Concept Of The Political

Carl Schmitt

Concept Of The Political:

The Concept of the Political Carl Schmitt, 2024-05-31 Arguably Schmitt's most influential work recognized as one of the most important tracts of modern political thought Samuel Earle The New Statesman In this his most influential work legal theorist and political philosopher Carl Schmitt argues that liberalism's basis in individual rights cannot provide a reasonable justification for sacrificing oneself for the state a critique as cogent today as when it first appeared George Schwab's introduction to his translation of the 1932 German edition highlights Schmitt's intellectual journey through the turbulent period of German history leading to the Hitlerian one party state In addition to analysis by Leo Strauss and a foreword by Tracy B Strong placing Schmitt's work into contemporary context this expanded edition also includes a translation of Schmitt's 1929 lecture The Age of Neutralizations and Depoliticizations which the author himself added to the 1932 edition of the book An essential update on a modern classic The Concept of the Political Expanded Edition belongs on the bookshelf of anyone interested in political theory or philosophy Contains much of what is fundamental in Schmitt's understanding of the political nature of man and the state including his contentious definition of the political as the distinction between friend and enemy Its scholarship is unquestionable Joseph W Bendersky Canadian Journal of Political and Social Theory The best introduction to Schmitt's thought Mark Lilla New York Review of Books A foundational work Minor disagreements over terms fade in light of the superb job Schwab has done rendering Schmitt's long multi clausal German sentences into concise pellucid English Robert D Rachlin HNet

Politics and the Concept of the Political James Wiley, 2016-05-26 A recent trend in contemporary western political theory is to criticize it for implicitly trying to conquer, displace or moralize politics James Wiley's book takes the next step from criticizing contemporary political theory to showing what a more politics centered political theory would look like by exploring the meaning and value of politics in the writings of Max Weber Carl Schmitt Paul Ricoeur Hannah Arendt Sheldon Wolin Claude Lefort and Ernesto Laclau and Chantal Mouffe These political theorists all use the concept of the political to explain the value of politics and defend it from its detractors They represent state centered republic centered and society centered conceptions of politics as well as realist authoritarian idealist republican populist and radical democratic traditions of political thought This book compares these theorists and traditions of the political in order to defend politics from its critics and to contribute to the development of a politics centered political theory Politics and the Concept of the Political will be a useful resource to general audiences as well as to specialists in political theory

Towards a New Concept of the Political Giacomo Marramao, 2023-12-11 This book addresses the current crisis of democratic politics and its phase of interregnum in which the past finds it hard to die and the future finds it difficult to be born by proposing a radical redefinition of the concept of the Political Drawing on the thoughts of Antonio Gramsci and Walter Benjamin among others it explores the meaning of the lemma auctoritas the opposition between authority and power and offers a comparison of the Frankfurt School's radical critique of power with Georges Bataille's

critique of political economy and consumerist productivism demonstrating how the two ultimately converge Based on an ontology of the present that is critical of identity obsession and advances instead a universalism of difference the author proposes a new understanding of politics founded not on vertical domination but on a horizontal recomposition of subjectivities allowing interaction and acting in common between different forms of life This book will therefore appeal to scholars of social and political theory The Political Theory of Political Thinking Michael Freeden,2013-08-08 This book is the first to explore systematically what it means to think politically Using detailed contemporary and historical material and investigating both professional and amateur forms of political thinking this study challenges much accepted wisdom on the topic arguing that it is to be approached as a cluster of interacting features The Political Theory of Conservative Economists Conrad Waligorski,1990 A study of the political theory that underlies the conservative economic thought of such economists as Milton Friedman James Buchanan and Friedrich Hayek and its implications for public policy The author analyzes the political content of ideas that justify a laissez faire policy **The Political Theory of the Schoolmen and Grotius** John Martin Littlejohn,1894 **Political Theology** Carl Schmitt,2024-05-31 The distinctive theory of sovereignty from one of the most significant and controversial political theorists of the twentieth century Translated and with an introduction by George Schwab Foreword by Tracy B Strong Written in the intense political and intellectual tumult of the early years of the Weimar Republic Carl Schmitt argues in Political Theology that legal order ultimately rests upon the decisions of the sovereign Focusing on the relationships among political leadership the norms of the legal order and the state of political emergency he asserts that only the sovereign can meet the needs of an exceptional time and transcend legal order so that order can then be reestablished Convinced that the state is governed by the ever present possibility of conflict Schmitt theorizes that the state exists only to maintain its integrity in order to ensure order and stability Suggesting that all concepts of modern political thought are secularized theological concepts Schmitt concludes Political Theology with a critique of liberalism and its attempt to depoliticize political thought by avoiding fundamental political decisions The Concept of the Political Hans J. Morgenthau,2012-03-06 A growing interest in the oeuvre of Hans J Morgenthau and in re readings of classical realism increases the significance of his European pre emigration writings in order to understand the work of one of the founding figures of IR This book is the first English translation of Morgenthau s French monograph La notion du politique from 1933 translated by Maeva Vidal *The Politics of Problem Definition* David A. Rochefort,Roger W. Cobb,1994 At the nexus of politics and policy development lies persistent conflict over where problems come from what they signify and based on the answers to those questions what kinds of solutions should be sought Policy researchers call this process problem definition Written for both scholars and students this book explains how and why social issues come to be defined in different ways how these definitions are expressed in the world of politics and what consequences these definitions have for government action and agenda setting dynamics The authors demonstrate in two theoretical chapters and seven

