Concise Companion To Shakespeare On Screen

David Livingstone

Concise Companion To Shakespeare On Screen:

A Concise Companion to Shakespeare on Screen Diana E. Henderson, 2008-04-15 This Concise Companion presents a multidisciplinary range of approaches to a vast multimedia subject Shakespeare on screen Draws on the latest thinking in cultural studies communications and comparative media in dialogue with literary theatrical and filmic approaches Organised around themes such as authorship and collaboration theatricality sex and violence globalization and history Offers readers a variety of accessible routes into the subject of Shakespeare on screen Also enables readers to explore fundamental topics in the study of literature and culture more broadly such as the relationships between elite and popular culture art and the marketplace text and image Includes suggestions for further reading a bibliography a filmography a chronology and a thorough index

The Cambridge Companion to Shakespeare on Screen Russell Jackson, 2020-12-17 Lively and up to date critical introductions to a rich range of Shakespeare adaptations for film video and television

Shakespeare on screen : The Henriad Nathalie Vienne-Guerrin (éd.), Sarah Hatchuel (éd.), Filming plays from a tetralogy of history plays implies specific problems and strategies The papers in this volume show that the plays are parts of a series and can hardly be staged or filmed without referring to one another What does the big screen bring to the representation of history battles and national issues When do ideological interpretations stop being triggered by the text itself By deciphering the different ways in which meaning is created and ideology is conveyed whether it be through specific aesthetics performances intertextuality or cultural codes the papers in this volume all take part in the on going exploration of what Shakespeare's contrasting afterlives keep saying not only about the dramatic texts but also about ourselves

The Cambridge Companion to Shakespeare on Film Russell Jackson, 2007-03-29 This companion is a collection of critical and historical essays on the films adapted from and inspired by Shakespeare's plays The emphasis is on feature films for cinema with strong coverage Hamlet Richard III Macbeth King Lear and Romeo and Juliet

Shakespeare on Screen: Romeo and Juliet Victoria Bladen, Sarah Hatchuel, Nathalie Vienne-Guerrin, 2023-12-14 From canonical movies to web series this volume provides fresh insights into the myriad forms of Romeo and Juliet on screen around the world Ranging far beyond the Anglo American sphere the international cast of contributors explore translations adaptations free retellings and appropriations from India France Italy and Japan and demonstrate the constant evolution of technologies in the production reception and dissemination of Shakespeare on screen The volume is complemented by helpful online essays and an extended online film bibliography which guides readers through the often overwhelming range of filmic resources now available providing valuable resources for research and pedagogy

Shakespeare on Screen Sarah Hatchuel, Nathalie Vienne-Guerrin, 2017-04-27 This volume provides up to date coverage of recent screen versions of Shakespeare's plays as well as critical reviews of older canonical films

Shakespeare on Screen: King Lear Victoria Bladen, Sarah Hatchuel, Nathalie Vienne-Guerrin, 2019-09-26 An up to date survey of Shakespeare's King Lear on screen and the aesthetic social and political issues raised by screen versions

Shakespeare on screen : Macbeth Sarah HATCHUEL, Nathalie VIENNE-GUERRIN, Victoria BLADEN, 2013-12-20 This addition to the Shakespeare on Screen series reveals the remarkable presence of Macbeth in the global Shakespearean screenscape What is it about Macbeth that is capable of extending beyond Scottish contexts and speaking globally locally and globally Does the extensive adaptive reframing of Macbeth suggest the paradoxical irrelevance of the original play After examining the evident topic of the supernatural elements the witches and the ghost in the films the essays move from a revisitation of the well known American screen versions to an analysis of more recent Anglophone productions and to world cinema Asia France South Africa India Japan etc Questions of lineage and progeny are broached then extended into the wider issues of gender Finally ballet remediations filmic appropriations citations and mises en abyme of Macbeth are examined and the book ends with an analysis of a Macbeth script that never reached the screen Ce nouvel ouvrage de la série Shakespeare l'écran révèle la présence remarquable de Macbeth dans le paysage filmique shakespearien à l'échelle mondiale Comment expliquer qu'une pièce dont l'intrigue est ancrée dans une nation ait pu être absorbée par des cultures aussi diverses Les multiples adaptations de Macbeth suggèrent-elles de manière paradoxale une moindre pertinence de la pièce originelle Après avoir exploré la représentation des éléments surnaturels les sorcières et le fantôme le volume revisite les films américains canoniques les productions anglophones plus récentes et les versions d'autres aires culturelles Asie France Afrique du Sud Inde Japon etc Les questions de lignée et de descendance sont abordées puis prolongées dans des articles sur la représentation du genre Les versions dans lesquelles les appropriations les citations et les mises en abyme de Macbeth sont ensuite analysées et ce parcours mène à un étrange objet un scénario non film

