

CONFEDERATE RAIDER

RAPHAEL SEMMES
OF THE *ALABAMA*

John M. Taylor

Confederate Raider Raphael Semmes Of The Alabama

Michael Bonner, Peter McCord

Confederate Raider Raphael Semmes Of The Alabama:

Wolf of the Deep Stephen R. Fox, 2007 Entertaining and highly informative this book is at once an account of the overlooked naval side of the Civil War an intimate portrait of life at sea and an overdue appreciation of Raphael Semmes a great naval commander

Confederate Raider John M. Taylor, 1994 Confederate Raider is the enthralling story of the Civil War as fought on the high seas by Raphael Semmes the Confederacy's most famous and revered naval officer Yet many of his Northern contemporaries considered the Yankee hating Semmes nothing more than a pirate In either guise Semmes commanded the most successful sea raider of all time the C S S Alabama During a two year cruise she took nearly a hundred Federal merchant vessels out of the war and became a household word on both sides of the Mason Dixon Line Her final battle off the coast of France against the U S S Kearsarge was an epic clash befitting the last one on one duel of wooden ships A commander who carried out his mission without being able to bring his ship into a Southern port and whose crew had no allegiance to the Confederacy Semmes is a brilliant and compelling figure in American military history

The Confederate Raider, Alabama Raphael Semmes, 1969 *Raphael Semmes: Captain of the Confederate Raider Alabama (Annotated)* Colyer Meriwether, 2016-12-07 The only American to ever have held the ranks of admiral and general at the same time Rear Admiral Raphael Semmes is best known as the commander of the Confederate raider Alabama During his time commanding that ship a record 65 U S merchant ships were captured by his crew and the Union warship Hatteras was sunk Ranging the Atlantic the Gulf of Mexico the Pacific and the Europe from August 1862 to June 1864 the much despised Alabama was a sought after target for U S warships The U S ship Kearsarge finally caught up with the Alabama off France on June 19 1864 She was destroyed and her crew along with Semmes was captured This is the story of Semmes career before during and after the American Civil War

Leaders of the American Civil War Charles F. Ritter, Jon L. Wakelyn, 2014-01-27 Provides an overview of the careers of the great military leaders and the critical political leaders of the American Civil War Entries consider the leader's character and pre war experience their contributions to the war effort and the war's impact on the rest of their lives An assessment of their historical treatment puts their long term reputations on the line and results in a thorough revision of some leaders a call for further study of others and a reaffirmation of the accomplishments of the greatest leaders

The ^AOxford Encyclopedia of the Civil War William L. Barney, 2011-08-01 A gold mine for the historian as well as the Civil War buff The Oxford Encyclopedia of the Civil War offers a concise comprehensive overview of the major personalities and pivotal events of the war that redefined the American nation Drawing upon recent research that has moved beyond battles and military campaigns to address the significant roles played by civilians women and African Americans the 250 entries explore the era in all its complexity and unmistakable human drama

Kidnapped at Sea Andrew Sillen, 2024-10-08 The true story of David Henry White a free Black teenage sailor enslaved on the high seas during the Civil War whose life story was falsely and intentionally appropriated to advance the Lost Cause trope of a contented slave happy

and safe in servility David Henry White a free Black teenage sailor from Lewes Delaware was kidnapped by Captain Raphael Semmes of the Confederate raider Alabama on October 9 1862 from the Philadelphia based packet ship Tonawanda White remained captive on the Alabama for over 600 days until he drowned during the Battle of Cherbourg on June 19 1864 In a best selling postwar memoir Semmes falsely described White as a contented slave who remained loyal to the Confederacy In Kidnapped at Sea archaeologist Andrew Sillen uses a forensic approach to describe White s enslavement and demise and illustrates how White s actual life belies the Lost Cause narrative his captors sought to construct Kidnapped at Sea is the first book to focus on White s actual life rather than relying on Semmes and other secondary sources Until now Semmes s appropriation of White s life has escaped scrutiny thereby demonstrating the challenges faced by disempowered illiterate people and how well crafted racist fabrications have become part of Civil War memory

The American Experience in World War II: The atomic bomb in history and memory Walter L. Hixson, 2003 World War II changed the face of the United States catapulting the country out of economic depression political isolation and social conservatism Ultimately the war was a major formative factor in the creation of modern America This unique twelve volume set provides comprehensive coverage of this transformation in its domestic policies diplomatic relations and military strategies as well as the changing cultural and social arenas The collection presents the history of the creation of a super power prior to during and after the war analyzing all major phases of the U S involvement making it a one stop resource that will be essential for all libraries supporting a history curriculum This volume is available on its own or as part of the twelve volume set The American Experience in World War II For a complete list of the volume titles in this set see the listing for The American Experience in World War II ISBN 0 415 94028 1

