Language and Social History Rajend Mesthrie, 1995 *Muhammad* Robert Spencer, 2024-09-10 Muhammad What can we really know about him We know a great deal about Muhammad or so it seems Islamic tradition contains an astonishing wealth of information about the founding figure of the Islamic faith and most historians take for granted that this material is generally reliable In his latest book historian and Islamic scholar Robert Spencer shows that there is no agreement in the earliest Islamic sources about the most fundamental details of this towering figure s life There are conflicting accounts of key details of his life including the circumstances and contents of the first revelation he claimed to have received from Allah the year of his birth the length of his prophetic career the name of the angel who supposedly appeared to him and even his own name Muhammad A Critical Biography takes a detailed look at the Islamic traditions regarding Muhammad and lays bare their contradictions inconsistencies and incoherence Spencer continues the groundbreaking research he began in *The Truth About Muhammad* and *Did Muhammad Exist* exposing the shocking reality of how shaky Islam s foundations really are He meticulously explains why competing traditions may have been invented and definitively demonstrates that contrary to the complacency of establishment historians the Muhammad of Islam is more legend than history more fable than fact Muhammad A Critical Biography does the work that mainstream academics who are