provocative case studies how problem definition affects policymaking for high profile social issues like AIDS drugs and sexual harassment as well as for problems like traffic congestion plant closings agricultural tax benefits and air transportation By examining the way social problems are framed for political discussion the authors illuminate the unique impact of beliefs values ideas and language on the public policymaking process and its outcomes In so doing they establish a common vocabulary for the study of problem definition review and critique the insights of existing work on the topic and identify directions for future research *Towards a Post-Modern Understanding of the Political* A. Bielskis,2005-08-19 While claiming that liberalism is the dominant political theory and practice of modernity this book provides two alternative post modern theoretical approaches to the political Concentrating on Nietzsche s and Foucault s work it offers a novel interpretation of their genealogical projects It argues that genealogy can be applied to analyze different forms of cultural kitsch vis vis the dominant political institutions of consumer capitalism The problem with consumer capitalism is not so much that it exploits individuals but that it fosters cheap human existence saturated with the artefacts of kitsch Contrasting genealogy with hermeneutic philosophy it calls for a renewal of hermeneutics within the Thomistic tradition Studies in the Politics of Aristotle and the Republic of Plato Isaac Althaus Loos,1899 Randolph Bourne and the Politics of Cultural Radicalism Leslie J. Vaughan,1997 Reassesses the short life and career of American essayist critic and founder of cultural radicalism Bourne 1886 1918 known today mostly for his opposition to US military involvement in Europe and warnings about the military industrial complex Vaughan political science U of Minnesota Duluth argues that his stance from outside establishment perspectives was not a retreat from politics as many have claimed but a form of political engagement free from the suppositions that impede genuine debate and democratic change Annotation copyrighted by Book News Inc Portland OR

The Political Discourse of Carl Schmitt Montserrat Herrero,2015-08-06 Carl Schmitt is a key figure in modern political thought but discussion of his work often focuses upon specific elements or themes within his texts This book provides a wide ranging discussion of Carl Schmitt s discourse and provides a new perspective on his contribution presenting the idea of Nomos of the Earth as the key idea that organizes his political and legal discourse This book creates a reverse genealogy of Schmitt s theoretical system starting from his legal and political concept of nomos so as to reconstruct his understanding of order It connects the different topics the Carl Schmitt developed along his intellectual trajectory which have generally been approached in separate ways by scholars the legal theory the concept of the political the theory of international relations and political theology The text considers the whole of Carl Schmitt s work including writings that have been previously unknown to the English speaking academy old journals with just three or four pages newspaper articles manuscripts of conferences and Festschriften It provides a balanced examination of the whole complex of Carl Schmitt s political discourse *The Idea of Democracy in the Modern Era* Ralph Ketcham,2004 Although the last half of the twentieth

