Ark Baby Liz Jensen, 1998 As a result of pollution fertility in Britain declines to the point where married couples adopt monkeys as children Various experiments are launched to boost the population including coupling between humans and monkeys By the author of *Egg Dancing* *Remember* Susan Robb, 2023-12-19 Remember the God who remembers us God's covenants throughout the Old Testament show the character of God's promises to the people of Israel In this book Susan Robb leads readers through the covenants with Noah Abraham Moses and David followed by the new covenant established on Maundy Thursday The Lenten story culminates with an examination of the cross as another example of God's promise for a new world Susan Robb teaches readers the basic lessons of the covenants through a mixture of biblical history and personal stories Her pastoral character and warm tone provide a basis for understanding God's promises through history and the role of Jesus's passion and crucifixion in the history of the covenants *Remember* can be read alone or used for a six week group study and church wide Lenten program Components include a comprehensive Leader Guide and video teaching sessions featuring Susan with closed captioning

The Otherworlds of Liz Jensen Helen Esther Mundler, 2016 The first study of one of the most innovative of contemporary novelists Liz Jensen and of the otherworlds in her fiction Liz Jensen a British author of eight novels is among today's most innovative writers Her literary thrillers occupy the terrain between realism and science fiction This first study of Jensen centers on the very diverse otherworlds she creates in each of her novels which can consist of an indeterminate space of ontological instability a zone in which real and unreal converge to destabilize the realist text as in *Egg Dancing* 1995 and *The Ninth Life of Louis Drax* 2004 In other novels the otherworld relies on defamiliarization thus in *War Crimes for the Home* 2002 the experience of war is transformed by being seen from a woman's perspective In still other cases the otherworld spans the novel's entire topos as in *The Paper Eater* 2000 the full blown utopia at the center of Jensen's oeuvre Jensen's work approaches contemporary social issues such as religious fundamentalism ecological disaster and assisted procreation Simultaneously it displays a number of characteristics of erudite fiction including self reflexivity inter and intratextual reference parody pastiche and burlesque Notwithstanding the popular elements of Jensen's work Helen E Mundler's study adopts a rigorously academic approach to it referencing canonical works but also more innovative texts particularly by contemporary women writers as points of comparison Helen E Mundler is Senior Lecturer in English Studies at UPEC Universit Paris Est Crteil with a research affiliation at the Universit Paris X Nanterre La Dfense

Strong and Influential Women Dianne Ledbetter, 2025-07-10 The title of my book came about after teaching a young girls Sunday school class We studied strong and influential women in the Bible When I retired I really wanted to teach a women's Bible study After several years that did not come to fruition I woke up early one Sunday morning and the thought came to me Write a book about strong and influential women in the Bible I had never thought about writing a book I immediately googled Christian publishing companies I immediately saw Christian Faith Publishing and sent an email

explaining that I would like to write a book By Sunday morning I had received an email back thanking me for contacting the company and that someone would call me Monday morning I received that phone call on Monday morning and the rest is history This book was meant to be With God s help I tried to relate how modern day women face some of the same trials that early biblical women faced Those early biblical women remained strong as women today remain strong Don t ever doubt the strength of a woman especially when she is determined to succeed no matter the obstacle I pray that reading this book will give hope to those who are in need of hope Hope comes through the forgiving grace of our Heavenly Father and His Son Jesus Christ I encourage men to also read this book I believe you will learn a lot that you did not know about women of old as well as women today

The Baby's Mission; Or, a Thought for Mothers. By Beta ,1871 **Jeroboam's Wife** Robin Gallaher Branch,2018-04-24 Much has been written about prominent women of the Bible such as Sarah Ruth and Esther But little attention has been paid to the obscure or unnamed women of the Old Testament whose words are not recorded Yet even while mute these women often played critical roles in the unfolding of God s plan at times signaling the emergence of great events In Jeroboam s Wife Robin Gallaher Branch introduces seven of these obscure yet noteworthy women and girls Through her careful examination of the literary contours of the biblical narratives she highlights their unique challenges and indelible contributions Drawing from contemporary biblical psychological and sociological scholarship Branch brings these women and their stories to life in fresh ways Thoughtful questions for personal reflection or group discussion help contemporary readers ponder how these women s lives are still relevant

Womanhood in Anglophone Literary Culture: Nineteenth and Twentieth Century Perspectives will be of special interest to students and faculty of women's studies and literature written in the English language.

Science and Religion in Neo-Victorian Novels John Glendening, 2013-04-17 Criticism about the neo-Victorian novel, a genre of historical fiction that reimagines aspects of the Victorian world from present-day perspectives, has expanded rapidly in the last fifteen years but given little attention to the engagement between science and religion. Of great interest to Victorians, this subject often appears in neo-Victorian novels including those by such well-known authors as John Fowles, A.S. Byatt, Graham Swift, and Matthew Kneale. This book discusses novels in which nineteenth-century science, including geology, paleontology, and evolutionary theory, interacts with religion through accommodations, conflicts, and crises of faith. In general, these texts abandon conventional religion but retain the ethical connectedness and celebration of life associated with spirituality at its best. Registering the growth of nineteenth-century secularism and drawing on aspects of the romantic tradition and ecological thinking, they honor the natural world without imagining that it exists for humans or functions in reference to human values. In particular, they enact a form of wonderment, the capacity of the mind to make sense of, creatively adapt, and enjoy the world out of which it has evolved, in short, to endow it with meaning. Protagonists who come to experience reality in this expansive way release themselves from self-anxiety and alienation. In this book, Glendening shows how, by intermixing past and present fact and fiction, neo-Victorian narratives with a few instructive exceptions manifest this pattern.

All Quiet Along the Potomac Ethel Lynn Beers, Mrs. Ethelinda Elliot Beers, 1879 **Moses' Women** Shera Aranoff Tuchman, Sandra E. Rapoport, 2008 The complete story of the man Moses, history's premier prophet, lawgiver, and religious heroic figure, cannot be told without an understanding of the women in his life. The Bible tells us that Moses was born to Yocheved, daughter of Levi, third son of the Hebrew patriarch Jacob. He was watched over by his sister Miriam, drawn from the Nile waters by Batya, daughter of the Egyptian Pharaoh, raised as Egyptian royalty, and married to Zipporah, daughter of the high priest of Midian. But there is more depth to these women's lives than what appears in the sparse biblical text, and it is the Jewish biblical commentaries who unveil these layered nuances. This book draws upon these sources and recounts how the Hebrew midwives resisted carnal intimidation by the Egyptian Pharaoh, what occurred between Moses, Zipporah, and the angel of death that night in the desert, why Moses abandoned Zipporah, how Miriam championed her sister-in-law Zipporah, and was punished for it, and the identity of Moses' mysterious Kushite woman. Moses' Women weaves

these biblical narratives and the commentaries into a chronicle of the women who reared Moses bore his children advised him and intervened to save him time and again when his very life was trembling in the balance **BOOK JACKET** **Meeting Jesus Through the Jesse Tree** Anne Neuberger, 2013-07-18 *Nobody Ever Told Me (or My Mother) That!* Diane Bahr, 2010 Advice on feeding and exercises to assist the development of babies mouth and facial muscles to ensure language development good mouth structure and movement **Confessions of a Poet** Frederick William Orde Ward, 1894
