Of the People A Concise History of the United States not only tells the history of America of its people and places of its dealings and ideals but it also unfolds the story of American democracy carefully marking how this country's evolution has been anything but certain from its complex beginnings to its modern challenges This comprehensive survey focuses on the social and political lives of people some famous some ordinary revealing the compelling story of America's democracy from an individual perspective from across the landscapes of diverse communities and ultimately from within the larger context of the world The Concise Edition tells the same great story but with fewer words and images Maintaining the structure the features and maps of the comprehensive edition this concise version has been thoughtfully condensed paragraphs now contain trimmed sentences and a reduced number of examples thus leaving the book's core content and compelling narrative unchanged

A Concise History of Modern Korea Michael J. Seth, 2009-10-15 This comprehensive and balanced history of modern Korea explores the social economic and political issues it has faced since being catapulted into the wider world at the end of the nineteenth century Placing this formerly insular society in a global context Michael J Seth describes how this ancient culturally and ethnically homogeneous society first fell victim to Japanese imperialist expansionism and then was arbitrarily divided in half after World War II Seth traces the postwar paths of the two Koreas with different political and social systems and different geopolitical orientations as they evolved into sharply contrasting societies Considering the radically different trajectories of North and South Korea Seth assesses the insights they offer for understanding modern Korea in global perspective
