Arms And The Enlisted Woman:

Arms And The Enlisted Woman Judith Stiehm, 1989-12-04 This book is about America's most unknown soldiers enlisted women in the Army Air Force Navy and Marines Focusing on the decade from 1972 to 1982 Judith Stiehm uses personal narratives interviews policy statements and other material to explore the experience of American women in the military their reasons for enlisting their roles their self image and the way they are viewed by civilians Although there are now more than 200 000 women in uniform Stiehm asks why the policies concerning enlisted women so often appear to fly in the face of both logic and evidence Her analysis of the effects of change in military policy on women of different ranks and ages reveals how certain functional myths e g war is manly are challenged by the presence of women The result has been an uneasy accommodation Arms and the Enlisted Woman includes a vivid first person account by a female veteran of one woman's experience in the Air Force Honorably discharged as a Staff Sergeant after six years of working as an airplane mechanic this woman describes the struggle to be taken seriously and treated equally and to excel in a non traditional field She also relates the joys of seeing a job well done and being part of a cohesive team Her mixed reaction to her military career epitomizes the difficulty with which enlisted women have been assimilated Stiehm also analyzes the rapidly shifting military policies concerning women as well as the reasons for certain erroneous but persistent beliefs about them and remarks One thing seems to be certain To the professional military the enlisted woman is a raw nerve

Women in the Barracks Philippa Strum, 2002-04-24 In June 2001 there was a decidedly new look to the graduating class at Virginia Military Institute For the first time ever the line of graduates who received their degrees at the West Point of the South included women who had spent four years at VMI For 150 years VMI had operated as a revered state funded institution an amalgam of Southern history military tradition and male bonding rituals and throughout that long history no one had ever questioned the fact that only males were admitted Then in 1989 a female applicant complained of discrimination to the Justice Department which brought suit the following year to integrate women into VMI In a book that poses serious questions about equal rights in America Philippa Strum traces the origins of this landmark case back to VMI's founding its evolution over fifteen decades and through competing notions about women's proper place Unlike most works on women in military institutions this one also provides a complete legal history from the initial complaint to final resolution in *United States v Virginia* and shows how the Supreme Court's ruling against VMI reflected changing societal ideas about gender roles At the heart of the VMI case was the rat line a ritualized form of hazing geared toward instilling male solidarity VMI claimed that its system of toughening individuals for leadership was even more stringent than military service and that the system would be destroyed if the Institute were forced to accommodate women Strum interviewed lawyers from Justice and VMI heads of concerned women's groups and VMI administrators faculty and cadets to reconstruct the arguments in this important case She was granted interviews with both Justice Ginsburg author of the majority opinion and Justice Scalia the lone dissenter on the bench and

meticulously analyzes both viewpoints She shows how Ginsburg's opinion not only articulated a new constitutional standard for institutions accused of gender discrimination but also represented the culmination of gender equality litigation in the twentieth century *Women in the Barracks* is a case study that combines both legal and cultural history reviewing the long history of male elitism in the military as it explores how new ideas about gender equality have developed in the United States It is an engrossing story of change versus tradition clear and accessible for general readers yet highly instructive and valuable for students and scholars Now as questions continue to loom concerning the role of state funding for single sex education Strum's book squarely addresses competing notions of women's place and capabilities in American society

Arms and the Woman Kate Muir, 1992 The pros and cons of women in the military especially in the front lines with both British and American soldiers reactions to women's service Mixed-gender basic training: The U.S. Army Experience, 1973-2004 , This volume is an account of the many currents some ongoing that informed the Army's struggle to design a basic training course acceptable to the nation's civil and military leadership the general public various special interest groups and the young men and women undergoing their first experience as soldiers Employs a mixture of topical and chronological organization The major focus is on the period from 1973 to 2004 Tells the Army's story of mixed gender training at the initial entry level Professional Journal of the United States Army , 1992-07 **The Women's Army Corps, 1945-1978** Bettie J. Morden, 1990 The Women's Army Corps makes a significant contribution to women's history and the history of the Army Bettie J Morden weaves the ideas and moral attitudes that existed in the middle decades of the twentieth century to chronicle thirty three years of WAC history from V J Day 1945 to 20 October 1978 when the Women's Army Corps was abolished by Public Law 95 584 and discontinued by Department of the Army General Order 20 with the WAC officers assimilated into the other branches of the Army except the combat arms For the most part taking a chronological approach Morden focuses on the interaction of plans decisions and personalities that affected the WAC directors as they pushed and prodded the Army the Department of Defense and Congress to achieve Regular Army and Reserve status military credit for Women's Army Auxiliary Corps service and promotion above the grade of lieutenant colonel The early WAC directors according to Morden had the task of fighting for progress and equity whereas their successors fought a losing battle to keep entry standards high and to retain the corps separate status She provides readers with a comprehensive picture of WAC growth and development and the transformation in the status of Army women brought by the advent of the all volunteer Army and the women's rights movement of the seventies **Her War Story** Sayre P. Sheldon, 1999 This volume contains writings of or about war from the following authors Nina Macdonald Rebecca West Vera Brittain Edith Wharton Mary Borden Ellen La Motte Colette Helen Zenna Smith Dorothy Canfield Fisher Amy Lowell Willa Cather Mary Lee Elizabeth Shepley Sergeant Gertrude Stein Kathe Kollwitz Charlotte Mew Katherine Mansfield Louise Bogan Toni Morrison Jane Addams Emmeline Pethick Lawrence Edna St Vincent Millay Martha Gellhorn Frances Davis Dorothy Parker Gertrud Kolmar Virginia Woolf Dorothy Thompson Ding Ling

