Confederate General From Big Sur:

A Confederate General From Big Sur Richard Brautigan, 2014-09-18 Jesse and Lee share a house owned by a very nice Chinese dentist where it rains in the hall They move to cabins on the cliffs at Big Sur where the deafening croaks of frogs can be temporarily silenced by the cry Campbell's Soup Ultimately we learn how the frogs are permanently silenced and dreams disperse around a fire into 186 000 endings per second In anticipating flower power and the ideals of the Sixties Brautigan's debut novel was at least a decade before its time and remains a weird and brilliant classic **Richard Brautigan's A**

Confederate General from Big Sur, Dreaming of Babylon, and The Hawkline Monster Richard Brautigan, 1991 Three books in the manner of their original editions **Richard Brautigan** John F. Barber, 2014-12-09 Best known for his novel

Trout Fishing in America American writer Richard Gary Brautigan 1935-1984 published eleven novels ten poetry collections and two story collections as well as five volumes of collected work several nonfiction essays and a record album of spoken voice recordings Brautigan's idiosyncratic style and humor caused him to be identified with the counterculture movement of the 1960s The authors of many of these 32 essays knew Brautigan personally and professionally others came to know and respect him through a cultivated connection with his writings The essays many of which are new others of which were published in obscure journals combine personal remembrance of the man and critical appraisal of his still controversial works Includes previously unpublished photographs and artworks **Landscapes of Language: Richard Brautigan's**

Fiction John Tanner, 2013-10-01 In the late 1960s and early 1970s Richard Brautigan was a counter cultural celebrity a writer that the world would be hip just had to read The problem was that his fame did not rest on the considerable literary virtues of his work but to a great extent on a hippie image exemplified by the photograph of him on the cover of his breakthrough novel Trout Fishing in America When nobody wanted tie dye shirts and gurus any more they didn't want Brautigan either Academics have followed the public's lead this is the first book length study of Brautigan in English for 30 years Its purpose is to reclaim Brautigan's reputation Dr John Tanner analyses Brautigan's fiction against the background of the cultural and literary upheavals from which it emerged and demonstrates that Brautigan is no mere Sixties curio but an innovative and vibrant American voice ignored for far too long **Funny Thing About the Civil War** Thomas F. Curran, 2023-07-14

Examining humor in depictions of the Civil War from the war years to the present this review covers a wide range of literature film and television in historical context Wartime humor served as a form of propaganda to render the enemy and their cause laughable but also to help people cope with the human costs of the conflict After the war many authors and later movie and television producers employed humor to shape its legacy perpetuating myths and stereotypes that became ingrained in American memory Giving attention to the stories behind the stories the author focuses on what people laughed at who they laughed with and what it reveals about their view of events **From Modernism to Postmodernism** Gerhard

Hoffmann, 2016-08-01 This systemic study discusses in its historical cultural and aesthetic context the postmodern American

novel between the years of 1960 and 1980 A general overview of the various definitions of postmodernism in philosophy cultural theory and aesthetics provides the framework for the inquiry into more specific problems such as the broadening of aesthetics the relationship between aesthetics and ethics the transformation of the artistic tradition the interdependence between modernism and postmodernism and the change in the aesthetics of fiction Other topics addressed here include situationalism montage the ordinary and the fantastic the subject and the character the imagination comic modes and the future of the postmodern strategies The authors whose fiction is treated in some detail under the various aspects thematized are John Barth Donald Barthelme Richard Brautigan Robert Coover Stanley Elkin Raymond Federman William Gaddis John Hawkes Jerzy Kosinski Thomas Pynchon Ishmael Reed Ronald Sukenick and Kurt Vonnegut *A Literary History of the American West* Western Literature Association (U.S.),1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance *Encyclopedia of the American Novel* Abby H.
