**The Threshold** Kingsley L. Dennis, 2025-10-28 Explore the darker hinterlands of a world accelerating into a full blown immersion of techno materialism and its consequences for the human condition In an exceedingly relevant analysis of the modern technological world Kingsley Dennis demonstrates that humanity is rushing headlong towards a critical and decisive moment for human civilisation which he terms the Threshold where the trajectory for human evolution is facing counter evolutionary forces that not only reject the path of the human spirit but aim to sabotage our connection to it The Threshold brings the reader face to face with the intensifying issues of technocracy transhumanism AI theology and false transcendence and the re defining of the biological human condition Also examined are themes of reality distortion nihilism planetary re shaping and environmental modification neo gnosticism the sacred and the profane and the task of evil in our current times Dennis explains that humanity is currently experiencing intense times for these years are a precursor to the critical threshold where the future for humankind will be decided Humanity both collectively and individually will need to choose between a future of deepening profane materialism what the author calls the will to technology or a life that recognises the presence of metaphysical truths and the rising capacities of spirit consciousness At this time unlike any other in known history in which the planet is engaged in a struggle for the presence of the human soul upon the Earth Kingsley Dennis thought provoking prose offers a fresh perspective on the future of humanity
