Concerns Issues In Won Buddhism:

Concerns and Issues in Won Buddhism Bokin Kim, 2000-01-01 The world of Won Buddhism the Great Master described has three realms the spirit of Re creation the morality of Grace and the revival of Buddhism According to this new understanding of our world we are not separated from Buddha Dharma and the Buddha even though we are living in this secular world On the contrary they are present in the very fabric of life Thus where freedom equality and gratitude are fully manifested our everyday common lives take place in the realm of spirituality and holiness There is an increasing need and demand for Won Buddhist resources in the English language It is my hope that the essays in this collection contribute to a greater understanding of the world of Won Buddhism

Korean Americans and Their Religions Ho-Youn Kwon, 2010-11-01 Since 1965 the Korean American population has grown to over one million people These Korean Americans including immigrants and their offspring have founded thousands of Christian congregations and scores of Buddhist temples in the United States In fact their religious presence is perhaps the most distinctive contribution of Korean Americans to multicultural diversity in the United States Korean Americans and Their Religions takes the first sustained look at this new component of the American religious mosaic The fifteen chapters focus on cultural racial gender and generational factors and are noteworthy for the attention they give to both Christian and Buddhist traditions and to both first and second generation experiences The editors and contributors represent the fields of sociology psychology theology and religious ministry and themselves embody the diversities underlying the Korean American religious experience they are Korean immigrants who are leaders in their fields and second generation Korean Americans beginning their careers as well as leaders of both Christian and Buddhist communities Among them are sympathetically analytical outside observers Korean Americans and Their Religions is a welcome addition to the emerging literature in the sociology of new immigrant religious communities and it provides the fullest portrait yet of the Korean religious experience in America

Encounters Sŭng-hye Kim, James W. Heisig, 2008 This book has chapters describing the origins faith and practice of the three main new religions of Korea

Cheondo gyo Daejong gyo and Won Buddhism written by members of each as well as gener The Dharma Master Chŏngsan of Won Buddhism Chongsan,2012-01-01 Won Buddhism emerged in early twentieth century Korea after a long period of anti Buddhist repression It is a syncretic tradition a form of Buddhism strongly influenced by the Ch son dynasty s Neo Confucian ethical heritage and by Daoism Seeking to deliver sentient beings from suffering and to create a just and ethical world Won Buddhism stresses practical application of the dharma and service It offers a vision of people as one family morally perfected This book provides the first English translations of the writings of Ch ngsan 1900 62 the second dharma master of Won Buddhism who codified the new religion s central doctrines The translations here include Ch ngsan s discussion of Buddha nature described as a mind seal and symbolized by the Irw nsang a unitary circle his synthesis of Confucian moral and political programs with Buddhist notions of emancipation from birth and death and his expositions on realizing the ideal of all people as one family *The Wiley-Blackwell Companion to Inter-Religious Dialogue* Catherine Cornille,2020-06-08 This comprehensive volume brings together a distinguished editorial team including some of the field s pioneers to explore the aims practice and historical context of interfaith collaboration Explores in full the background history objectives and discourse between the leaders and practitioners of the world s major religions Examines relations between religions from around the world moving well beyond the common focus on Christianity to also cover over 12 major religions Features a wealth of case studies on contemporary interreligious dialogue Charts a long term shift away from a competitive rivalry between belief systems and a change in focus towards the more respectful cooperative approach reflected in institutions such as the World Council of Churches Includes up to date commentary on the growing dialogue of recent years written by some of the leading figures working in the field of interfaith discourse **Coming to Terms with Chinese Buddhism** Robert H. Sharf,2005-11-30 The issue of sinification the manner and extent to which Buddhism and Chinese culture were transformed through their mutual encounter and dialogue has dominated the study of Chinese Buddhism for much of the past century Robert Sharf opens this important and far reaching book by raising a host of historical and hermeneutical problems with the encounter paradigm and the master narrative on which it is based Coming to Terms with Chinese Buddhism is among other things an extended reflection on the theoretical foundations and conceptual categories that undergird the study of medieval Chinese Buddhism Sharf draws his argument in part from a meticulous historical philological and philosophical analysis of the Treasure Store Treatise Pao tsang lun an eighth century Buddhō Taoist work apocryphally attributed to the fifth century master Seng chao 374 414 In the process of coming to terms with this recondite text Sharf ventures into all manner of subjects bearing on our understanding of medieval Chinese Buddhism from the evolution of T ang gentry Taoism to the pivotal role of image veneration and the problematic status of Chinese Tantra The volume includes a complete annotated translation of the Treasure Store Treatise accompanied by the detailed exegesis of dozens of key terms and concepts **The Age of Global Dialogue** Leonard J. Swidler,2016-11-08 Thinking beyond the

absolutes Christians and other religious persons increasingly find deabsolutized in our modern thought world Swidler reflects on the ways we humans think about the world and its meaning now that increasingly we notice that there are other ways of understanding the world than the way we grew up in In this new situation we need to develop a common language we can use together both to appreciate our neighbors and enrich ourselves what the author calls Ecumenical Esperanto because it should serve as a common language without replacing any of the living languages of our religious and ideological traditions Of course such thinking anew about the world and its meaning must necessarily mean thinking anew about all of our religious beliefs but this time in dialogue

Religions of Korea in Practice Robert E. Buswell Jr., 2018-06-05 Korea has one of the most diverse religious cultures in the world today with a range and breadth of religious practice virtually unrivaled by any other country This volume in the Princeton Readings in Religions series is the first anthology in any language including Korean to bring together a comprehensive set of original sources covering the whole gamut of religious practice in both premodern and contemporary Korea The book's thirty two chapters help redress the dearth of source materials on Korean religions in Western languages Coverage includes shamanic rituals for the dead and songs to quiet fussy newborns Buddhist meditative practices and exorcisms Confucian geomancy and ancestor rites contemporary Catholic liturgy Protestant devotional practices internal alchemy training in new Korean religions and North Korean Juche self reliance ideology an amalgam of Marxism and Neo Confucian filial piety focused on worship of the father Kim Il Sung *Religions of Korea in Practice* provides substantial coverage of contemporary Korean religious practice especially the various Christian denominations and new indigenous religions Each chapter includes an extensive translation of original sources on Korean religious practice accompanied by an introduction that frames the significance of the selections and offers suggestions for further reading This book will help any reader gain a better appreciation of the rich complexity of Korea's religious culture

Makers of Modern Korean Buddhism Jin Y. Park, 2012-02-01 The first book in English devoted exclusively to modern Korean Buddhism this work provides a comprehensive exploration for scholars students and serious readers *Makers of Modern Korean Buddhism* focuses on three key areas Buddhist reform Zen revival and the interrelationship of religion history and politics In Korea the modern period in Buddhism begins in earnest in the late nineteenth century during the closing years of the Chosŏn dynasty which was characterized by a repressive brand of neo Confucianism Buddhist reformers arose to seek change in both Buddhism and Korean society at large The work begins with a look at five of these reformers and their thought and work The Zen revival that began at the end of the nineteenth century is covered from that period to contemporary times through an exploration of the life and thought of important Zen masters The influence of Japanese Buddhist missionaries the emergence of Korean engaged Buddhism known as Minjung Buddhism and the formation of modern Buddhist scholarship in Korea are discussed as well This outstanding collection will be highly valued by the scholarly community for the way it deals comprehensively and insightfully with an important though relatively unexplored topic in the