The Union Blockade in the American Civil War Michael Bonner, Peter McCord, 2023-08-18 Winner of the 2021 John Lyman Book Award from the North American Society for Oceanic History Swashbuckling stories of the Union naval blockade of the Southern states and the blockade runners who smuggled goods to the Confederacy have long been a part of the romanticized image of the Civil War Throughout the war Lincoln s blockade and attempts to breach it touched nearly every aspect of the war effort The Union prevented crucial material from reaching Confederate forces while blockade runners smuggled hundreds of thousands of guns to rebel armies No other military campaign lasted as long or had as many long term consequences on the outcome of the Civil War Covering more than three thousand miles of Southern coastline and employing the services of 100 000 sailors the blockade was a massive undertaking largely dictated by two Atlantic powers Great Britain and the United States Michael Bonner and Peter McCord build on the extensive scholarship of the blockade and incorporate previously unexamined British primary sources to deliver a fresh analysis of the Union blockade blockade running and a reassessment of the blockade s effectiveness Their multifaceted study reassesses several key aspects of a critical component of Union strategy including diplomatic and legal issues and the significance of the Confederacy s reliance on European supplies to sustain the war effort The authors present statistics

showing that the blockade was not nearly as effective as is commonly believed moreover its successes against steam powered blockade runners actually decreased as the war went on The diversity and comprehensiveness of coverage makes The Union Blockade in the American Civil War an essential work for Civil War historians and students **The Civil War in Books**

David J. Eicher,1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in The Civil War in Books the 1 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1 2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher s mammoth undertaking are indexed by author or editor and by title Gary Gallagher s foreword traces the development of Civil War bibliographies and declares that Eicher s annotation exceeds that of any previous comprehensive volume The Civil War in Books Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher s The Civil War in Books is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since The Civil War Day by Day will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs **American Naval History, 1607-1865** Jonathan R. Dull,2012-12-01 For its first eighty five years the United States was only a minor naval power Its fledgling fleet had been virtually annihilated during the War of Independence and was mostly trapped in port by the end of the War of 1812 How this meager presence became the major naval power it remains to this day is the subject of American Naval History 1607 1865 Overcoming the Colonial Legacy A wide ranging yet concise survey of the U S Navy from the colonial era through the Civil War the book draws on American British and French history to reveal how navies reflect diplomatic political economic and social developments and to show how the foundation of America s future naval greatness was laid during the Civil War Award winning author Jonathan R Dull documents the remarkable transformation of the U S Navy between 1861 and 1865 thanks largely to brilliant naval officers like David Farragut David D Porter and Andrew Foote visionary politicians like Abraham Lincoln and Gideon Welles and progressive industrialists like James Eads and John Ericsson But only by understanding the failings of the antebellum navy can the accomplishments of Lincoln s navy be fully appreciated Exploring such topics as delays in American naval development differences between the U S and European fleets and the effect that the country s colonial past had on its naval policies Dull offers a new perspective on both American naval history and the history of the developing republic **Secret History of Confederate Diplomacy Abroad** Edwin De Leon,2005 One of the South s most urgent priorities in the Civil War was obtaining the recognition of

foreign governments Edwin De Leon a Confederate propagandist charged with wooing Britain and France opens up this vital dimension of the war in the earliest known account by a Confederate foreign agent First published in the New York Citizen in 1867 68 De Leon s memoir subsequently sank out of sight until its recent rediscovery by William C Davis one of the Civil War field s true luminaries Both reflective and engaging it brims with insights and immediacy lacking in other works covering everything from the diplomatic impact of the Battle of Bull Run to the candid opinions of Lord Palmerston to the progress of secret negotiations at Vichy De Leon discusses among other things the strong stand against slavery by the French and a frustrating policy of inaction by the British as well as the troubling perceptions of some Europeans that the Confederacy was located in South America and that most Americans were a cross between Davy Crockett and Sam Slick With France s recognition a priority De Leon published pamphlets and used French journals in a futile attempt to sway popular opinion and pressure the government of Napoleon III His interpretation of the latter s meeting with Confederate diplomat John Slidell and the eventual mediation proposal sheds new light on that signal event De Leon was a keen observer and a bit of a gossip and his opinionated details and character portraits help shed light on the dark crevices of the South s doomed diplomatic efforts and provide our only inside look at the workings of Napoleon s court and Parliament regarding the Confederate cause Davis adds an illuminating introduction that places De Leon s career in historical context reveals much about his propagandist strategies and traces the history of the Secret History itself Together they open up a provocative new window on the Civil War

The Civil War Abroad Charles Priestley, 2022-05-11 The impact of the Civil War was felt far beyond American shores Many sites associated with the war remain in Britain and France the two countries most affected and traces of it can still be found in such unlikely places as Sweden and Turkey Both Union and Confederate agents sought support overseas aided by local sympathizers Some Victorian Britons despite their disdain for slavery saw the South as an incipient nation struggling for recognition like the Italians or the Poles but linked to Britain by ties of blood language and history The sinking of the CSS Alabama by the USS Kearsarge off Cherbourg brought the war to the European coastline Ten years after Appomattox veterans from both North and South found themselves on the same side in the Egyptian army Drawing on a wide range of sources this book examines the international side of the Civil War