Shakespeare on Screen: Othello Sarah Hatchuel, Nathalie Vienne-Guerrin, 2015-06-30 An up to date survey of the key themes and debates surrounding screen adaptations and productions of Shakespeare's Othello *Authorizing Shakespeare on Film and Television* L. Monique Pittman, 2011 Authorizing Shakespeare on Film and Television examines recent film and television transformations of William Shakespeare's drama by focusing on the ways in which modern directors acknowledge and respond to the perceived authority of Shakespeare as author text cultural icon theatrical tradition and academic institution This study explores two central questions First what efforts do directors make to justify their adaptations and assert an interpretive authority of their own Second how do those self-authorizing gestures impact upon the construction of gender class and ethnic identity within the filmed adaptations of Shakespeare's plays The chosen films and television series considered take a wide range of approaches to the adaptive process some faithfully preserve the words of Shakespeare others jettison the Early Modern language in favor of contemporary idiom some recreate the geographic and historical specificity of the original plays and others transplant the plot to fresh settings The wealth of extra-textual material now available with film and television distribution and the numerous website tie-ins and interviews offer the critic a mine of material for accessing the ways in which directors perceive the looming Shakespearean shadow and justify their projects Authorizing Shakespeare on Film and Television places these directorial claims alongside the film and

television plotting and aesthetic to investigate how such authorizing gestures shape the presentation of gender class and ethnicity

Screen Adaptations: Shakespeare's Hamlet Samuel Crowl, 2014-03-27 Hamlet is the most often produced play in the western literary canon and a fertile global source for film adaptation Samuel Crowl a noted scholar of Shakespeare on film unpacks the process of adapting from text to screen through concentrating on two sharply contrasting film versions of Hamlet by Laurence Olivier 1948 and Kenneth Branagh 1996 The films socio political contexts are explored and the importance of their screenplay film score setting cinematography and editing examined Offering an analysis of two of the most important figures in the history of film adaptations of Shakespeare this study seeks to understand a variety of cinematic approaches to translating Shakespeare s words words words into film s particular grammar and rhetoric

Shakespeare on screen : Television Shakespeare Nathalie Vienne-Guerrin, Sarah Hatchuel, Television Shakespeare l expression a t elle encore un sens une poque o Shakespeare la t l vision ne se r duit plus la s rie BBC mais est devenu notamment au fil des innovations technologiques un concept de plus en plus hybride porteur d une infinie vari t Ce volume offre au lecteur un examen pr cis d adaptations t l visuelles des pi ces shakespeariennes tout en questionnant les limites poreuses que le 21e si cle fait appara tre entre la t l vision et les autres m dias Shakespeare semblant pouvoir ou devoir se pr ter toutes les m tamorphoses

Shakespeare, Cinema, Counter-Culture Ailsa Ferguson, 2016-06-23 Addressing for the first time Shakespeare s place in counter cultural cinema this book examines and theorizes counter hegemonic postmodern and post punk Shakespeare in late 20th and early 21st century film Drawing on a diverse range of case studies Grant Ferguson presents an interdisciplinary approach that offers new theories on the nature and application of Shakespearean appropriations in the light of postmodern modes of representation The book considers the nature of the Shakespearean inter text in subcultural political contexts concerning the politicized aesthetics of a Shakespearean body in pieces the carnivalesque and notions of Shakespeare as counter hegemonic weapon or source of empowerment Representative films use Shakespeare and his accompanying cultural capital to challenge notions of capitalist globalization dominant socio cultural ideologies and hegemonic modes of expression In response to a post modern culture saturated with logos and semiotic abbreviations many such films play with the emblematic imagery and references of Shakespeare s texts These curious appropriations have much to reveal about the elusive nature of intertextuality in late postmodern culture and the battle for cultural ownership of Shakespeare As there has yet to be a study that isolates and theorizes modes of Shakespearean production that specifically demonstrate resistance to the social political ideological aesthetic and cinematic norms of the Western world this book expands the dialogue around such texts and interprets their patterns of appropriation adaptation and representation of Shakespeare

