The JGirl's Guide Ellen Golub, Penina Adelman, Ali Feldman, Dr. Shulamit Reinharz, 2017-11-28 What does it mean to become a Jewish woman This growing up business isn't always what it's cracked up to be It can be complicated and scary and seem impossibly hard With all the choices and challenges before her how does a girl become a young Jewish woman The JGirl's Guide is a first of its kind book of practical real world advice using Judaism as a compass for the journey through adolescence This newly updated and expanded survival guide for coming of age explores the wisdom and experiences of rabbis athletes writers scholars musicians and great Jewish thinkers This inspiring interactive book can help Jewish girls figure it all out It explores what happens at school and with friends It shows them how to get along better with their families It offers them a chance to hear the voices of other girls going through experiences just like theirs Now's the time when girls are thinking Who am I What do I believe in Who will I become The JGirl's Guide provides Jewish writings traditions and advice that can help **The Jgirl's Guide** Penina Villenchik Adelman, Ali Feldman, Shulamit Reinharz, 2005 The JGirls Guide is an inspirational interactive book designed to help pre-teen Jewish girls address the spiritual educational and psychological issues surrounding coming of age in today's society Topics include Ideals of beauty Friendship Sexuality Dealing with parents Attitudes toward eating Coping with stress and identity C'est Le "Guerre Lucious Conway, 2013-08-18 How many of us have one of those faces You know the kind of face that says to total strangers come and tell me all about it They just start talking to you in the grocery store checkout line about great emotional hurts and hassles they have are having and anticipate suffering in the future They're at the job bending your ear before during and after work And offer to call you later if you're not too busy They're at the church before during and after service laying in wait for you to come their way or in many instances laying in wait to cut you off at the pass as you enter sit and leave service These strangers are even in the county jailhouse How do I know I've been there As an inmate Thus this little book to help you escape the intellectual physical and emotional cells and chains they with your help put you in And so you will know if all the breath you are expending in an effort to talk to God is actually reaching His ears The Concise Code of Jewish Law: A guide to prayer and religious observance in the daily life of the Jew Gerson Appel, 1977 Answering Jewish Objections to Jesus : Volume 2 Michael L. Brown, 2000-11-01 Respectful thoroughly documented answers to twenty-eight of the weightiest theological objections progressively reveal how belief in Jesus is deeply rooted in Jewish concepts and teaching Grafted Robert Keck, 2022-05-31 The purpose of this book is to share a simple guide to what the Torah to guide or teach tells us about living life the way God wishes When I began to study my Hebrew roots I do not believe I am a Jew though I could be the ten tribes of the house of Israel never returned from captivity and assimilated into the societies they were taken to I'm happy to acknowledge that I may only be a stranger that sojourneth among you Exodus 12:49 I could not find a simple list of things that said Do this eat that etc so I wrote this one Jesus admonished the Pharisees for teaching traditions Talmud and obscuring the law Torah

through their religious edicts and practices God said that His Commandments are not difficult but over the centuries Jewish leaders have added to God's statutes as a way of helping the Jewish people to avoid close proximity with sin. The intentions initially were good but the practices became a religion unto themselves and the Jews lost the message of God's love in the endless procedures and rules proscribed by the Talmud. Jesus kept the entire law as did the apostles Paul, Peter, James, Stephen et al. We err when we teach that Christianity is something new. Neither Jesus nor the apostles ever advocated anything new. They remained committed Hebrews all their days and to teach otherwise is not only wrong but also calamitous to our Christian walk. One ordinance shall be both for you of the congregation and also for the stranger that sojourneth with you an ordinance for ever in your generations as ye are so shall the stranger be before the LORD. Numbers 15:15-16. See also Romans 11:16-27. Answering Jewish Objections to Jesus : Volume 4 Michael L. Brown, 2006-12-01. A Jewish person has different objections to Jesus than an atheist yet most apologetics books are geared toward conversing with non-religious people about the gospel. Michael L. Brown, a Jewish believer in Jesus, has been writing popular books on talking with Jews about the Messiah for years. Now he takes those discussions even further with this newest volume of Answering Jewish Objections to Jesus. It focuses on the New Testament and traditional Jewish objections to Jesus, giving believers the important background information they need when discussing matters of faith with people who share many of their beliefs. This book is the perfect starting point for gentile and Jewish Christians who wish to speak intelligently with their Jewish friends or family.

Essential Judaism George Robinson, 2008-06-30. You'll find everything you need to know about being Jewish in this indispensable revised and updated guide to the religious traditions, everyday practices, philosophical beliefs, and historical foundations of Judaism. What happens at a synagogue service? What are the rules for keeping kosher? How do I light the Hanukkah candles? What is in the Hebrew Bible? What do the Jewish holidays signify? What should I be teaching my children about being Jewish? With the first edition of Essential Judaism, George Robinson offered the world the accessible compendium that he sought when he rediscovered his Jewish identity as an adult. In his ambitious and all-inclusive New York Times Book Review guide, Robinson illuminates the Jewish life cycle at every stage and lays out many fascinating aspects of the religion: the Kabbalah and Jewish mysticism, the evolution of Hasidism, and much more, while keeping a firm focus on the different paths to living a good Jewish life in today's world. Now a decade and a half later, Robinson has updated this valuable introductory text with information on topics including denominational shifts, same-sex marriage, the intermarriage debate, transgender Jews, the growth of anti-Semitism, and the changing role of women in worship, along with many other hotly debated topics in the contemporary Jewish world and beyond. The perfect gift for a Bar/Bat Mitzvah or anyone thinking about conversion, this is the ultimate companion for anyone interested in learning more about Judaism. The kind of book its readers will revisit over and over for years to come. **Sha'arei Refuah: Gates of Jewish Healing** Wally Spiegler, 2006. Sha'arei Refuah: Gates of Jewish Healing is the first book of its kind to present the theory and practice of Jewish healing. As more and

more professional health care workers are finding their way into Jewish healing they recognize that the present standards are just not sufficient to enable true and lasting healing Therapists of every kind believe that a more clinical approach is needed to deal with the everyday chronic problems in addition to the life threatening illnesses from which many of us suffer We need a health system that includes spirituality in which we can participate to bring wholeness into our lives The purpose of this book is to provide readers with Jewish thoughts on healing together with practical tools to help overcome illness of every kind Jewish healing is entering a new phase which goes beyond the prevalent standard of bikkur cholim visiting the sick supporting families facing medical crises and comforting mourners □□□□ □□□□□□ □□□ Charles Wengrov,1990

Religion and Contemporary Management Arthur J. Wolak,2016-11-21 Although few might think of Moses as a leader in the contemporary business and political sense Moses is not only among the most significant leaders in Western civilization but is also arguably the quintessential example of a powerful leader from whom much can be learned by anyone entering and occupying leadership positions Various types of leadership approaches are considered that have been advocated by scholars over the past century Moses example as described in the Bible is analyzed to assert why Moses approach makes for an appropriate and compelling form of leadership today While present leadership and management vocabulary might differ from the Hebrew Bible many of the notions advocated by modern leadership theorists appear to parallel major behaviors traits functions experiences and actions ascribed to Moses especially in the first five books of the Hebrew Bible Anyone can view Moses through the lens of a particular religion whether shared or not and still learn considerably from the experience One will find Moses depicted as heroic charismatic and certainly empathic Yet Moses also shows transactional transformational and visionary leadership qualities Hence Religion and Contemporary Management discerns why Moses represents such an important model of effective leadership for contemporary times