Women in the Military Rita James Simon, 2018-04-24 The role status and treatment of women is one of the major issues confronting the military today This volume provides a range of perspectives on the magnitude of concerns the sources of problems how issues might best be addressed and the future for women in the armed services It is based on a special issue of the journal Gender Issues supplemented with additional contributions from leading scholars Historical and theoretical perspectives are provided by Lorry M Fenner and Jean Bethke Elshtain Fenner focuses on the role of women in the military since 1940 and argues for broader inclusion of women as well as other groups that have previously been restricted from full participation Elshtain analyzes the extraordinary ability of war to draw both women and men into civic life and observes how it calls forth and establishes a sense of particular identity for both men and women Critical views are provided by other scholars Laura L Miller examines the feminist movement's insistence on full participation in combat units Former Army chaplain Marie deYoung provides qualitative and quantitative data on military readiness and unit cohesion in mixed gender units Leading military scholars Mady W Segal David R Segal Jerald G Bachman Peter Freedman Doan and Patrick M O Malley review national surveys comparing male and female high school seniors responses to surveys conducted on questions about their propensity to enlist Male female differences are also addressed by Judith Hicks Steihm who looks at the opinions each group has about the capabilities and performance of women She finds differences by rank on questions as to how hard female soldiers work as compared to male soldiers and whether women are ready for combat duty Historically the military has provided minorities equal opportunity Brenda L Moore and Schulyler C Webb examine whether or not this is still perceived to be the case in today's Navy They focus on different perceptions by women and men and by African American women in particular Finally William O Neill examines whether the post cold war downsized military will find women soldiers more or less important Drawing upon social science research historical data and contemporary opinion surveys Women in the Military is a cutting edge assessment of a major gender issue in the United States It will be valuable to researchers in women's studies as well as those teaching courses in sociology history and military studies Rita James Simon is University Professor in the School of Public Affairs and the Washington College of Law at American University She is the editor of Gender Issues and author of The American Jury the Insanity Defense A Critical Assessment of Law and Policy in the Post Hinkley Era with David Aaronson Adoption Race and Identity with Howard Alstein In the Golden Land A Century of Russian and Soviet Jewish Immigration Social Science Data and Supreme Court Decisions with Rosemary Erickson and Abortion Statutes Policies and