[Pirates & Patriots, Tales of the Delaware Coast](#) Michael Morgan, 2005 Libraries archives and museums reveal clues to the colorful characters lining the history of Delaware from its earliest colonial days to the invention of the beach resort and the founding of the nation s Summer Capital to World War II and the present Author Michael Morgan brings together this kaleidoscopic view of the men of the sea and the beachfront tycoons who shaped Delaware and its role in the development of America in war politics and business from the Europeans arrival at Cape Henlopen until modern times While the intrepid patriot Henry Fisher and the infamous serial killer Patty Cannon are not known beyond the boundaries of southern Delaware others such as William Penn Captain Kidd and the DuPonts enjoy more widespread reputations Here tales of shipwrecks and rumrunners combine with the politics of slavery

and suffrage to illuminate the history of one corner of the United States a microcosm that synthesizes light on various facets of the development of the United States in a broader context Michael Morgan pens a weekly column Delaware Diary in the Delaware Coast Press and has authored many stories for The Baltimore Sun Maryland Magazine Civil War Times Illustrated America s Civil War and other periodicals for the past 15 years He is a frequent guest speaker at historical societies in Lewes Georgetown and other towns along the Delaware coast

The Civil War and Reconstruction William L.

Barney,2010-04-10 The Civil War was the most devastating event in U S history in which over half a million Americans paid for their beliefs with their lives The heroic battles harrowing marches and military genius of generals on both sides still inspire books movies and the imaginations of Civil War buffs Less obvious are the economic political social and cultural repercussions of the war which continue to influence American life Reconstruction and the end of slavery brought deep seated problems to the reunited nation This single volume encyclopedia includes 245 entries on all facets of the conflicted era It features articles on Battles and campaigns Gettysburg Shiloh Sherman s March to the Sea Culture music photography religion Economic affairs cost of the war gold Richmond Bread Riot Foreign affairs France Great Britain Laird rams Health and welfare disease medicine prisons Ideologies federalism free labor ideology Legislative landmarks 14th Amendment Fugitive Slave Act of 1850 Wade Davis bill Military terms strategy and weaponry cavalry rifles tactics Minorities black suffrage emancipation Native Americans Political events and organizations Constitutional Union party election of 1860 fire eaters Prominent individuals Clara Barton Frederick Douglass Robert E Lee Abraham Lincoln Walt Whitman Social reform abolitionism women s rights movement Women nurses women in the war individual women More than 200 black and white illustrations including over a dozen maps complement the entries A list of selected Civil War museums and historic sites suggestions for further reading recommended websites and a chronology of the war round out this essential resource Oxford s Student Companions to American History are state of the art references for school and home specifically designed and written for ages 12 through adult Each book is a concise but comprehensive A to Z guide to a major historical period or theme in U S history with articles on key issues and prominent individuals The authors distinguished scholars well known in their areas of expertise ensure that the entries are accurate up to date and accessible Special features include an introductory section on how to use the book further reading lists cross references chronology and full index

Civil War and Reconstruction Rodney P. Carlisle,2014-05-14 Portrays the American Civil War and its aftermath through such primary sources as memoirs diaries letters contemporary journalism and official documents

In the Shadow of the Great War Pasquale De Marco,2025-08-10 In the Shadow of the Great War provides a comprehensive and balanced account of the American Civil War from its causes and outbreak to its bloody battles and ultimate conclusion Drawing on a wide range of sources including eyewitness accounts military records and historical scholarship the book offers a detailed and nuanced account of the war s major events and its impact on the nation While the book focuses primarily on the military and political

aspects of the war it also explores the social economic and cultural changes that the war brought about The book examines the experiences of soldiers and civilians alike and it explores the ways in which the war transformed the lives of Americans from all walks of life In addition to providing a detailed narrative of the war the book also offers a critical analysis of the major historiographical debates surrounding the conflict The book explores the different interpretations of the war s causes conduct and consequences and it provides a balanced assessment of the strengths and weaknesses of each interpretation By engaging with the latest scholarship on the Civil War the book provides readers with a cutting edge understanding of this important topic The book is essential reading for anyone interested in American history the Civil War or the enduring legacy of this conflict Pasquale De Marco is a historian specializing in the American Civil War He has written extensively on the war s military political and social aspects His work has appeared in a variety of academic journals and popular publications If you like this book write a review

[Memoirs of Service Afloat, During the War Between the States](#) Raphael Semmes, 2012-05-13

[Memoirs of Service Afloat During the War Between the States](#) chronicles the American Civil War as seen by Confederate General and Admiral Raphael Semmes Perhaps best remembered for his famous and devastating cruise onboard the raider CSS Alabama Semmes recounts how the tiny Confederate Navy almost brought Union shipping to its knees Semmes provides an important historical perspective in his defense of the South and secession