century has been called the Age of Democracy the twenty first has already demonstrated the fragility of its apparent triumph as the dominant form of government throughout the world Reassessing the fate of democracy for our time distinguished political theorist Ralph Ketcham traces the evolution of this idea over the course of four hundred years He traces democracy's bumpy ride in a book that is both an exercise in the history of ideas and an explication of democratic theory Ketcham examines the rationales for democratic government identifies the fault lines that separate democracy from good government and suggests ways to strengthen it in order to meet future challenges Drawing on an encyclopedic command of history and politics he examines the rationales that have been offered for democratic government over the course of four manifestations of modernity that he identifies in the Western and East Asian world since 1600 Ketcham first considers the fundamental axioms established by theorists of the Enlightenment Bacon Locke Jefferson and reflected in America's founding then moves on to the mostly post-Darwinian critiques by Bentham Veblen Dewey and others that produced theories of the liberal corporate state He explains late nineteenth century Asian responses to democracy as the third manifestation grounded in Confucian respect for communal and hierarchical norms followed by late twentieth century postmodernist thought that views democratic states as oppressive and seeks to empower marginalized groups Ketcham critiques the first second and fourth modernity rationales for democracy and suggests that the Asian approach may represent a reconciliation of ancient wisdom and modern science better suited to today's world He advocates a reorientation of democracy that de-emphasizes group or identity politics and restores the wholeness of the civic community proposing a return to the Jeffersonian universalism that which informed the founding of the United States if democracy is to flourish in a fifth manifestation The Idea of Democracy in the Modern Era is an erudite interdisciplinary work of great breadth and complexity that looks to the past in order to reframe the future With its global overview and comparative insights it will stimulate discussion of how democracy can survive and thrive in the coming era

Leadership and Politics Bryan D. Jones, 1989 In twelve essays influential scholars in political science explore the meaning of political leadership from the kaleidoscopic perspectives of the leaders institutions goals procedures problems and traditions involved The approaches as varied as the subject itself coalesce around the central question of how leaders interact with transform or are controlled by the organizations they lead

The Political Discourse of Carl Schmitt Montserrat Herrero López, 2015 Carl Schmitt is a key figure in modern political thought but discussion of his work often focuses upon specific elements or themes within his texts This book provides a wide ranging discussion of Carl Schmitt's discourse and provides a new perspective on his contribution presenting the idea of Nomos of the Earth as the key idea that organizes his political and legal discourse This book creates a reverse genealogy of Schmitt's theoretical system starting from his legal and political concept of nomos so as to reconstruct his understanding of order It connects the different topics the Carl Schmitt developed along his intellectual trajectory which have generally been approached in separate ways by scholars the legal theory the concept of the political the theory of international relations and political theology The text

considers the whole of Carl Schmitt's work including writings that have been previously unknown to the English speaking academy old journals with just three or four pages newspaper articles manuscripts of conferences and Festschriften It provides a balanced examination of the whole complex of Carl Schmitt's political discourse ages newspaper articles manuscripts of conferences and Festschriften It provides a balanced examination of the whole complex of Carl Schmitt's political discourse ages newspaper articles manuscripts of conferences and Festschriften It provides a balanced examination of the whole complex of Carl Schmitt's political discourse