Public Attitudes the World Over *The Women's Army Corps, 1945-1978* Bettie J. Morden, 2011-09-26 After years out of print this new and redesigned book brings back the best and most complete history of the Women's Army Corps Loaded with history tables charts statistics photos personalities and many useful appendices including a history of WAC uniforms The Women's Army Corps 1945-1978 is must reading for anyone who served those years in the Army as well as for those who want a complete history of the modern day military Author Bettie Morden served from 1942-1972 and she used her experience and access to people and records to compile the definitive reference work Col Morden is a graduate of the WAC Officers Advanced Course 1962 Command and General Staff College 1964 and the Army Management School 1965 She has been awarded the Distinguished Service Medal the Legion of Merit the Joint Service Commendation Medal and the Army Commendation Medal with Oak Leaf Cluster Mixed-gender Basic Training Anne W. Chapman, 2008 This volume is an account of the many currents some ongoing that informed the Army's struggle to design a basic training course acceptable to the nation's civil and military leadership the general public various special interest groups and the young men and women undergoing their first experience as soldiers Employs a mixture of topical and chronological organization The major focus is on the period from 1973 to 2004 Tells the Army's story of mixed gender training at the initial entry level Cultural Diversity in the Armed Forces Joseph L. Soeters, Jan Van der Meulen, 2007-01-24 This book addresses the different ways in which armed forces around the world respond to the cultural diversity of their parent societies ethnicity and gender in particular in order to enhance their quality and legitimacy **The Bill of Rights in the Modern State** Geoffrey R. Stone, Richard A. Epstein, Cass R. Sunstein, 1992-10-15 Also published as v 59 no 1 winter 1992 of the University of Chicago law review Women in the Military United States. Congress. House. Committee on Armed Services. Subcommittee on Military Personnel, 1981 Explaining why antifreeze is a component of toothpaste and how salt works in shampoo this fascinating handbook delves into the chemistry of everyday household products Decoding more than 150 cryptic ingredients the guide explains each component's structural formula offers synonymous names and describes its common uses This informative resource can serve curious readers as a basic primer to commercial chemistry or as an indexed reference for specific compounds found on a product label Grouped according to type these chemical descriptions will dissolve common misunderstandings and help make consumers more product savvy Product description **Military Occupational Specialties Manual (MOS Manual)**. United States. Marine Corps, 1975 Defense Management Journal, 1979

Selective Service Registration United States. Congress. House. Committee on the Budget. Task Force on Defense and International Affairs, 1980 *Manpower and personnel* United States. Congress. Senate. Committee on Armed Services, 1981 Soldiers, 1980 **Women in the Line of Fire** Erin Solaro, 2009-05-20 In 2004 Erin Solaro went to Iraq to study American servicewomen what they were doing how well they were doing it how they were faring in combat In 2005 she went to Afghanistan on the same mission Having spent time embedded with combat troops and conducting stateside

interviews with numerous analysts and veterans Solaro is convinced that the time to drop all remaining restrictions on women's full equality under arms is now The Army the country the women of America and of the world need it Women in the Line of Fire details why this will not be an easy task Although 15 percent of the military is female the Army and Marines still resist acknowledging what is in fact already happening women are fighting and fighting well For the Religious Right and the cultural conservatives women in combat is a hot button issue in their campaign to take back the culture But for the young men and women on the lines brought up in an America where equality between the sexes was never second guessed and where making up the rules as you go along comes with the territory it's the new reality

The All-Volunteer Force William A. Taylor, 2023-06-24 The all volunteer force AVF created in conjunction with the end of the draft in 1973 has been the most significant development in modern American military history Since its inception the influence of the AVF has reached far beyond the US armed forces affecting the very character of American civil military relations While its successes and challenges continue to be widely discussed and fervently debated one thing is certain the AVF is critical to both US national security and the fabric of American society The insightful cogent and provocative essays contained in this timely volume represent a crucial first step in assessing the AVF after fifty years of service Here fifteen renowned authors speak to vital issues that remain relevant today and will endure well into the future The AVF has garnered both triumphs and shortcomings but continues to be an essential institution Engaged dialogue about the AVF is crucial to ensure that it remains ready to meet and overcome potential threats and that policymakers address the central obstacles it faces today The All Volunteer Force is the most comprehensive assessment of the force since its advent and reveals the momentous sway the AVF has had on the military government and society in the United States In crafting this far reaching collection of essays William A Taylor examines the AVF in four distinct parts analyzing its history results challenges and implications In doing so this compelling book explores all the major facets of the AVF past present and future This dynamic volume brings together a multidisciplinary group of distinguished authors who each bring to bear important perspectives on specific aspects of the AVF These contributors include leading scholars general officers civilian policymakers and personnel experts who collectively provide a holistic assessment of the accomplishments and shortcomings of the AVF during its fifty years of service

The Engaging World of Kindle Books: A Thorough Guide Unveiling the Pros of E-book Books: A World of Ease and Versatility

Arms And The Enlisted Woman Introduction

In today's digital age, the availability of Arms And The Enlisted Woman books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Arms And The Enlisted Woman books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Arms And The Enlisted Woman books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to

purchase several of them for educational or professional purposes. By accessing Arms And The Enlisted Woman versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Arms And The Enlisted Woman books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Arms And The Enlisted Woman books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Arms And The Enlisted Woman books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Arms And The Enlisted Woman books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Arms And The Enlisted Woman books and manuals for download and embark on your journey of knowledge?

FAQs About Arms And The Enlisted Woman Books

1. Where can I buy Arms And The Enlisted Woman books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
