dynamics of story telling *Did God Die on the Way to Houston? A Queer Tale* David B. Myers, 2020-07-24 James Friedman a retired philosophy professor living in Houston receives an invitation from a woman identifying herself only as Shekhinah who claims she was once God She wants to talk to him about her decision to abandon heaven for earth Accepting the invitation Friedman encounters a tall ebony skinned twenty three year old same gender loving woman who is wearing a Black Lives Matter t shirt She tells Friedman a creation story about a loving God who at the moment of creation fourteen billion years ago gave up power over the world out of respect for human freedom This view of God is similar to one Friedman has expounded According to Shekhinah to God s horror and surprise countless human beings have misused their freedom to cause massive injustice bigotry genocide cruelty etc and to put the earth itself in peril Powerless as God Shekhinah asserts that the Creator could make a difference in the world only by becoming a human being which meant the death of God God she claims entered the world as a Black Same Gender Loving Woman to divinely affirm three often disrespected identities For reasons she reveals Shekhinah now a socially engaged secular Buddhist chose Houston as the place to partner with others and begin her project of saving a damaged planet and achieving justice for all human beings *Marketization* Himadri Roy Chaudhuri, Russell W. Belk, 2020-05-13 This book critically examines marketization a phenomenon by which market processes are institutionalized and marketing increasingly pervades all areas of our everyday life It presents a number of theories frameworks and empirical studies highlighting how the phenomenon of marketization affects the 21st century consumer The book also contests the traditional understanding of markets offering a more comprehensive treatment of marketization and a fresh perspective on the dynamics of markets and the institutions that control everyday consumption practices This book is an ideal resource for academics reflective practitioners and policy makers interested in formulating appropriate change strategies in the face of the globalization that affects emerging markets so profoundly This well crafted research book is a valuable addition to the sparse literature on theories of marketization The authors refigure the existing theories more broadly and present compelling evidence and insights into market phenomenon such as marginality alternative market forms and consumer identity
