or graduate intermediate or advanced courses as well as scholars in art history and African studies **Keys to the Open Gate** Kimberley Snow,1994 Interest in women s spirituality has exploded Now at last there is a comprehensive collection of women s spiritual writings from a wide range of religious disciplines including Christianity Judaism Islam Wicca and Goddess Worship This anthology features more than 100 readings from such writers as Brooke Medicine Eagle and Lynn Andrews **The Buckley-Little Catalogue of Books Available from Authors** ,1985 **Image to Word** Kathleen Walsh-Piper,2002-10-28 Explore effective ways to teach creative writing using art with an experienced writing teacher whose classroom is in a museum not a school You will learn ways to involve and motivate students by using artwork games formula poems and other specific writing exercises From painting to decorative arts and sculpture the works selected represent a wide range of historical periods and cultures Each is presented as a type which makes it easy to substitute more readily available artworks in any museum Lessons on point of view stream of consciousness description and monologue are developed along with imagination sensations and dreams This guide is a masterpiece of ideas and inspiration that marries the act of writing imaginatively with the art of observation Includes a CD ROM featuring a collection of images by known artists **Approaches to Actor**

Training John Freeman, 2019-03-15 This insightful and practically focused collection brings together different approaches to actor training from professionals based at universities and conservatoires in the UK the US and Australia Exploring the cultural and institutional differences which affect actor training and analysing developments in the field today it addresses a range of different approaches from Stanislavski's System to contemporary immersive theatre With hands on focus from some of the world's leading programmes and attention paid to ethical control consent and safe practice this book sees expert tutors exploring pathways to sustainable 21st century careers Designed for tutors students and practitioners Approaches to Actor Training examines what it means to train as an actor what actors in training can expect from their programmes of study and how the road to professional accomplishment is mapped and travelled *Parabola*, 1982 New Age, 1982

The Publishers Weekly, 1981 **Modern Ministries**, 1981 *Reluctant Partners* Ena Giurescu Heller, 2004 Its extensive bibliography essays treating the history of the field and individual case studies which demonstrate current methodologies by noted scholars in the field make this an invaluable resource to the university seminary and museum alike