The Concepts of Freedom and Equality in the American Constitution Jan Geisler, 2008-12-02 Thesis M A from the year 2003 in the subject American Studies Culture and Applied Geography grade 1 3 Humboldt University of Berlin Philosophische Fakultät II Institut für Anglistik und Amerikanistik language English abstract Als 1791 die US amerikanische Verfassung mit den ersten zehn Zusätzen versehen wurde stellte einer ihrer wichtigsten Grundsätze die Freiheit des Einzelnen dar Um die politische Einheit der Bundesstaaten zu erreichen mußten bereits bei der Ausarbeitung der Verfassung weitreichende Kompromisse eingegangen werden Sie führten letztlich zum Abspalten der Staaten und zu einem Bürgerkrieg Dessen ursprüngliches Motiv war der Erhalt der Union Als Resultat formulieren wir heute die Abschaffung der Sklaverei und die Neuordnung der Vereinigten Staaten auf der Basis von neuen Prinzipien die nicht mehr vordergründig die Freiheit des Einzelnen gegenüber der Regierung betonten sondern die Gleichheit vor dem Gesetz An dieser Stelle setzt das Thema meiner Arbeit an Ziel ist eine Beschreibung der Notwendigkeit eines Paradigmenwechsels von Freiheit zu Gleichheit Vor dem Hintergrund der unterschiedlichen sozialen Situation von Afroamerikanern und Weißen in den Vereinigten Staaten die wie gezeigt wird eine Folge von Sklaverei und Rassentrennung sind wird das Konzept von Freiheit mit dem Konzept von Gleichheit in Beziehung gesetzt Das schließt einen Exkurs in die Ideengeschichte dieser Konzepte und der amerikanischen Verfassung ein Darüber hinaus erfolgt eine Beschreibung der unterschiedlichen Lebenswelten von Weißen und Afroamerikanern damals und heute und eine Analyse der Faktoren die zu dieser Situation führten Einen großen Raum der Arbeit nimmt die Herausbildung und Wahrnehmung der Konflikte ein die sich auf Grund der propagierten Ziele der Revolution und der begrenzten Möglichkeiten zu ihrer Durchsetzung ergaben Sklaverei wird in diesem Zusammenhang als die Institution beschrieben die maßgeblich zur Herausbildung und Wahrnehmung der Konflikte führte Der aktuelle Bezug entsteht durch eine Analyse der Reparationsdebatte wobei speziell eine Klage gegen private Firmen einer genauen Betrachtung unterzogen wird Als wesentliches Ergebnis der Arbeit läßt sich formulieren daß die Gründungsvertreter beim Ausarbeiten der Verfassung die notwendige Einheit der Bundesstaaten der Betonung von Gleichheit für alle Amerikaner vorzogen sogar vorziehen mußten Sie beschworen damit notwendigerweise einen Konflikt herauf der Jahrzehnte später zum Bürgerkrieg führte in dessen Ergebnis die Neuorientierung der Verfassung stand was im Grunde jedoch eine Rückorientierung auf die Werte der Revolution

darstellte *The Concept Of The Political* Cory Turpen, 2021-07-17 The book discusses the War on Terror as seen through the lens of Carl Schmitt's political thought. The author illuminates the changing nature of war especially today's non-governmental revolutionary war. It gives the reader some good intellectual tools to understand both history and the modern world. An eye-opening tool for anyone with a unanimous opinion and in need of clear guidance to improve their preparation.

No Child Left Behind and the Transformation of Federal Education Policy, 1965-2005 Patrick J. McGuinn, 2006 Education is intimately connected to many of the most important and contentious questions confronting American society from race to jobs to taxes and the competitive pressures of the global economy have only enhanced its significance. Elementary and secondary schooling has long been the province of state and local governments but when George W. Bush signed into law the No Child Left Behind Act in 2002 it signaled an unprecedented expansion of the federal role in public education. This book provides the first balanced in-depth analysis of how No Child Left Behind (NCLB) became law. Patrick McGuinn, a political scientist with hands-on experience in secondary education, explains how this happened despite the country's long history of decentralized school governance and the longstanding opposition of both liberals and conservatives to an active reform-oriented federal role in schools. His book provides the essential political context for understanding NCLB, the controversies surrounding its implementation and forthcoming debates over its reauthorization, how the struggle to define the federal role in school reform took center stage in debates over the appropriate role of the government in promoting opportunity and social welfare. He places the evolution of the federal role in schools within the context of broader institutional, ideological, and political changes that have swept the nation since the 1965 Elementary and Secondary Education Act. It chronicles the concerns raised by the 1983 report *A Nation at Risk* and shows how education became a major campaign issue for both parties in the 1990s. McGuinn argues that the emergence of swing issues such as education can facilitate major policy change even as they influence the direction of wider political debates and partisan conflict. McGuinn traces the Republican shift from seeking to eliminate the U.S. Department of Education to embracing federal leadership in school reform, then details the negotiations over NCLB, the forces that shaped its final provisions, and the ways in which the law constitutes a new federal education policy regime against which states have now begun to rebel and that only by understanding the unique dynamics of national education politics will reformers be able to craft a more effective national role in school reform.

Concept Of The Political Introduction

In the digital age, access to information has become easier than ever before. The ability to download Concept Of The Political has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Concept Of The Political has opened up a world of possibilities. Downloading Concept Of The Political provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Concept Of The Political has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Concept Of The Political. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Concept Of The Political. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Concept Of The Political, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Concept Of The Political has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Concept Of The Political Books

1. Where can I buy Concept Of The Political books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
