Steere, 2009-05-26 Rediscovering Confession is about recovering the experience of confession in danger now of becoming a lost art It identifies four elements present in psychotherapy and confession a state of heightened self awareness a growing realization that our predicament points in some meaningful direction beyond itself the necessity to make a relevant response to our situation and a potential for spiritual encounter that accompanies the process Each chapter contains a section devoted to practice with exercises for individual contemplation and experimentation guidelines for forming a confessional partnership directions for conducting discussions in a study group and ways to organize a small confessional group **The Fitz-Boodle papers, including the Confessions, Men's wives, etc** William Makepeace Thackeray, 1886

Male Confessions Björn Krondorfer, 2009-12-03 Male Confessions examines how men open their intimate lives and thoughts to the public through confessional writing This book examines writings by St Augustine a Jewish ghetto policeman an imprisoned Nazi perpetrator and a gay American theologian that reflect sincere attempts at introspective and retrospective self investigation often triggered by some wounding or rupture and followed by a transformative experience Krondorfer takes seriously the vulnerability exposed in male self disclosure while offering a critique of the religious and gendered rhetoric employed in such discourse The religious imagination he argues allows men to talk about their intimate flawed and sinful selves without having to condemn themselves or to fear self erasure Herein lies the greatest promise of these confessions by baring their souls to judgment these writers may also transcend their self imprisonment *The Priest the Woman and the Confessional* Chiniquy, 2025-08-18 Reprint of the original first published in 1875 The Antigonos
