Betrayed Joong-Seok Seo, 2007-11-01 Written by Joong Seok Seo an eminent Korean historian and a thinker of rare originality this book examines the tumultuous history of modern Korea from the perspective of nationalism Based on the author s extensive research and wide ranging experience the book goes to the heart of critical questioning about the political uses and abuses of nationalism by the ruling elites of post liberation Korea Indeed Korean Nationalism Betrayed fills a yawning gap in the Western understanding of the authoritarian political structure of South Korea 1948 1988 that manipulated and distorted nationalism by identifying it with ultra right anti communism The author provides a set of thought

provoking and compelling arguments against the assumptions of the Cold War attributing the continued climate of tension and antagonism between the two Koreas to the tenacity of a Cold War mind set He traces the root of the tragedy of national division to the failure of Korean nationalism and puts forward a compelling case for overcoming the legacy of polarized ideological stance based on Cold War ideology and embracing a policy of reconciliation and cooperation by both sides