In Our Own Image: Fictional Representations of William Shakespeare David Livingstone, 2020 This publication looks at fictional portrayals of William Shakespeare with a focus on novels short stories plays occasional poems films television series and even comics In terms of time span the analysis covers the entire twentieth century and ends in the present day The authors

included range from well known figures G B Shaw Kipling Joyce to more obscure writers The depictions of Shakespeare are varied to say the least with even interpretations giving credence to the Oxfordian theory and feminist readings involving a Shakespearian sister of sorts The main argument is that readings of Shakespeare almost always inform us more about the particular author writing the specific work than about the historical personage Shakespeare and the Middle Ages Martha W. Driver, Sid Ray, 2014-01-10 Every generation reinvents Shakespeare for its own needs imagining through its particular choices and emphases the Shakespeare that it values The man himself was deeply involved in his own kind of historical reimagining This collection of essays examines the playwright's medieval sources and inspiration and how they shaped his works With a foreword by Michael Almereyda director of the Hamlet starring Ethan Hawke and dramaturge Dakin Matthews these thirteen essays analyze the ways in which our modern understanding of medieval life has been influenced by our appreciation of Shakespeare's plays Filming Shakespeare in the Global Marketplace M. Burnett, 2007-01-31 This exciting new title investigates the explosion of Shakespeare films during the 1990s and beyond Linking fluctuating Shakespeares with the growth of a global marketplace the dissolution of national borders and technological advances this book produces a fresh awareness of our contemporary cultural moment **Shakespeare for Young People** Abigail Rokison-Woodall, 2015-01-01 The search to find engaging and inspiring ways to introduce children and young adults to Shakespeare has resulted in a rich variety of approaches to producing and adapting Shakespeare's plays and the stories and characters at their heart Shakespeare for Young People is the only comprehensive overview of such productions and adaptations and engages with a wide range of genres including both British and American examples Abigail Rokison covers stage and screen productions shortened versions prose narratives and picture books including Manga animations and original novels The book combines an informative guide to these interpretations of Shakespeare discussed with critical analysis of their relative strengths It also includes extensive interviews with directors actors and writers involved in the projects discussed **Shakespeare's Fans** Johnathan H. Pope, 2019-12-05 This book examines Shakespearean adaptations through the critical lens of fan studies and asks what it means to be a fan of Shakespeare in the context of contemporary media fandom Although Shakespeare studies and fan studies have remained largely separate from one another for the past thirty years this book establishes a sustained dialogue between the two fields In the process it reveals and seeks to overcome the problematic assumptions about the history of fan cultures Shakespeare's place in that history and how fan works are defined While fandom is normally perceived as a recent phenomenon focused primarily on science fiction and fantasy this book traces fans practices back to the eighteenth century particularly David Garrick's Shakespeare Jubilee in 1769 Shakespeare's Fans connects historical and scholarly debates over who owns Shakespeare and what constitutes an appropriate adaptation of his work to online fan fiction and commercially available fan works Screen Adaptations: Shakespeare's King Lear Yvonne Griggs, 2014-09-26 This close study of film adaptations of King Lear looks at several different versions mainstream art house and cinematic

offshoots and discusses the literary text in its historical context key themes and dominant readings of the text how the text is adapted for screen and how adaptations have changed our reading of the original text There are many references to the literary text and screenplays and the book also features quotations from directors and critics There is plenty of discursive material here to support student work on both film and literature courses

Shakespeare's World/world Shakespeares

International Shakespeare Association. World Congress,2008 This collection offers 29 essays by many of the world s major scholars of the extraordinary diversity and richness of Shakespeare studies today It ranges from examinations of the society Shakespeare himself lived in to recent films plays novels and operatic adaptations in Europe Africa Asia Australia and the Middle East

Concise Companion To Shakespeare On Screen Introduction

In today's digital age, the availability of Concise Companion To Shakespeare On Screen books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Concise Companion To Shakespeare On Screen books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Concise Companion To Shakespeare On Screen books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Concise Companion To Shakespeare On Screen versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Concise Companion To Shakespeare On Screen books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Concise Companion To Shakespeare On Screen books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Concise Companion To Shakespeare On Screen books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students.

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Concise Companion To Shakespeare On Screen books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Concise Companion To Shakespeare On Screen books and manuals for download and embark on your journey of knowledge?
