Aram Il'ich Khachaturian

Concerto For Violoncello And Orchestra:

Concerto for Violoncello and Orchestra Johannes Brahms, 2005 String This concerto in A minor originally for violin violoncello and orchestra has been arranged for violoncello and orchestra here published in piano reduction **Concerto For Violoncello and Orchestra** William Walton, 1957 **Concerto for violoncello and orchestra in A minor** Robert Schumann, 1995 Robert Schumann's Violoncello Concerto op 129 can be regarded as the first great concerto for this instrument's repertoire It is thus somewhat surprising that this work had an extremely problematic reception history at the outset Schumann wrote the score in 1850 during his Düsseldorf years but there was neither a concrete occasion nor a soloist for a world premiere After its publication more years elapsed before the world premiere It was only towards the end of the 19th century that Schumann's Cello Concerto finally made its breakthrough as a repertoire piece The Urtext edition is based on the original print of the parts and the piano reduction which had still been supervised by Schumann In addition the autograph of the score was consulted for purposes of comparison The internationally renowned soloist Heinrich Schiff took part in the preparation of the present edition for violoncello and piano His experiences have been incorporated into his arrangement of the solo part With his comments Schiff also provides valuable tips on the interpretation of the work Back cover **Concerto, for Violoncello and orchestra** Aram Il'ich Khachaturian, 1948 **Concerto for violoncello and orchestra in E minor, op. 85** Edward Elgar, 2007 *Concerto for violoncello and orchestra* Luigi Boccherini, Julius Berger, 1994 **Concerto for violoncello and orchestra, op. 85** Sir Edward Elgar, 1966 *Concerto in B minor for violoncello and orchestra opus 104 : critical commentary* Jonathan Del Mar, 2011 Concerto for violoncello and orchestra in E minor Edward Elgar, 2007 Eulenburg Audio plus Score The Eulenburg Audio Score Series covers more than 200 years of the world's favorite classical music Each of the 50 volumes consists of a clearly presented and authoritative musical score an informative preface detailing the biographical and creative background and a Naxos CD containing the work in full length Eulenburg Audio Score is the new way to hear read and understand music for everyone from the casual music lover to the expert enthusiast Each volume includes a study score of the music with an informative article and a CD with a complete recording of the featured piece **Concerto for Violoncello and Orchestra, Op. 27 by Paul Wranitzky** Sharon Meilstrup, 2009 The Czech composer Paul Wranitzky 1756 1808 worked primarily in Vienna during the height of musical Classicism He was well respected among the higher artistic circles during his day as a composer violinist and conductor His excellence in conducting was recognized by Haydn and Beethoven His compositions were favored by Empress Marie Therese Despite his contemporary fame and esteem his works are relatively unknown today His works are being revived today bringing these once popular compositions back to the public This thesis presents a critical edition of Wranitzky's cello concerto in C Major appearing for the first time in a scholarly edition This will allow for its study and performance and allow musicologists to determine Wranitzky's influence on Viennese string and orchestral music **Cello Concerto Op.101 D**
