examination of their role and tastes is another fascinating feature of this publication The book and accompanying exhibition reunite paintings that have long been dispersed introducing contemporary viewers to a group of bold and evocative works which had a wide ranging though little recognized influence on modern art As the book s authors argue the aesthetic embodied by these works indeed helped set the stage for the large non narrative paintings by artists as diverse as Rothko and Lichtenstein that came to dominate the avant garde after World War II BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Armand Hammer Collection** Albright-Knox Art Gallery,1978
