La Tribuna: Translated with Commentary Emilia Pardo Bazán (condesa de),2017 Emilia Pardo Baz n was born in the Galician town of A Coru a into a noble family who nurtured her lifelong thirst for knowledge She is undoubtedly the most controversial influential and prolific Spanish female writer of the nineteenth century publishing a vast number of essays social commentaries articles reviews poems plays novels novellas and short stories Her third novel La Tribuna heralds a new age in Spanish literature a naturalist work of fiction that examines the situation of contemporary women workers The author s preparation for the novel involved reading and consulting contemporary pamphlets and newspapers as well as spending two months in a Galician tobacco factory observing and listening to conversations This method common in English writers like Dickens and frequently adopted in France by the masters of Realism was almost unprecedented in Spain Set against a background of turmoil and civil unrest La Tribuna reflects the author s interest in the position of women in Spanish society The working class heroine Amparo develops from a shapeless apolitical street urchin into a masterpiece of femininity a charismatic orator who becomes a tribune of the people At the same time however she allows herself to be seduced by a prosperous middle class youth whose promises prove to be just as empty as the revolutionary slogans in which she believes so fervently

Galdos: Meow Benito Pérez Galdós,2014 Benito Perez Galdos finely crafted novel Meow is a tragi comedy It is the story of a middle aged middle class middle manager who does not know how to pull the strings that could get him reinstated to his job in the Spain s civil service from which he has been laid off with only two months to go for him to be eligible for his pension and save his family from certain poverty Villaamil is obsessed with the work he used to do and needs still to be doing not only because his family acutely needs his pension but also because he is particularly good at what he does but he is only rebuffed and ridiculed Obsessively compulsively he returns to his former workplace buttonholes men whose careers he had once jumpstarted but whose gratitude he does not seem to have retained is mocked and rejected time

and again Ridicule and its necessary obverse egotism is a central theme to a number of sub plots concerning the complex intra familial relationships of various members of the Villaamil family the ridicule itself functioning as a mask for feelings of insecurity and inferiority Three subordinate characters introduce the reader to themeow motif in its first ironic incarnation the women in the Villaamil household whose comical facial resemblance to a cat inspired their nickname But the epithet is later appropriated by Ramon himself when he makes of its letters a series of progressively darker acronyms that express his growing desperation and alienation Galdos indictment of human frailty sometimes judgmental sometimes compassionate is acutely psychologically penetrating and thus his characters are splendidly realized rounded and recognizable in the modern world
